## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

Honorable Board of County Commissioners  
Broward County, Florida

### Report on Compliance for Each Major Federal Program and State Project

We have audited Broward County, Florida's (the "County") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget ("OMB") *Compliance Supplement* and the requirements described in the Department of Financial Services State Projects Compliance Supplement that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2021. The County's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs and state projects.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, *Rules of the Auditor General*. Those standards, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance.

## Opinion on Each Major Federal and State Project

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2021.

## Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program or state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE

Honorable Board of County Commissioners  
Broward County, Florida

We have audited the accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the "Schedule") of Broward County, Florida (the "County") for the year ended September 30, 2021, and the related notes to the Schedule.

### Management's Responsibility

Management is responsible for the preparation and fair presentation of this Schedule in accordance with accounting principles generally accepted in the United States of America; Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.550, *Rules of the Auditor General*; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the Schedule that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Chapter 10.550, Rules of Auditor General*. Those standards, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether the Schedule is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Report on Audited Financial Statements**

The financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2021, were audited by other auditors, and they have issued their report thereon dated March 21, 2022. Their audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements as a whole, and they issued unmodified opinions thereon.

In accordance with *Government Auditing Standards*, the other auditors have also issued a report dated March 21, 2022, on their consideration of the County's internal control over financial reporting and on their tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of their testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide opinions on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

### **Opinion**

In our opinion, the Schedule referred to above presents fairly, in all material respects the Schedule of Expenditures of Federal Awards and State Financial Assistance of Broward County, Florida for the year ended September 30, 2021, in accordance with accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of the Board of County Commissioners, management, and specific legislative or regulatory bodies and is not intended to be, and should not be, used by anyone other than these specified parties.

**BROWARD COUNTY, FLORIDA**  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**AND STATE FINANCIAL ASSISTANCE**  
**Year Ended September 30, 2021**

**NOTE 1 – GENERAL**

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the “Schedule”) included herein represents the federal and state-initiated grant activity of Broward County, Florida (the “County”), recorded by the County during the fiscal year ended September 30, 2021. For purposes of this Schedule, federal awards and state financial assistance include both federal and state assistance received directly from a federal or state agency, respectively, as well as federal or state funds received indirectly by the County from non-federal or non-state organizations. Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position or cash flows of the County.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation*

The Schedule of Expenditures of Federal Awards has been prepared in accordance with the Uniform Guidance and presents the Federal awards expended by Broward County. The Single Audit Act Amendments of 1996 (Public Law 104-156) and the Uniform Guidance in subpart F define Federal awards as Federal financial assistance and Federal cost-reimbursement contracts that non-Federal entities receive directly from Federal awarding agencies or indirectly from pass-through entities. Federal financial assistance is defined as assistance that non-Federal entities receive or administer in the form of grants, loans, loan guarantees, property, cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, or other assistance. The information in this Schedule is presented in accordance with the requirements of the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards: (“Uniform Guidance”); Chapter 69I-5, Schedule of Expenditures of State Financial Assistance, Rules of the Department of Financial Services; and Chapter 10.550, Rules of the Auditor General. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements of the County.

*Basis of Accounting*

The expenditures in the accompanying Schedule are presented using the modified accrual basis of accounting, except for the pass-through to subrecipients, which is presented using the cash basis of accounting. Under the modified accrual basis of accounting, expenditures are recognized when the County becomes obligated for a payment as a result of the receipt of the related goods or services.

**NOTE 3 – ASSISTANCE LISTING (CATALOG OF FEDERAL DOMESTIC ASSISTANCE (CFDA))**

The program titles and CFDA numbers were obtained from the federal or pass-through grantor of the 2021 Catalog of Federal Domestic Assistance. If no CFDA number had been assigned to a program, the two-digit federal agency identifier and the federal contract number were used. When there was no federal contract number the, the word “Agreement” was used.

**NOTE 4 – CATALOG OF STATE FINANCIAL ASSISTANCE (CSFA) NUMBER**

The program titles and CSFA numbers were obtained from the State of Florida or pass-through grantor of the 2021 Catalog of State Financial Assistance. If no CSFA number had been assigned to a program, the two-digit state agency identifier and the state contract number were used. When there was no state contract number the word “Agreement” was used.

**NOTE 5 – CONTINGENCIES**

Grant monies received and disbursed by the County are for specific purposes and are subject to review by grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures.

Based upon prior experience, the County does not believe that such disallowances, if any, would have a material effect on the financial position of the County. Management is not aware of any material questioned or disallowed costs as a result of grant audits in process or completed; however, the possible disallowance by a governmental agency of any item charged to a program cannot be determined at this time.

**NOTE 6 – SUBRECIPIENTS**

Certain program funds are passed through the County to subrecipient organizations. Subrecipients are noted on the Schedule as “Passed Through to Subrecipients”.

**NOTE 7 – INDIRECT COST RATE**

The County has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**NOTE 8 – PUBLIC TRANSIT BLOCK GRANT - CFDA 55.010**

The Public Transit Block Grant was tested, and it was certified that the following have been adhered to:

- Funds did not exceed local revenue.
- Funds were not expended for depreciation or amortization of capital assets.

Funds did not supplant local tax revenues made available for operations in the previous year.

**NOTE 9 – PRIOR YEAR EXPENDITURES**

The current year Schedule includes prior fiscal year expenditures for the programs noted below. Although the expenditures were incurred in prior fiscal years, the funding approvals for the expenditures were obtained in the current fiscal year.

**Condition**

During our review of the County’s Major program CFDA 93.914, HIV Emergency Relief Project Grants (Ryan White HIV/AIDS Program Part A), we noted that the executed contract agreement between the County and subrecipients does not include all the requirements for pass-through entities as outlined in the Uniform Guidance.

**Criteria**

The Uniform Guidance Section 200.332 outlines certain requirements that must be included in all contract agreements between pass-through entities and subrecipients. The executed contract agreement must include the Federal Award Assistance Listing number and title and all other requirements enumerated in the Uniform Guidance.

**Recommendation**

We recommend that the County implement procedures that will ensure that contract agreements between the County and subrecipients fully comply with the subrecipient requirements as outlined in the Uniform Guidance.

We have implemented the specific requirements under the Uniform Guidance Section 200.332 prospectively in Fiscal Year 2021.
