

# Procurement Mission Statement

## Mission

Ensure success of our County clients through best value procurement solutions to acquire all goods and services supporting their business needs.

## Vision

Broward County viewed as the best managed US county, enabled through a nationally recognized center of excellence in procurement, providing all essential goods, services, and solutions through the best contracts available, anywhere.

## Values

- Leadership
- Integrity
- Fairness
- Service
- Trust
- Transparency
- Responsiveness
- Quality
- Value

## Goals

1. High-quality goods/services acquired at reasonable costs
2. Procedures are fair and impartial
3. Impropriety, or any appearance thereof, is avoided
4. All qualified vendors enabled access to public business
5. All Offerors included without any being arbitrarily or capriciously excluded
6. Competition enabled to the maximum feasible degree
7. Procedures are open and administratively efficient
8. Public body enabled with flexibility in fashioning details of the competition
9. Rules of contract award are clear in advance of the procurement
10. Specifications reflect needs rather than favoring any supplier
11. Information freely exchanged between public body and suppliers about what is sought and what is being offered
12. Best value concepts enabled, with criteria and factors and basis and process for their consideration stated in the solicitation

## Strategies

**Alignment** – Fully align procurement activity with County organizational establishment

**Category Management** – Focus on essential Client supply and services mission needs

**Relationship Management** – Focus on strong, high-value Supplier Relationship Management and Client Relationship Management skills and principles in all areas

**Collaboration** – Partner with all other public bodies on joint needs

**Technology** – Procurement operations supported by the most advanced technology solutions practicably available

**Talent** – Develop strong procurement leaders – trained, certified, and enabled to deliver the highest value to County clients, suppliers, citizens, and stakeholders.
