21.4. For purposes of this section a business day is defined as Monday through Friday between 8:30am and 5:00pm. If CONTRACTOR uses a subcontractor, then CONTRACTOR shall ensure that subcontractor names COUNTY as an Additional Insured.

1.2. Business Automobile Liability: with minimum limits per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability. Coverage must be afforded on a form no more restrictive than the latest edition of the Business Automobile Liability policy, without restrictive endorsements, as filed by the Insurance Services Office. 1.4. If Excess Liability/Umbrella Insurance is provided, it is not subject to a minimum limit unless indicated. Such coverage may be used to satisfy the minimum liability limits indicated for Comprehensive or General Liability, Business Automobile Liability, Employers’ Liability, and other applicable liability policies; however, the annual aggregate limit shall not be less than the highest "each occurrence" limit for the underlying liability policy. If CONTRACTOR agrees to endorse COUNTY as an Additional Insured unless the policy provides coverage on a pure/true "Follow-form" basis.

1.5. Builder's Risk or Equivalent Coverage (such as Property Insurance or Installation Floater): as applicable, is required as a condition precedent to the issuance of the second Notice to Proceed. CONTRACTOR shall provide “All Risk” Completed Value form Builder’s Risk Policy coverage with a deductible not to exceed Ten Thousand Dollars ($10,000.00) each claim for all perils, except wind and flood.

This coverage will not cover any of the CONTRACTOR’s or subcontractors’ tools, equipment, machinery or provide any business interruption or time element coverage to the contractor(s).

1.6.1. If the COUNTY decides to purchase Property Insurance or provide for coverage under its existing insurance for this Project, then the insurance required to be carried by the CONTRACTOR may be modified to account for the insurance being provided by the COUNTY. Such modification may also include execution of Waiver of Subrogation documentation.

1.6.2. In the event that a claim occurs for this Project and is made upon the COUNTY’s insurance policy, for other than a windstorm, CONTRACTOR will pay at least Ten Thousand Dollars ($10,000.00) of the deductible amount for such claim.

1.6.3. Waiver of Occupancy Clause or Warranty - Policy must be specifically endorsed to eliminate any "Occupancy Clause" or similar warranty or representation that the building(s), addition(s) or structure(s) in the course of construction shall not be occupied without specific endorsement of the policy. The Policy must be endorsed to provide that the Builder’s Risk coverage will continue to apply until final acceptance of the building(s), addition(s) or structure(s) by COUNTY.

1.7. Pollution Liability or Environmental Impairment Liability: as applicable, including clean-up costs, with minimum limits per claim, subject to a maximum deductible per claim. 1.9. If the initial insurance expires prior to the completion and acceptance of the Work, renewal certificates shall be furnished at least thirty (30) days prior to the date of their expiration. COUNTY reserves the right to obtain a copy of any insurance policy
required by this Section within fifteen (15) calendar days of a written request by COUNTY.

1.10. Notice of Cancellation and/or Restriction - The policy (ies) must be endorsed to provide Broward County with at least thirty (30) days' notice of cancellation and/or restriction.

1.11. CONTRACTOR shall furnish to the COUNTY Certificate(s) of Insurance and endorsements or other evidence of insurance coverage such as: Declarations pages, or policies, required within fifteen (15) calendar days after notification of award. The Certificates of Insurance shall name the types of policies provided, refer specifically to this Contract, and state that such insurance is required by this Contract. The failure to provide the Certificate(s) of Insurance within time specified shall be the basis for the rescission of the contract award.

1.12. The official title of the Certificate Holder is Broward County. This official title shall be used in all insurance documentation.

1.13. Right to revise or reject. The County reserves the right, but not the obligation, to review and revise any insurance requirements at the time, not limited to deductibles, limits, coverage and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work/specifications affecting the applicability of coverage.

13. **LITIGATION HISTORY REQUIREMENT:** The COUNTY will consider a vendor's litigation history information in its review and determination of responsibility. All vendors are required to disclose to the COUNTY all "material" cases filed or resolved in the three (3) year period ending with the solicitation response due date, whether such cases were brought by or against the vendor, any parent or subsidiary of the vendor, or any predecessor organization. If the vendor is a joint venture, the information provided should encompass the joint venture (if it is not newly-formed for purposes of responding to the solicitation) and each of the entities forming the joint venture. For purpose of this disclosure requirement, a “case” includes lawsuits, administrative hearings and arbitrations. A case is considered to be "material" if it relates, in whole or in part, to any of the following:

13.1. A similar type of work that the vendor is seeking to perform for the COUNTY under the current solicitation;
13.2. An allegation of negligence, error or omissions, or malpractice against the vendor or any of its principals or agents who would be performing work under the current solicitation;

13.5. A criminal proceeding or hearing concerning business-related offenses in which the vendor or its principals (including officers) were/are defendants.

Notwithstanding the descriptions listed in paragraphs 13.1-13.5 above, a case is not considered to be "material" if the claims raised in the case involve only garnishment, auto negligence, personal injury, or a proof of claim filed by the vendor.

For each material case, the vendor is required to provide all information identified on the Litigation History Form.

A Vendor is also required to disclose to the COUNTY any and all case(s) that exist between the COUNTY and any of the vendor's subcontractors/subconsultants proposed to work on this project.

Failure to disclose any material case, or to provide all requested information in connection with each such case, may result in the vendor being deemed non-responsive. Prior to making such determination, the vendor will have the ability to clarify the submittal and to explain why an undisclosed case is not material.

THIS FORM SHOULD BE SUBMITTED WITH THE BID; OR IF NOT SUBMITTED WITH BID, IT MUST BE SUBMITTED WITHIN 5 BUSINESS DAYS OF REQUEST FROM THE COUNTY.

On January 4, 2011, Governor Scott issued Executive Order 11-02 which requires Broward COUNTY as a party to any State funded contracts to participate in the Employment Eligibility Verification Program ("E-Verify Program") administered by the U.S. Department of Homeland Security ("DHS"). The E-Verify Program can be found at www.uscis.gov, and click on the E-Verify Homepage Link on the right side of the page.

As a result of the adoption of the terms and conditions of the "Memorandum of Understanding" with DHS and Executive Order 11-02, any Contractor performing work pursuant to the State funded contract issued by the COUNTY is required to use the E-Verify Program to confirm employment eligibility of its current and prospective employees. The undersigned contractor hereby certifies that it will enroll and participate in the E-Verify Program, in accordance with the terms and conditions governing the use of the program by:

(1) Verifying the employment eligibility of all persons employed during the contract term by the contractor to perform the work under this contract.

The Contractor shall obtain from the subcontractor a copy of the "Edit Company Profile" screen indicating enrollment in the E-Verify Program and make such record available to the COUNTY within seven calendar days from the COUNTY's request.

(4) Displaying the notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system.

(5) Initiate E-Verify verification procedures for new employees within 3 business days after the actual work start date of each new hire and thereafter shall respond appropriately to any additional requests from DHS or Social Security Administration (SSA).

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is union or non-union.

Union Identifiers

An identifier enclosed in dotted lines beginning with characters other than "SU" denotes that the union classification and rate have found to be prevailing for that classification. Example: PLUM0198-005 07/01/2011. The first four letters, PLUM, indicate the international union and the four-digit number, 0198, that follows indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2011, following these characters is the effective date of the most current negotiated rate/collective bargaining agreement which would be July 1, 2011 in the above example.

Union prevailing wage rates will be updated to reflect any changes in the collective bargaining agreements governing the rates. 0000/9999: weighted union wage rates will be published annually each January.

Non-Union Identifiers

Classifications listed under an "SU" identifier were derived from survey data by computing average rates and are not union rates; however, the data used in computing these rates may include both union and non-union data. Example: SULA2004-007 5/13/2010. SU indicates the rates are not union majority rates, LA indicates the State of Louisiana; 2004 is the year of the survey; and 007 is an internal number used in producing the wage determination. A 1993 or
later date, 5/13/2010, indicates the classifications and rates under that identifier were issued as a General Wage Determination on that date.

Survey wage rates will remain in effect and will not change until a new survey is conducted.

----------------------------------------

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator

(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

**Article 2: Intention of COUNTY**

It is the intent of COUNTY to describe in the Contract Documents a functionally complete Project (or part thereof) to be constructed in accordance with the Contract Documents and in accordance with all codes and regulations governing construction of the Project. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied by CONTRACTOR whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals, or codes of any technical society, organization or association, or to the laws or regulations of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code or laws or regulations in effect at the time of opening of bids and CONTRACTOR shall comply therewith unless otherwise provided in the Contract Documents. COUNTY shall have no duties other than those duties and obligations expressly set forth within the Contract Documents.

**Article 3: Separate Contracts**

3.1. COUNTY reserves the right to let other contracts in connection with or adjacent to this Project. CONTRACTOR shall afford other contractors reasonable access to the site for the execution of their work. CONTRACTOR shall conduct its work so as not to interfere
with or hinder the progress of completion of the construction performed by other Contractors. Contractors working on the same Project shall cooperate with each other as directed by the COUNTY Representative. Coordination with other contractors shall not be grounds for excusable delay.

3.2. If any part of CONTRACTOR's Work depends upon the work of others, CONTRACTOR shall inspect and promptly report to COUNTY any defects in such Work that render it unsuitable. CONTRACTOR's failure to report defects shall constitute a waiver of those defects, except as to latent defects.

Article 4: Interpretation of the Contract

4.1. The Contract is made up solely of the Contract Documents. The Contract Documents must be read as a whole, and anything in one such document must be read as included in all other documents, unless the context requires otherwise.

4.2. Where there is a conflict between any provision in the Contract Documents and a more stringent state or federal provision that is applicable to this Project, the more stringent state or federal provision shall prevail.

Article 5: Contract Time

5.1. CONTRACTOR shall be instructed to commence the Work by written instruction in the form of a Purchase Order issued by the COUNTY and two or more Notices to Proceed issued by the COUNTY. The First Notice to Proceed and Purchase Order will not be issued until CONTRACTOR's submission to COUNTY of all required documents and after execution of the Contract by both parties.

5.2. First Notice to Proceed.

5.2.1. Preconstruction Work shall be commenced within ten (10) calendar days after the issuance of the First Notice to Proceed. CONTRACTOR shall have ten (10) days after receipt of signed and sealed Contract drawings to apply for all construction permits to the applicable permitting authority. Failure to complete the tasks authorized by the First Notice to Proceed within the time specified in these Contract Documents shall be grounds to terminate the Contract for cause. Alternatively, COUNTY may assess Liquidated Damages. The liquidated amount is set forth in the Summary of Terms and Conditions.

5.2.2. After issuance of the First Notice to Proceed, and before the COUNTY issues a Second Notice to Proceed, CONTRACTOR shall submit to COUNTY all of the following items for OWNER's approval:

5.2.2.1. A project schedule in compliance with the requirements of Division 1.

5.2.2.2. A preliminary schedule of Shop Drawing submissions;

5.2.2.3. A preliminary schedule of values in sufficient detail to serve as the basis for progress payments during construction. Such prices will include an appropriate amount of overhead and profit applicable to each item of Work.
5.2.2.4. Utility coordination schedule: CONTRACTOR shall meet with all utility owners and secure from them a schedule of utility relocation. COUNTY shall not be responsible for the nonperformance by the utility owners.

5.2.2.5. All permits required by authorities having jurisdiction for all portions of the Work, unless otherwise provided by the Contract Documents.

5.2.3. Preconstruction Meeting: After receipt of all items identified above, a Preconstruction Meeting will be held to discuss procedures for conducting the Work, including but not limited to designating individuals to receive communications; for required submissions, inspections and approvals; for processing Applications for Payment; and to establish a working understanding among the parties as to the Work.

5.3. Second Notice to Proceed.

5.3.1. After the Preconstruction Meeting, CONTRACTOR may begin to perform the balance of the Work on the Project Initiation Date specified in the Second Notice to Proceed.

5.3.2. Time is of the essence throughout this Contract. The Work shall be substantially completed within the time set forth in the Summary of Terms and Conditions, specified in the Second Notice to Proceed.

5.3.3. Upon failure of CONTRACTOR to substantially complete the Contract within the specified period of time, plus approved time extensions, COUNTY shall deduct from monies otherwise due the CONTRACTOR a liquidated amount assessed daily until Substantial Completion. The liquidated amount is set forth in the Summary of Terms and Conditions.

5.3.4. After Substantial Completion, should CONTRACTOR fail to complete the remaining Work within the time specified for Final Completion, COUNTY shall deduct from monies otherwise due the CONTRACTOR a liquidated amount assessed daily until Final Completion. The liquidated amount is set forth in the Summary of Terms and Conditions.

5.3.5. Failure to meet interim Milestones shall also be cause for the COUNTY to deduct from monies otherwise due the CONTRACTOR a liquidated amount assessed daily as set forth in the Summary of Terms and Conditions.

5.4. The liquidated amounts are not penalties but are Liquidated Damages to COUNTY for costs incurred due to CONTRACTOR’s untimely performance. Liquidated Damages are hereby fixed and agreed upon between the parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by COUNTY as a consequence of such delay, and both parties desiring to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of CONTRACTOR to complete the Contract on time. By submitting a bid, CONTRACTOR acknowledges that the amounts established for Liquidated Damages for preconstruction Work, Substantial Completion, Final Completion, and any intermediate Milestones are fair and reasonable. Such Liquidated Damages shall
apply separately to each portion of the Project for which a time for completion is given. CONTRACTOR waives any and all challenges and legal defenses to the validity of any Liquidated Damages established in the Contract Documents, including that the Liquidated Damages are void as penalties or are not reasonably related to the actual damages sustained by the COUNTY as a result of CONTRACTOR's untimely performance.

5.5. Liquidated Damages shall be deducted from monies otherwise due CONTRACTOR until Final Completion, whether or not the COUNTY terminates CONTRACTOR for cause and whether or not Surety completes the project after a default by CONTRACTOR.

5.6. CONTRACTOR, in addition to reimbursing COUNTY for Liquidated Damages for untimely performance, shall reimburse COUNTY for all costs incurred by COUNTY to repair, restore, or complete the Work. All such costs shall be deducted from the monies otherwise due CONTRACTOR for performance of Work under this Contract by means of unilateral credit Change Orders issued by COUNTY.

Article 6: Contract Documents

6.1. The Contract Documents shall be followed in strict accordance as to work, performance, material, and dimensions.

6.2. Dimensions given in figures are to hold preference over scaled measurements from the drawings; however, all discrepancies shall be resolved by Consultant. CONTRACTOR shall not proceed when in doubt as to any dimension or measurement, but shall seek clarification from Consultant.

6.3. CONTRACTOR shall be furnished, free of charge, the number of copies of the Contract Documents established in Division 1, two (2) of which shall be preserved and always kept accessible to Consultant and Consultant's authorized representatives on the Project site. Additional copies of the Contract Documents may be obtained from COUNTY at the cost of reproduction.

6.4. CONTRACTOR shall maintain in a safe place at the Project site one record copy of all Drawings and other Contract Documents. These record documents, together with all approved samples and a counterpart of all approved Shop Drawings, shall be available at all times to COUNTY for reference. Upon Final Completion of the Project and prior to Final Payment, these record documents, samples and Shop Drawings shall be delivered to the COUNTY.

6.5. This Contract incorporates, includes, and supersedes all prior negotiations, correspondence, conversations, agreements, and understandings, and there are no commitments, agreements or understandings that are not contained in this Contract. This Contract is the entire agreement between the parties, and no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

Article 7: CONTRACTOR to Check Plans, Specifications, and Data

CONTRACTOR shall inspect conditions under which Work is to be performed and verify all dimensions, quantities and details shown on the plans, specifications or other data received
from COUNTY, and shall notify COUNTY of all errors, omissions and discrepancies found therein prior to the COUNTY's issuance of the Second Notice to Proceed. Failure to notify County of reasonably identifiable errors, omissions, or discrepancies prior to issuance of the Second Notice to Proceed shall preclude Claims for Compensable Excusable Delay associated with such items. The Contract Base Amount shall be deemed to include the most expensive or comprehensive material or system so as to deliver a complete and functional facility.

Article 8: Prosecution of the Work

8.1. The CONTRACTOR shall furnish sufficient forces, offices, facilities and equipment, and shall work such hours, including night shift and overtime operations, as necessary to ensure the prosecution of the Work in accordance with the current monthly updated progress schedule. If, in the opinion of the COUNTY Representative, the CONTRACTOR, due to its own action, falls behind in meeting the baseline schedule as presented in the current monthly updated progress schedule, the CONTRACTOR shall take such steps as may be necessary to improve its progress, and the COUNTY Representative may require the CONTRACTOR to increase the hours of work, the number of shifts, the amount of supervision, overtime operations or the amount of construction equipment without additional cost to the COUNTY.

8.2. CONTRACTOR shall be responsible for coordination of Work. All architectural, civil, structural, mechanical, electrical and other subcontractors shall be responsible for coordination of their portions of the Work with CONTRACTOR and with each affected trade.

Article 9: Supervision

9.1. CONTRACTOR shall employ on the Project during its progress a full-time competent English speaking superintendent satisfactory to COUNTY. The superintendent shall not be changed except with the written consent of COUNTY, unless the superintendent proves to be unsatisfactory to CONTRACTOR and ceases to be in its employ.

9.2. CONTRACTOR shall supervise the Work, using best practices and industry standards. CONTRACTOR shall be solely responsible for the means, methods, techniques, sequences and procedures of construction.

9.3. If CONTRACTOR finds any discrepancy between the Contract Documents and the physical conditions of the locality, or any errors, omissions, or discrepancies in the Contract Documents, CONTRACTOR shall immediately inform COUNTY, in writing.

Article 10: Labor and Materials

10.1. Unless otherwise provided in the Contract Documents, CONTRACTOR shall provide and pay for all materials, labor, water, tools, equipment, light, power, transportation and other facilities and services necessary for the proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

10.2. CONTRACTOR shall at all times enforce strict discipline and good order among its employees and subcontractors at the Project site and shall not employ on the Project any unfit person or anyone not skilled in the Work to which they are assigned.
Article 11: Temporary Offsite Facilities

CONTRACTOR shall provide, at CONTRACTOR's own expense and without liability to COUNTY, any additional land or facilities that may be required for temporary construction facilities, or for storage of materials.

Article 12: Maintenance of Traffic

CONTRACTOR shall conduct its operations so as not to close any thoroughfare, nor interfere in any way with pedestrian, vehicular, marine or air traffic without the written consent of the proper authorities.

Article 13: Location and Damage to Existing Utilities

13.1. COUNTY does not guarantee the accuracy or the completeness of the location information relating to existing utility services, facilities or structures that may be shown on the Drawings or encountered in the Work. CONTRACTOR shall identify and locate all underground and overhead utility lines, facilities, structures, or equipment affecting or affected by the Project. Any inaccuracy or omission in such information will not relieve the CONTRACTOR of its responsibility to protect such existing features.

13.2. The CONTRACTOR shall notify each utility, facility, structure, or equipment company involved at least thirty (30) days prior to the start of construction to arrange for positive underground location, relocation or support of its utility, facility, structure, or equipment which may be in conflict with or endangered by the proposed construction. Relocation of water mains or other utilities for the convenience of the CONTRACTOR shall be paid by the CONTRACTOR. All charges by companies for temporary support of their utilities, facility, structure, or equipment shall be paid for by the CONTRACTOR. All costs of permanent relocation to avoid conflict shall be the responsibility of the company involved. All relocations are to be approved by the respective owner prior to backfilling.

13.3. The CONTRACTOR shall schedule the Work in such a manner that the Work is not delayed by the utility, facility, structure, or equipment owners' relocation or support of their utilities. The CONTRACTOR shall coordinate its activities with any and all public and private owners occupying the Project site. No compensation will be paid to the CONTRACTOR for any loss of time or delay caused by private utility owners.

13.4. All overhead, surface or underground structures and utilities encountered are to be carefully protected from injury or displacement. Should the CONTRACTOR damage or interrupt the operation of a utility service or facility, CONTRACTOR shall immediately notify the proper utility service or facility owner and the COUNTY Representative. CONTRACTOR shall take all reasonable measures to prevent further damage or interruption of service.

13.5. The CONTRACTOR shall immediately repair all utilities, cables and other facilities that are damaged by its workers, equipment, or Work at its own expense with appropriate new material by skilled workers. Prior approval of the appropriate utility service and/or facility owner shall be obtained from the COUNTY Representative for the materials, workers, time of day or night, method of repairs, and any temporary or permanent repairs the CONTRACTOR may propose to any cables or utility service damaged by the
CONTRACTOR during the course of the Work. The COUNTY may remedy such
damage by ordering outside parties to make repairs at the expense of the
CONTRACTOR. All damaged utilities must be replaced or fully repaired to the
satisfaction of the utility or facility owner. The CONTRACTOR, in such events, shall
cooperate with the utility service or facility owner and the COUNTY Representative
continuously until such damage has been repaired and service restored to the
satisfaction of the utility service or facility.

Article 14: Safety and Protection

14.1. CONTRACTOR shall be solely responsible for initiating, maintaining and supervising all
safety precautions and programs in connection with the Project.

14.2. CONTRACTOR shall protect the Work against all loss or damage sustained until
Beneficial Occupancy by COUNTY or Substantial Completion, whichever comes first,
and shall promptly repair any damage.

14.3. The CONTRACTOR shall not be responsible for normal wear resulting from the
COUNTY's use of the Work after Beneficial Occupancy or Substantial Completion.
However, any defect in the Work not attributable to normal wear resulting from the
COUNTY's use shall be repaired by the CONTRACTOR at no additional cost to the
COUNTY.

14.4. CONTRACTOR shall notify owners of adjacent property and utilities when prosecution
of the Work may affect them. All damage, injury or loss to any property referred to
herein, caused directly or indirectly, in whole or in part, by CONTRACTOR, any
Subcontractor or anyone directly or indirectly employed by any of them or anyone for
whose acts any of them may be liable, shall be remedied by CONTRACTOR.

14.5. CONTRACTOR shall designate a responsible member of its organization at the Work
site whose duty shall be the prevention of unsafe activities or practices which may lead
to accidents.

14.6. In the event of an emergency constituting an immediate hazard to the health or safety of
employees, property, lessees, or the general public, the COUNTY may undertake, at the
COUNTY's expense without prior notice, all work necessary to correct such
hazardous condition when it was caused by work of the CONTRACTOR not being in
accordance with the requirements of this Contract.

Article 15: Substitutions

15.1. CONTRACTOR may request substitution of materials, articles, pieces of equipment or
any changes that reduce the Contract Price by making such request to COUNTY in
writing. No substitute will be allowed without a Change Order or CPEAM that adjusts the
Contract Price or Contract Time. CONTRACTOR agrees to pay all COUNTY's expenses
related to COUNTY's review of the request for substitution. Any substitution submitted
by CONTRACTOR must meet the form, fit, function and life cycle criteria of the item
proposed to be replaced and there must be a net dollar savings including COUNTY
expenses for review. COUNTY may require CONTRACTOR to furnish at
COUNTY's expense a special performance guarantee or other surety with respect
to any substitute approved after award of the Contract.
15.2. Requests for substitutions of products will be considered prior to the COUNTY's issuance of the Second Notice To Proceed. Subsequent requests will only be considered upon submittal of substantiated evidence of product unavailability, or that there is some unreasonable difficulty in obtaining it.

15.3. Substitutions will not be considered when indicated on shop drawings or product data submittals without a separate formal request, when requested directly by Subcontractor or supplier, or when acceptance will require substantial revision of the Contract Documents.

15.4. Substitute products shall not be installed without prior written approval of COUNTY.

15.5. The COUNTY shall limit selections to products with warranties that comply with requirements of the Contract Documents.

15.6. Requests For Substitutions

15.6.1. Submit separate request for each substitution. Document each request with complete data substantiating compliance of proposed substitution with requirements of Contract Documents.

15.6.2. Identify product by Specifications section and Article numbers. Provide manufacturer's name and address, trade name of product, and model or catalog number. List fabricators and suppliers as appropriate.

15.6.3. List similar projects using product, dates of installation, and names of the owner and consultant.

15.6.4. Give itemized comparison of proposed substitution with specified product, listing variations, and reference to Specifications section and Article numbers.

15.6.5. Substitutions will not be approved if the cost to provide and install the substitutions causes the Contract Price to be exceeded.

15.6.6. List availability of maintenance services and replacement materials.

15.6.7. State effects of substitution on construction schedule, and changes required in other work or products.

15.7. CONTRACTOR Representations

15.7.1. Request for substitution constitutes a representation that the CONTRACTOR has investigated proposed product and has determined that it is equal to or superior in all respects to specified product.

15.7.2. CONTRACTOR will provide the same warranty or better for substitution as for specified product.

15.7.3. CONTRACTOR will coordinate installation of approved substitute, including making such changes as may be required for Work to be complete in all respects.
15.7.4. CONTRACTOR certifies that cost data presented is complete and includes all related costs under this Contract.

15.7.5. CONTRACTOR waives claims for additional costs related to substitution, which may later become apparent.

Article 16: Shop Drawings

16.1. CONTRACTOR shall submit Shop Drawings as required by the Contract Documents. The purpose of the Shop Drawings is to show the suitability, efficiency, technique of manufacture, installation requirements, details of the item and evidence of its compliance or noncompliance with the Contract Documents.

16.2. By the date specified in the First Notice to Proceed, CONTRACTOR shall submit to COUNTY a complete list of preliminary data on items for which Shop Drawings are to be submitted and shall identify the critical items. Approval of this list shall not relieve CONTRACTOR from submitting complete Shop Drawings, in accordance with the Contract Documents.

16.3. CONTRACTOR shall promptly request Shop Drawings from the various manufacturers, fabricators, and suppliers.

16.4. CONTRACTOR shall thoroughly review and check the Shop Drawings and each copy shall show this approval.

16.5. If the Shop Drawings show or indicate departures from the Contract requirements, CONTRACTOR shall make specific mention thereof in its letter of transmittal. Failure to point out such departures shall not relieve CONTRACTOR from its responsibility to comply with the Contract Documents.

16.6. COUNTY's review of Shop Drawings will be general and shall not relieve CONTRACTOR of responsibility for the accuracy of such Drawings, nor for the proper fitting and construction of the Work, nor for the furnishing of materials or Work required by the Contract Documents and not indicated on the Drawings. No Work called for by Shop Drawings shall be performed until the said Drawings have been reviewed.

16.7. No review will be given to partial submittals of Shop Drawings for items which interconnect and/or are interdependent where necessary to properly evaluate the design. It is CONTRACTOR's responsibility to assemble the Shop Drawings for all such interconnecting and/or interdependent items, check them and then make one submittal to COUNTY along with its comments as to compliance, noncompliance, or features requiring special attention.

16.8. If catalog sheets or prints of manufacturers' standard drawings are submitted as Shop Drawings, any additional information or changes on such drawings shall be noted.

16.9. CONTRACTOR shall submit the number of copies required by the Contract Documents. Resubmissions of Shop Drawings shall be made in the same quantity.

16.10. CONTRACTOR shall keep one set of approved Shop Drawings at the job site at all times.
Article 17: Field Layout of the Work

CONTRACTOR shall maintain lines and grades in the field. CONTRACTOR shall maintain accurate records of the location and elevation of all foundations, slabs, pipe lines, conduits, structures, maintenance access structures, handholes, fittings and the like, and shall prepare "as-built" drawings of the same which are sealed by a surveyor registered by the State of Florida. CONTRACTOR shall deliver these records in good order to COUNTY as the Work is completed. The cost of all such field layout and recording work is included in the prices bid for the appropriate items. All "as-built" drawings shall be made on electronic format and shall be submitted with each monthly pay application; once "as-built" drawings are completed and accepted, no further submittals will be required.

Article 18: Project Records

All Project records are public records pursuant to Florida law. CONTRACTOR and its subcontractors shall maintain all books and records and accounts, whether financial or otherwise, which relate to the Project and to any claim for additional compensation made by CONTRACTOR, including, without limitation, complete and correct records of payments to each of its Subcontractors. For each Subcontractor, the books and records and accounts shall reflect each payment to the Subcontractor and the cumulative total of the payments made to the Subcontractor. COUNTY shall have the right to inspect and copy, at COUNTY’s expense, the books and records and accounts of CONTRACTOR and its Subcontractors which relate in any way to the Project, and to any claim for additional compensation made by CONTRACTOR, and to conduct an audit of the financial and accounting records of CONTRACTOR and its Subcontractors which relate to the Project and to any claim for additional compensation made by CONTRACTOR. CONTRACTOR and its subcontractors shall retain and make available to COUNTY all such books and records and accounts, whether financial or otherwise, which relate to the Project and to any claim for a period of three (3) years following Final Completion of the Project. During the Project and the three (3) year period following Final Completion of the Project, CONTRACTOR shall provide COUNTY access to its books and records and accounts upon seventy-two (72) hours' written notice. CONTRACTOR shall protect plans, blueprints and schematics from disclosure as required by Chapter 119, Florida Statutes.

Article 19: Assignment and Performance

Neither this Contract nor any interest herein shall be assigned, transferred, or encumbered by CONTRACTOR without prior written approval of COUNTY.

Article 20: Subcontracts

20.1. CONTRACTOR shall have a continuing obligation to notify COUNTY of any change in Subcontractors.

20.2. Each Subcontractor must possess certificates of competency and licenses required by law.

20.3. CONTRACTOR shall not employ any Subcontractor debarred under COUNTY procedures.
20.4. CONTRACTOR shall be fully responsible for all acts or omissions of Subcontractors in connection with the Work. Nothing in the Contract Documents shall create any contractual relationship between any Subcontractor and COUNTY, or any obligation on the part of COUNTY to pay any Subcontractor.

20.5. CONTRACTOR agrees to bind every Subcontractor to the applicable terms and conditions of the Contract Documents for the benefit of COUNTY.

20.6. CONTRACTOR shall perform the Work with its own organization, amounting to not less than the percent shown on in the Summary of Terms and Conditions.

20.7 Third-Party Beneficiaries: Except as otherwise expressly provided by these Contract Documents, neither CONTRACTOR nor COUNTY intends to directly or substantially benefit a third party by this Contract.

Article 21: Progress Payments

21.1. CONTRACTOR may submit applications for payment not more frequently than monthly for Work completed. No payment will be made in advance of work being completed. CONTRACTOR’s application shall show a complete breakdown of the Project components, the quantities completed and the amount due, together with such supporting evidence as may be required by COUNTY Representative.

21.2. Each application for payment shall include but not be limited to the following documents:

21.2.1. An updated progress schedule acceptable to COUNTY as required by the Contract Documents;

21.2.2. A Certification of Payments to Subcontractors Form accompanied by a copy of the notification sent to each Subcontractor, explaining the good cause why payment has not been made;

21.2.3. A release of claims from each Subcontractor and from CONTRACTOR relative to the Work which was the subject of previous pay applications;

21.2.4. A Consent of Surety form relative to Work which is the subject of the pending pay application;

21.2.5. A completed Statement of Wage Compliance Form;

21.2.6. A Monthly Utilization Report Form;

21.2.7. Updated as-built information for Work performed during the payment period;

21.2.8. Certified payroll records as required by the Contract Documents;

21.2.9. If this Project has been assigned a LEED category, a LEED certification status report; and

21.2.10. If this Project has been assigned a LEED category, documentation of compliance with specifications for Work items that have been designated as
intended to support the COUNTY’s application for LEED certification.

21.3. Applications for Payment shall be subject to approval by COUNTY. Failure to furnish supporting evidence for amounts invoiced shall result in a reduction of the amount otherwise due to CONTRACTOR. Incomplete pay applications will not be processed.

21.4. Retainage

The COUNTY shall withhold ten percent (10%) retainage from each progress payment to the CONTRACTOR until fifty percent (50%) of the Work has been completed. Thereafter, the COUNTY shall reduce to five percent (5%) the amount of retainage withheld from each subsequent progress payment made to the CONTRACTOR. Any reduction in retainage below five percent (5%) shall be at the sole discretion of the COUNTY after written request by CONTRACTOR. After Substantial Completion and after completion of all items on the punch list, the CONTRACTOR may submit a payment request for all remaining retainage. It shall be the COUNTY’s sole determination as to whether any of the items have been completed. For items deemed not to have been completed, the COUNTY may withhold retainage up to one and one-half times the total cost to complete such items. Any interest earned on retainage shall accrue to the benefit of COUNTY.

21.5. COUNTY may withhold, in whole or in part, payment to such extent as may be necessary to protect itself from loss on account of:

21.5.1. Defective work not remedied.

21.5.2. Claims filed or reasonable evidence indicating probable filing of claims by other parties against CONTRACTOR or COUNTY because of CONTRACTOR’s performance.

21.5.3. Failure of CONTRACTOR to make payments properly to Subcontractors or for materials or labor.

21.5.4. Damage to another contractor not remedied or damage to other COUNTY property not remedied.

21.5.5. Liquidated Damages and costs incurred by COUNTY for extended construction administration.

21.5.6. Failure of CONTRACTOR to provide any and all documents required by the Contract Documents.

21.5.7. Failure to perform Contract requirements.

21.6. Stored Materials and Equipment (on site):

CONTRACTOR may store materials and equipment at the Project site only on locations designated on the plans. Payment shall be made only for installed materials.

Article 22: Changes in the Work or Terms of Contract Documents
22.1. COUNTY may increase, decrease or otherwise modify the character or quantity of the Work or Contract Time. Any extra or additional Work or time within the scope of this Project must be accomplished by means of Change Orders or CPEAMs.

22.2. No modification, amendment, revision or alteration to the terms or conditions of this Contract shall be effective unless contained in a written document executed with the same formality as this Contract, or pursuant to the terms herein, or as expressly authorized in the Procurement Code.

22.3. Prior to the COUNTY's issuance of either a Change Order or a CPEAM for extra Work or time, CONTRACTOR shall disclose any ownership relationships with any Subcontractors proposed to be doing the extra Work.

22.4. COUNTY may propose a change in the Work or may ask Contractor for a price for a potential change in the Work. Such requests are informational and are not authorizations or instructions to execute the changes or stop the Work in progress.

22.5. CONTRACTOR shall submit an estimate within 14 calendar days after receipt of the proposal request. CONTRACTOR shall provide sufficient documentation to allow evaluation of the estimate, as well as a time impact analysis for any estimate that includes a proposed extension of the Contract Time. At a minimum, CONTRACTOR shall provide data in connection with the items included in "Cost of Work" in the Article, "Value of Changed Work."

22.6. The CONTRACTOR shall maintain its price quote for acceptance by the COUNTY for a minimum of 90 calendar days after submittal. The cost or credit to the COUNTY for any change in the work shall be determined in accordance with the provisions of the Contract Documents. The CONTRACTOR shall not be compensated for efforts expended in preparing and submitting price quotes.

Article 23: Field Orders

The COUNTY may issue Field Orders setting forth written interpretations of the intent of the Contract Documents and ordering minor changes in Work execution, providing the Field Order involves no change to the Contract Base Amount or to the Contract Time.

Article 24: Allowance Accounts

24.1. Certain portions of Work which may be required to be performed by the CONTRACTOR under this Contract are either unforeseeable or have not yet been designed, and the value of such work, if any, is included in the Contract as a specific line item(s) entitled "Allowance Account(s)."

24.1.1. Allowance Accounts shall be used to reimburse the CONTRACTOR for the actual costs of permit fees, license fees, impact fees and inspection fees paid to any governmental entity in connection with the construction of the Project; for furnishing all labor, materials, equipment and services necessary for modifications or extra Work required to complete the Project because of unforeseeable conditions; for performing minor construction changes required to resolve or address oversight in design, COUNTY oversight, unforeseen conditions, revised regulations, technological and product development, opera-
tional changes, schedule requirements, program interface, emergencies and delays, and dispute avoidance and resolution; and for making final adjustments to estimated quantities shown on the Schedule of Prices Bid in the Bid Form to conform to actual quantities installed.

24.1.2. Other Allowance Account(s) may be used as specified in the Contract Documents.

24.1.3. The values for Allowance Accounts, if any, are included in the awarded Contract Price, but are not chargeable against the Contract Price unless and until the CONTRACTOR is directed to perform work contemplated in the Allowance Account(s) by a written CPEAM(s) issued by the COUNTY.

24.1.4. CPEAMs shall require the same documented support as Change Orders.

24.2. At such time as Work is to be performed under the Allowance Account(s), the Work shall be incorporated into the Construction Schedule and the Schedule of Values, and shall in all respects be integrated into the construction as a part of the Contract as awarded.

24.3. The CPEAM for the required Work will be issued by the COUNTY upon receipt from the CONTRACTOR of a satisfactory proposal for performance of the Work, and the acceptance thereof by the COUNTY.

24.4. COUNTY may require the CONTRACTOR to solicit competitive bids from appropriate Subcontractors and materials suppliers for performance of the Work.

24.5. The amount of an Allowance Account may be increased by a Change Order. No CPEAMs shall be issued against an Allowance Account if such CPEAMs, in the aggregate, exceed the authorized amount of that Allowance Account, until that excess has been authorized by appropriate Change Order.

24.6. In the event that COUNTY and CONTRACTOR cannot agree on a price or time adjustment for proposed Work, a CPEAM may be issued using the undisputed value or time, and the CONTRACTOR may reserve a claim for the disputed amount and time. Any reserved claim must identify the scope of Work, the maximum amount to be claimed, and the maximum number of days claimed for each item of Work. Any claim not expressly reserved in this manner is waived. Any amount reserved by the CONTRACTOR will encumber the remaining balance in the Allowance Account until the claim is resolved. Any proposed Work item having a reserved claim that exceeds the remaining balance in an Allowance Account cannot be authorized by CPEAM, but must be authorized by Change Order.

24.7. At Final Acceptance, the Contract Price shall be decreased by Change Order to credit unexpended amounts under the Allowance Accounts.

Article 25: Change Orders and CPEAMs

25.1. Changes in the Contract Price shall be authorized only by Change Orders approved in advance and issued in accordance with the provisions of the Broward County

Rehabilitation of Taxiway N at North Perry Airport

Page 26 of 97

CON-2-14-2013
Procurement Code, as amended from time to time.

25.2. Changes in the quantity or character of the Work within the scope of the Project, including all changes resulting in changes in the Contract Base Amount, or changes in the Contract Time, may be authorized by Change Orders or CPEAMs approved in advance.

25.3. CONTRACTOR shall not start work on any changes requiring an increase in the Contract Base Amount, Contract Price or the Contract Time until a Change Order or CPEAM setting forth the adjustments is approved by the COUNTY. Upon receipt of a Change Order or CPEAM approved by COUNTY, CONTRACTOR shall promptly proceed with the change in the Work involved.

25.4. No Change Order shall take effect until CONTRACTOR delivers a Consent of Surety increasing the Payment and Performance Bonds by the amount of the Change Order.

25.5. Under circumstances determined necessary by COUNTY, Change Orders may be issued unilaterally by COUNTY when approved by the Board of County Commissioners.

Article 26: Value of Changed Work

26.1. The value of any changed Work covered by a Change Order or CPEAM shall be determined in one of the following ways:

26.1.1. Where the Work involved is covered by unit prices contained in the Contract Documents, by application of unit prices to the quantities of items involved. Unit prices are understood to include a component for overhead and profit.

26.1.2. By mutual acceptance of a lump sum which CONTRACTOR and COUNTY acknowledge contains a component for overhead and profit.

26.1.3. On the basis of the "Cost of Work," plus the CONTRACTOR's fee for Overhead and Profit.

26.2. Unit Price Calculation:

26.2.1. When unit prices are included in the Contract, COUNTY shall pay to CONTRACTOR the amounts determined for the total number of each of the units of work completed at the unit price stated in the Schedule of Prices Bid. The number of units contained in the bid is an estimate only, and final payment shall be made for the actual number of units incorporated in or made necessary by the Contract Documents, as may be amended by Change Order or CPEAM. Unit prices shall be full compensation for all costs, including overhead and profit, associated with completion of the Unit in full conformity with the requirements as stated in the Contract Documents.

26.2.2. Unit prices shall be those described in the Contract Documents. To be compensable, units must be measured daily by the CONTRACTOR and approved in writing by the COUNTY.
26.2.3. In no event shall the CONTRACTOR be entitled to compensation greater than the aggregate amount of the unit price times the original bid quantity of Work shown in the Bid Form unless authorized by Change Order or CPEAM.

26.2.4. The CONTRACTOR shall not be entitled to any additional compensation if actual quantities of Work performed are less than the estimated quantities shown in the Bid Form.

26.2.5. All final measurements for unit price work shall be performed by the COUNTY which shall afford the CONTRACTOR an opportunity to witness or to participate in the calculation of measurements and to review all calculations relating to final measurements.

26.3. Lump Sum Calculation:

Lump sum price Change Orders or CPEAMs shall be based on the COUNTY's proposal request, CONTRACTOR's responsive estimate, and mutual agreement between the COUNTY and the CONTRACTOR. In cases where the COUNTY and the CONTRACTOR cannot mutually agree, the extra Work will be performed on a "Cost of Work" basis.

26.4. Cost of Work Calculation:

26.4.1. The term "Cost of the Work" shall mean the sum of those allowed direct costs necessarily incurred and paid by CONTRACTOR in the proper performance of the Work described in the Change Order or CPEAM. Except as otherwise may be agreed to in writing by COUNTY, such costs shall include only the following items:

26.4.1.1. Payroll costs for employees in the direct employ of CONTRACTOR in the performance of the Work described in the Change Order or CPEAM; payroll costs for employees not employed full time on the changed Work shall be apportioned on the basis of their time spent on the Work. Payroll costs shall include salaries or wages at straight or overtime rates plus the cost of applicable fringe benefits which shall include social security contributions, unemployment and payroll taxes, workers' compensation, health and retirement benefits, sick leave, vacation and holiday pay. Employees shall not include superintendents and forepersons at the site. Overtime shall be included in the above only to the extent previously authorized by COUNTY in writing.

26.4.1.2. Cost of all materials and equipment furnished and incorporated in the changed Work including costs of transportation and storage. All trade discounts, rebates and refunds, and all returns from sale of surplus materials and equipment, shall accrue to COUNTY.

26.4.1.3. The rental cost of any equipment used exclusively for the changed Work, if the equipment is not used for any other part of the Work.

26.5.2. For allowed costs incurred when the Work is performed by Subcontractors, CONTRACTOR's fee shall be seventeen and one half percent (17.5%) of the direct Cost of the Work excluding the cost of additional insurance and bonds. This fee shall be the maximum Overhead and Profit recoverable for changed Work by the CONTRACTOR and its Subcontractors, Sub-Subcontractors and suppliers at all tiers.
26.5.3. No fee shall be payable on items included in Overhead and Profit.

26.6. CONTRACTOR must support its request for payment under this section on a form acceptable to COUNTY with an itemized cost breakdown, and supporting data documenting payments. CONTRACTOR and the Subcontractor(s), as appropriate, shall maintain itemized daily records of costs, quantities and labor. Copies of such records, maintained as follows, shall be furnished to the COUNTY daily for approval, subject to audit.

26.6.1. Labor. On a daily basis, the CONTRACTOR and its Subcontractor(s) of any tier performing the Work shall submit records of the cost of labor attributed to changed Work. The record shall include the name, classification, date, daily hours, total hours, rate and the extension for each laborer, tradesperson, and foreperson.

26.8. Each Change Order or CPEAM amount shall include all costs for the time associated with the changed Work, when the CONTRACTOR is entitled to Compensable Excusable Delay. No separate payment shall be made for delay or extensions to the Contract Time for changed Work, and no reservation of claims for additional time by the CONTRACTOR shall be valid unless the reservation includes the number of days reserved and the scope of Work associated with those days.

Article 27: Non-Excusable And Excusable Delays

27.1. The CONTRACTOR shall document its Claim for any Contract Time extension in accordance with the requirements of the Contract Documents. Failure of the CONTRACTOR to comply with all requirements as to any particular event of Project Delay shall be deemed conclusively to constitute a waiver, abandonment or relinquishment of any and all Claims resulting from that particular event of Project delay.

27.2. Non-Excusable Delay. Any Delay which extends the completion of the Work or portion of the Work beyond the Contract Time and which is caused by the act, fault or omission of the CONTRACTOR or any Subcontractor, materialman, supplier or vendor to the CONTRACTOR. Delays in obtaining permits caused by the CONTRACTOR's actions or lack of actions are Non-Excusable Delays. A Non-Excusable Delay shall not be cause
for granting a Contract Time extension and shall subject the CONTRACTOR to Liquidated Damages.

27.3. Excusable Delay. An Excusable Delay may be compensable or non-compensable. The CONTRACTOR shall be entitled to Liquidated indirect costs for Compensable Excusable Delay, in accordance with the Contract Documents.

27.4. When the Work is extended beyond the Contract Time due to an Excusable Delay, a Change Order or a CPEAM must authorize an extension of the Contract Time. When the Excusable Delay is caused by authorized changed Work, the cost of the changed Work and the Excusable Delay shall be included in the same Change Order or CPEAM.

27.5. Compensable Excusable Delay:

27.5.1. The Delay is caused by circumstances beyond the control of the CONTRACTOR or its Subcontractors, materialmen, suppliers or vendors, and

27.5.2. The Delay is caused by an act or omission of the COUNTY, or of the CONSULTANT; provided however, Delays caused by permitting agencies are Non-Compensable Excusable Delays to the extent that such Delays were not caused by the CONTRACTOR; permitting Delays caused by the CONTRACTOR are Non-Excusable Delays, and

27.5.3. The Delay is not concurrent with a Non-Compensable Delay, and

27.5.4. The Delay is not the result of the performance of unit price Work, and

27.5.5. Except as provided in this Section, CONTRACTOR shall not be entitled to any damages for Delay.

27.6. Non-Compensable Excusable Delay:

27.6.1. The CONTRACTOR shall be entitled only to a time extension and no further compensation for Non-Compensable Excusable Delay.

27.6.2. Non-Compensable Excusable Delay may be caused by circumstances beyond the control of the CONTRACTOR, its Subcontractors, materialmen, suppliers and vendors, and is also caused by circumstances beyond the control of the COUNTY and the CONSULTANT, such as delay(s) caused by the permitting agencies, to the extent that such delays were not caused by the CONTRACTOR, or

27.6.3. Non-Compensable Excusable Delay may be caused jointly or concurrently by the CONTRACTOR or its Subcontractors, materialmen, suppliers or vendors and by the COUNTY or the CONSULTANT, or

27.6.4. Non-Compensable Excusable Delay may be caused by performance of additional unit price Work that extends the Contract Time.

27.7. Weather may be grounds for Non-compensable Excusable Delay when rains or other inclement weather conditions or related adverse soil conditions result in
CONTRACTOR being unable to work at least fifty percent (50%) of the normal workday on controlling items of work identified on the accepted updated progress schedule.

27.8. In no event shall the CONTRACTOR be excused for interim Delays which do not extend the Contract Time or Milestones.

27.9. Nothing in this Contract shall be construed as waiving COUNTY's right to Liquidated Damages for delays due to failure of Surety, Delays as a result of the CONTRACTOR's failure to carry out the instructions of the COUNTY, or for any other Delays not specifically deemed to be Excusable Delay.

Article 28: Severe Weather

28.1. During such periods of time as are designated by the United States Weather Bureau as being a tropical storm watch or warning or a hurricane watch or warning, the CONTRACTOR, at no cost to the COUNTY, shall take all precautions necessary to secure the Project site in response to all threatened storm events, regardless of whether the COUNTY has given notice of same.

28.2. Compliance with any specific tropical storm or hurricane watch or warning precautions will not constitute additional Work.

Article 29: Notification and Claim for Change of Contract Time or Contract Base Amount

29.1. Any request for additional time or compensation shall be made by written notice to the COUNTY within two (2) days of the commencement of the event giving rise to the request. Within fourteen (14) days of the commencement of the event, or such longer period of time as authorized by the COUNTY in writing, CONTRACTOR shall submit all documentation supporting the request for additional cost or time. If the COUNTY and CONTRACTOR cannot resolve a request within sixty (60) days after submission, CONTRACTOR may re-submit the request as a Claim in accordance with the Contract Documents. The Claim shall include CONTRACTOR's written notarized certification of the Claim in accordance with the False Claims Ordinance, Sections 1-276, et seq., Broward County Code of Ordinances.

29.2. All requests and Claims for increases to the Contract Time or Contract Base Amount shall be waived if not submitted in strict accordance with the requirements of the Contract Documents, the satisfaction of which shall be conditions precedent to entitlement.

29.3. Submission of Claims.

29.3.1. If the project has a Dispute Avoidance Panel, the CONTRACTOR must discuss the disputed issue at a Dispute Avoidance Panel meeting before the CONTRACTOR may submit a Claim. Failure to discuss a disputed matter at a Dispute Avoidance Panel meeting shall constitute a waiver of any Claim arising from that matter; and

29.3.2. Each Claim must be submitted within ninety (90) days of the submission of
the request for an adjustment to the Contract Time or Contract Base Amount.

29.3.3. Each Claim must include a description of the disputed work, the amount sought by the CONTRACTOR and the number of days of Delay sought by the CONTRACTOR. The Claim must be accompanied by all job records supporting entitlement and the amounts and time sought. A time impact analysis shall be provided to support any claim for additional time. The COUNTY shall be entitled to review additional job records to evaluate the submitted claim.

29.4. Reservation of Claim Amounts and Time.

29.4.1. The CONTRACTOR may reserve a timely-submitted Claim by executing a conditional release in a CPEAM or Change Order, which states the amount and time sought in the Claim and identifies the Scope of Work giving rise to the Claim. Unquantified amounts or time claimed will not preserve a Claim or a right to a Claim.

29.4.2. If the COUNTY agrees to pay a portion of a Claim, the CONTRACTOR may reserve the remaining portion of the Claim by executing a conditional release in a CPEAM or Change Order, which states the remaining amount and time sought in the Claim and identifies the Scope of Work giving rise to the Claim. Unquantified amounts or time claimed will not preserve a Claim or a right to a Claim.

29.4.3. CONTRACTOR may not refuse to complete work that is the subject of a dispute or a Claim.

29.4.4. Each Change Order shall contain a release and waiver of all claims as of the date the CONTRACTOR signs the Change Order, except as specifically included in a reservation of claims within the Change Order. The reservation of Claims shall, as to each reserved individual Claim, state the amount and time sought in the Claim and identify the Scope of Work giving rise to the Claim. Any Claim not included in the reservation of Claims is waived and abandoned; and unquantified amounts or time are also waived and abandoned.

29.4.5. If any Claims remain unresolved at Substantial Completion, the parties shall participate in mediation within sixty (60) days. The mediation shall be confidential to the same extent as Court-ordered mediation under Florida law. The Mediator shall be mutually agreed upon by the parties. Should any Claim not be resolved in mediation, the parties retain all their rights and remedies under Florida law. Participation in mediation within the prescribed sixty (60) day period is a condition precedent to file a lawsuit in connection with the Project. If a party which has not satisfied this condition precedent files a lawsuit in connection with this Contract, the party filing the lawsuit shall pay the other party's reasonable attorneys' fee and court costs.

Article 30: Inspection and Testing

30.1. COUNTY shall at all times have access to the Work, and CONTRACTOR shall provide proper facilities for such access and for inspecting, measuring and testing.
30.2. Field instructions shall not be effective to authorize deviations from the Contract Documents.

30.3. Should the Contract Documents, any laws, ordinances, or any public authority require any of the Work to be specially tested or approved, CONTRACTOR shall give COUNTY timely notice of readiness of the Work for testing. If the testing or approval is to be made by an authority other than COUNTY, at least three (3) days' notice must be given prior to each test. Testing shall be made promptly, and, where practicable, at the source of supply. Work covered without approval of COUNTY must, if required by COUNTY, be uncovered for examination and properly restored at CONTRACTOR's expense.

30.4. COUNTY may order reexamination of any of the Work and, if so ordered, the Work must be uncovered by CONTRACTOR. If such Work is found to be in accordance with the Contract Documents, COUNTY shall pay the cost of reexamination and replacement. If such Work is not in accordance with the Contract Documents, CONTRACTOR shall pay such cost.

30.5. CONTRACTOR shall perform its own quality control testing, at its own expense.

30.6. Except when otherwise specified in the Contract Documents, the expense of all tests requested by COUNTY shall be borne by COUNTY and performed by a testing firm chosen by COUNTY. The cost of any required test which CONTRACTOR fails shall be paid for by CONTRACTOR. COUNTY's test results will determine compliance with the Contract Documents.

30.7. For road construction projects, the procedure for making tests required by Consultant will be in conformance with the most recent edition of the State of Florida, Department of Transportation Standard Specifications for Road and Bridge Construction.

Article 31: Defective Work and Non-Conforming Work

31.1. COUNTY shall reject defective Work. All materials and equipment furnished will be new unless otherwise specified and all of the Work will be of good quality, free from faults and defects, and in conformance with the Contract Documents. All Work not conforming to these requirements, including substitutions not authorized, may be considered defective.

31.2. CONTRACTOR shall promptly either correct all defective Work or remove such defective Work and replace it with non-defective Work. CONTRACTOR shall bear all direct, indirect and consequential costs of such removal or corrections including the cost of testing laboratories and personnel.

31.3. Should CONTRACTOR fail or refuse to remove or correct any defective Work in accordance with the requirements of the Contract Documents within the time indicated in writing by COUNTY, COUNTY may cause the defective Work to be removed or corrected at CONTRACTOR's expense. Any expense incurred by COUNTY in making such removals, corrections or repairs shall be paid for out of any monies due or which may become due to CONTRACTOR, or may be charged against the Performance Bond. Additionally, COUNTY may terminate CONTRACTOR for cause.

31.4. If, within one (1) year after Substantial Completion or such longer period of time as
may be prescribed by the Contract Documents, any of the Work is found to be not in accordance with the Contract Documents, CONTRACTOR, within ten (10) days after written notice from COUNTY, shall correct such defective or nonconforming Work without cost to COUNTY, or shall provide a plan acceptable to the COUNTY for the prompt correction of such defective or nonconforming Work. If CONTRACTOR fails to correct defective or nonconforming Work timely, COUNTY may charge CONTRACTOR for the cost of correction. Nothing contained herein shall be construed to establish a period of limitation with respect to any other obligation which CONTRACTOR might have under the Contract Documents.

31.5. Failure to reject any defective Work or material shall not in any way prevent later rejection when such defect is discovered, or obligate COUNTY to Final Acceptance, or waive COUNTY's rights with regard to latent defects.

31.6. Within 10 days after written notice from COUNTY, CONTRACTOR will correct all latent defects discovered within ten (10) years of Substantial Completion. CONTRACTOR will restore any Work disturbed in connection with the correction of defective work at no cost to the COUNTY.

31.7. The provisions of Florida Statutes Chapter 558 shall not apply to this Contract.

Article 32: Beneficial Occupancy

32.1. Beneficial Occupancy shall occur when the COUNTY in its sole discretion determines that a portion of the Work may be occupied prior to Substantial Completion.

32.2. Beneficial Occupancy shall not constitute Substantial or Final Acceptance of the Work, nor shall it relieve the CONTRACTOR of any responsibility for the correction of Work or for the performance of Work not complete at the time of Beneficial Occupancy.

32.3. Prior to Beneficial Occupancy, the CONTRACTOR shall obtain a Certificate of Occupancy or Completion from the appropriate Authority Having Jurisdiction.

32.4. Prior to the anticipated date of Beneficial Occupancy, the CONTRACTOR shall instruct COUNTY personnel as necessary for the proper operation and maintenance of all equipment and machinery that will serve the portion of the Work being occupied.

32.5. After Beneficial Occupancy and as conditions of Substantial Completion, the CONTRACTOR shall deliver to the COUNTY complete as-built drawings, all approved Shop Drawings, maintenance manuals, pamphlets, charts, parts lists and specified spare parts, operating instructions and other necessary documents required for all installed materials, equipment, or machinery, all applicable warranties and guaranties, and the appropriate Certificate of Occupancy or Completion that are related to the portion of the Work being occupied.

32.6. CONTRACTOR's insurance on the unoccupied or unused portion or portions shall not be canceled or lapsed on account of such Beneficial Occupancy.

32.7. CONTRACTOR shall be responsible to maintain all utility services to areas occupied by the COUNTY until Final Acceptance.
Article 33: Partial Substantial Completion

Partial Substantial Completion of the Work shall occur when the COUNTY determines that a portion of the Work, as defined by logical boundaries, is Substantially Complete, in accordance with the Contract Documents. COUNTY shall have the right at its sole option to designate such portions of the Work as Substantially Complete. Partial Substantial Completion shall not constitute Final Acceptance of the Work, nor shall it relieve the CONTRACTOR of any responsibility for the correction of Work or for the performance of Work not complete at the time of Partial Substantial Completion.

Article 34: Substantial Completion

34.1. When it is determined that the Work is substantially complete in accordance with the Contract Documents, a Certificate of Substantial Completion will be issued in the form included in these Contract Documents. As a condition of Substantial Completion, all of the following shall occur:

34.1.1. The COUNTY shall develop, and the CONTRACTOR shall review, the list of items of Work to be completed or corrected by CONTRACTOR to satisfy the requirements of the Contract Documents for Final Completion. The failure to include any items of corrective Work on such list does not alter the responsibility of CONTRACTOR to complete all of the Work in accordance with the Contract Documents.

34.1.2. CONTRACTOR shall deliver all executed warranties.

34.1.3. CONTRACTOR shall deliver all as-built drawings.

34.1.4. CONTRACTOR shall deliver operation and maintenance manuals.

34.1.5. CONTRACTOR shall deliver evidence that all permits have been satisfied and closed, and that a final certificate of completion or certificate of occupancy has been issued.

34.1.6. The Project can be used for its intended purpose.

34.1.7. CONTRACTOR shall satisfy all other requirements of the Contract Documents.

34.2. After Substantial Completion is established, CONTRACTOR may invoice for retainage provided that COUNTY will retain up to 150% of the value of the items to be corrected or completed by CONTRACTOR.

Article 35: Guarantees And Warranties

35.1. Guarantees and Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work unless otherwise provided and will be for a period of one (1) year unless otherwise provided in the Contract Documents.

35.2. The CONTRACTOR will correct all defects discovered within one (1) year (or longer period if provided in the Contract Documents) of the date of Substantial Completion.
CONTRACTOR will commence repairs within ten (10) days after being notified by the COUNTY of the need for the repairs and will prosecute the repairs diligently until completed.

35.3. If the CONTRACTOR fails to act within ten (10) days, the COUNTY may have the repairs performed by others at the expense of the CONTRACTOR.

35.4. Written warranties furnished to the COUNTY are in addition to implied warranties, and shall not limit the duties, obligations, rights and remedies otherwise available under the law or the Contract Documents.

35.5. The CONTRACTOR shall also furnish any special guarantee or warranty called for in the Contract Documents.

Article 36: Clean Up

CONTRACTOR shall at all times keep the Project premises free from accumulation of waste materials or rubbish. At the completion of the Project, CONTRACTOR shall remove all of its waste materials and rubbish from and about the Project, as well as its tools, construction equipment, machinery and surplus materials. COUNTY may clean up and charge the cost to CONTRACTOR.

Article 37: Final Acceptance and Final Payment

37.1. CONTRACTOR shall notify COUNTY when the Work is ready for final inspection. COUNTY shall confirm that all punchlist items have been completed, final quantities of unit price items have been reconciled, the requisite documents have been submitted, the requirements of the Contract Documents have been fully satisfied, all credits due COUNTY are reconciled, and all conditions of the permits and regulatory agencies have been met.

37.2. Before requesting final payment, CONTRACTOR shall deliver to COUNTY: (i) a complete release of all Claims arising out of this Contract conditioned only upon receipt of Final Payment, (ii) an affidavit certifying that all suppliers and Subcontractors have been paid in full and that all other indebtedness connected with the Work has been paid, and (iii) a consent of the surety to Final Payment. The final payment package is to include the certification document titled, "FINAL LIST OF CERTIFIED (CBE or DBE) AND NONCERTIFIED SUBCONTRACTORS AND SUPPLIERS."

37.3. Final payment shall be made only after the COUNTY has reviewed and approved the Final payment package. CONTRACTOR's acceptance of final payment shall constitute a waiver of all claims by CONTRACTOR.
Article 38:  Performance Bond and Payment Bond

Within fifteen (15) calendar days of being notified of the conditional award, and prior to issuance of the First Notice to Proceed, CONTRACTOR shall furnish a Performance Bond and a Payment Bond in the form included in the Contract Documents.

38.1. Each Bond shall be maintained in the amount of one hundred percent (100%) of the Contract. Each Bond shall be increased in the amount of any change to the Contract Price.

38.2. Each Bond shall continue in effect for one (1) year after Final Completion of the Work.

38.3. Qualification of Surety for Bonds over Five Hundred Thousand Dollars ($500,000.00):

38.3.1. Each bond must be executed by a surety company in good standing with the Florida Office of Insurance Regulation and adequate rating from A.M. Best indicated in these Contract Documents, authorized to do business in the State of Florida as surety, having a resident agent in the State of Florida and having been in business with a record of successful continuous operation for at least five (5) years.

38.3.2. The surety company shall hold a current certificate of authority as acceptable surety on federal bonds in accordance with United States Department of Treasury Circular 570, Current Revisions. If the amount of the Bond exceeds the underwriting limitation set forth in the circular, in order to qualify, the net retention of the surety company shall not exceed the underwriting limitation in the circular, and the excess risks must be protected by coinsurance, reinsurance, or other methods in accordance with Treasury Circular 297, revised September 1, 1978 (31 CFR Section 223.10, Section 223.11.) Further, the surety company shall provide COUNTY with evidence satisfactory to COUNTY, that such excess risk has been protected in an acceptable manner.

38.3.3. The COUNTY will accept a surety bond from a company in accordance with the requirements set forth below; provided however, that if any surety company appears on the watch list that is published quarterly by Intercom of the Office of the Florida Insurance Commissioner, the COUNTY shall review and either accept or reject the surety company based on the financial information available to the COUNTY. A surety company that is rejected by the COUNTY may be substituted by the Bidder or proposer with a surety company acceptable to the COUNTY, only if the bid amount does not increase. The following sets forth, in general, the acceptable parameters for bonds:

The Certificate and Affidavit form so certifying should be submitted with the Bid Bond and also with the Performance Bond and Payment Bond.

38.3.5. More stringent requirements may be specified in Division 1.

Article 39: Indemnification

39.1. CONTRACTOR shall indemnify and hold harmless COUNTY, its officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful misconduct of CONTRACTOR and persons employed or utilized by CONTRACTOR in the performance of this Contract. These indemnifications shall survive the term of this Contract.

39.2. Sums otherwise due CONTRACTOR under this Contract may be retained by COUNTY until all of COUNTY's claims for indemnification pursuant to this Contract have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by COUNTY.

Article 40: Suspension of Work

40.1. The COUNTY has the right to suspend the Work wholly, or in part, for such period or periods it may deem necessary. COUNTY shall notify the CONTRACTOR in writing that it is suspending the Work and the effective date of such suspension.

40.2. If the COUNTY suspends the Work, the CONTRACTOR shall store all materials in such a manner that they will not become an obstruction, nor become damaged in any way, and it shall take every precaution to prevent damage or deterioration of the Work performed. The CONTRACTOR shall construct temporary structures where necessary to provide for traffic on, to, or from the Project location.
40.3. If the period of such suspension delays the Contract Time, such Delay may be considered a Compensable Excusable Delay.

Article 41: Termination

41.1. Termination for Cause by COUNTY

If CONTRACTOR breaches any provision of the Contract Documents, COUNTY may give written notice of the breach to CONTRACTOR and its Surety, allowing CONTRACTOR to cure the breach within ten (10) days. If CONTRACTOR fails to cure the breach within the ten (10) day period, COUNTY may terminate CONTRACTOR for cause and exclude CONTRACTOR from the Project site. At the end of the ten (10) day period, all materials and equipment left on the site are deemed abandoned by the CONTRACTOR. CONTRACTOR shall not be entitled to receive any further payment.

41.1.1. COUNTY may make demand on the Surety to complete the Work without further agreement (including but not limited to any takeover agreement). Alternatively, in its sole discretion, COUNTY may complete the Project, or any portion of the Project. All damages, costs, credits, and charges incurred by COUNTY, together with the costs of completing the Project, shall be deducted from any monies due or which may become due to CONTRACTOR or Surety. In case the damages and expenses so incurred by COUNTY exceed the unpaid balance, then CONTRACTOR and Surety shall be jointly and severally liable and shall pay to COUNTY the amount of said excess. Termination for cause shall not extend the Contract Time. If a termination for cause shall be found by a court to be improper, then the termination shall be deemed to be a termination for convenience.

41.1.2. Without limiting the COUNTY’s right to terminate for cause stated in this Article, COUNTY may terminate CONTRACTOR for cause upon the occurrence of any of the following:

41.1.2.1. Disqualification of CONTRACTOR as a CBE/DBE firm by the COUNTY if CONTRACTOR's status as CBE/DBE firm was a factor in the award of this Contract; or

41.1.2.2. Fraud, misrepresentation, or material misstatement by CONTRACTOR in the course of obtaining this Contract or attempting to meet the CBE/DBE contractual obligations.

41.1.3. Materiality and Non-Waiver of Breach: Each requirement, duty, and obligation in the Contract Documents is material. COUNTY’s failure to enforce any provision of this Contract shall not be deemed a waiver of such provision or modification of this Contract. A waiver shall not be effective unless it is in writing and approved by the County Commission or its designee. A waiver of any breach of a provision of this Contract shall not be deemed a waiver of any subsequent breach.
41.2. Termination for Convenience by COUNTY

This Contract may be terminated for convenience in writing by COUNTY upon at least ten (10) days' written notice to CONTRACTOR of intent to terminate on the date specified in the written notice, as follows:

41.2.1. CONTRACTOR shall be paid for all Work executed and actual expenses incurred prior to termination in addition to termination costs reasonably incurred by CONTRACTOR relating to commitments which had become firm prior to the termination. All expenses incurred shall be verified to the satisfaction of the COUNTY. No payment shall be made for Work not performed or for profit related to Work/services which have not been performed.

41.2.2. Upon receipt of Notice of Termination, CONTRACTOR shall promptly discontinue all affected Work unless the Notice of Termination directs otherwise and deliver or otherwise make available to COUNTY all data, drawings, specifications, reports, estimates, summaries and such other information as may have been required by the Contract Documents whether completed or in process. In addition, CONTRACTOR shall promptly remove any part or all of CONTRACTOR's equipment and supplies from the property of COUNTY, failing which COUNTY shall have the right to remove such equipment and supplies at the expense of CONTRACTOR.

Article 42: Compliance With Laws

42.1. The CONTRACTOR shall at all times observe and comply with all laws, ordinances, codes, rules, regulations, orders, and decrees of any public body having jurisdiction in performing its duties, responsibilities, and obligations related to the Contract Documents.

42.2. CONTRACTOR shall pay all applicable taxes required by law.

Article 43: Permits and Fees

43.1. CONTRACTOR shall secure all permits required for the Work and arrange for all inspections and similar procedural items as required by the authorities having jurisdiction. CONTRACTOR shall be reimbursed only for the actual amount of fees levied, as evidenced by a paid receipt or other acceptable documentation. Reimbursement to CONTRACTOR shall not include Overhead and Profit of CONTRACTOR.

43.2. CONTRACTOR shall maintain appropriate Certificate(s) of Competency, valid for the Work to be performed and valid for the jurisdiction in which the Work is to be performed for all persons and Subcontractors working on the Project for whom a Certificate of Competency is required.

43.3. Impact fees levied by any authority having jurisdiction over the Work shall be paid by COUNTY. CONTRACTOR shall be reimbursed only for the actual amount of the impact fee as evidenced by a paid receipt or other acceptable documentation issued by the
authority having jurisdiction. Reimbursement to CONTRACTOR shall not include Overhead and Profit of CONTRACTOR.

43.4. CONTRACTOR shall obtain all necessary permits prior to commencing Work (unless otherwise provided by the Contract Documents), and shall maintain and comply with all permits during the progress of the Work.

Article 44: Royalties and Patents

All fees, royalties, and costs for any invention or patent that may be used in connection with the Work are included in the Contract Price.

Article 45: Applicable Law, Jurisdiction, Venue, and Waiver of Jury Trial

This Contract shall be governed by the laws of the State of Florida. Any action shall be brought in a Court of appropriate jurisdiction in Broward County, Florida, and venue shall be in Broward County Florida.

45.1. CONTRACTOR AND COUNTY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY LITIGATION RELATED TO THIS CONTRACT. CONTRACTOR SHALL SPECIFICALLY BIND ALL SUBCONTRACTORS TO THE PROVISIONS OF THIS CONTRACT. If any party demands a jury trial in a lawsuit arising out of this agreement, that party shall pay the other party’s reasonable attorney’s fees and court costs incurred in contesting the demand.

45.2. Severance: In the event a portion of this Contract is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective.

Article 46: EEO and OESBD Compliance

46.1. No party to this Contract may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this contract. CONTRACTOR shall comply with all requirements of the CBE/DBE Program, as applicable, in the award and administration of this Agreement. Failure by CONTRACTOR to carry out any of these requirements shall constitute a material breach of this Contract, which shall permit COUNTY to terminate this Contract or to exercise any other remedy provided under this Contract, under the Broward County Code of Ordinances, or Administrative Code, or under applicable law, with all of such remedies being cumulative.

46.2. CONTRACTOR shall include the foregoing or similar language in its contracts with any subcontractors or suppliers, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non-discrimination requirements in 49 C.F.R. Parts 23 and 26, as amended. Failure to comply with the foregoing requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as COUNTY deems appropriate.

46.3. CONTRACTOR shall not unlawfully discriminate against any person in its operations and activities or in its use or expenditure of funds in fulfilling its obligations under this Contract and shall not otherwise unlawfully discriminate in violation of the Broward
County Code, Chapter 16½, as may be amended from time to time. CONTRACTOR shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by COUNTY, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, CONTRACTOR shall take affirmative steps to ensure nondiscrimination in employment against disabled persons.

46.4. By execution of this Agreement, CONTRACTOR represents that it has not been placed on the discriminatory vendor list (as provided in Section 287.134, Florida Statutes, as may be amended from time to time). COUNTY hereby materially relies on such representation in entering into this Contract. An untrue representation of the foregoing shall entitle COUNTY to terminate this Contract and recover from CONTRACTOR all monies paid by COUNTY pursuant to this Contract, and may result in debarment from COUNTY's competitive procurement activities.

Article 47: Notices

Whenever either party desires to give notice to the other, such notice shall be by email and must be followed by a written hard copy sent by certified United States Mail, postage prepaid, return receipt requested, or sent by commercial express carrier with acknowledgment of delivery, or by hand-delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. The place for giving notice shall remain the same as shown in the Summary of Terms and Conditions until changed in writing in the manner provided in this Article.
SECTION 4 - SPECIAL PROVISIONS

Special Provisions begin on the next page.
1. The CBE Program, which is implemented under the Broward County Business Opportunity Act of 2012 (Broward County Ordinance No. 2012-33 as may be amended from time to time), referred to as the "Act," provides for the establishment and implementation of CBE participation goals, initiatives, and other opportunities for COUNTY contracts. In completing this Project, CONTRACTOR agrees to and shall comply with all applicable requirements of the CBE Program in the award and administration of the Contract. CONTRACTOR acknowledges that the Broward County Board of County Commissioners, acting by and through the Director of the Broward County Office of Equal Opportunity, may make minor administrative modifications to the CBE Program, which shall become applicable to this Contract if the administrative modifications are not unreasonable. Written notice of any such modification shall be provided to CONTRACTOR and shall include a deadline for CONTRACTOR to notify COUNTY if CONTRACTOR concludes that the modification exceeds the authority of this section of this Contract. Failure of CONTRACTOR to timely notify COUNTY of its conclusion that the modification exceeds such authority shall be deemed acceptance of the modification by CONTRACTOR.

The COUNTY shall have the right to review each proposed amendment, extension, modification, or change order to this Contract that, by itself or aggregated with previous amendments, extensions, modifications, or change orders increases the initial Contract Price by ten percent (10%) or more, for opportunities to include or increase the participation of CBE firms already involved in this Contract. CONTRACTOR shall make a good faith effort to include CBE firms in work resulting from any such amendment, extension, modification, or change order and shall report such efforts, along with evidence thereof, to the Office of Economic and Small Business Development.

2. The Parties acknowledge that subcontract awards to CBE firms are crucial to the achievement of the Project's CBE participation goal. CONTRACTOR understands that each CBE firm utilized on the Project to meet the participation goal must be certified by the Broward County Office of Economic and Small Business Development. In an effort to assist COUNTY in achieving its established goal for this Project, CONTRACTOR agrees to meet the following CBE participation goal by utilizing the CBE firms for the work and the percentage of work amounts described in the Contract Documents, "Summary of Terms and Conditions."

CONTRACTOR may not terminate for convenience a CBE firm listed as a Subcontractor in the CONTRACTOR's bid or offer without the COUNTY's prior written consent, which consent shall not be unreasonably withheld. CONTRACTOR shall inform COUNTY immediately when a CBE firm is not able to perform or if CONTRACTOR believes the CBE firm should be replaced for any other reason, so that the Office of Economic and Small Business Development may review and verify the good faith efforts of
CONTRACTOR to substitute the CBE firm with another CBE firm. Whenever a CBE firm is terminated for any reason, including for cause, CONTRACTOR shall, with notice to and concurrence of the Broward County Office of Economic and Small Business Development Division, substitute another CBE firm in order to meet the level of CBE participation provided herein. Such substitution shall not be required in the event the termination results from COUNTY changing the Scope of Work hereunder and there is no available CBE to perform the new Scope of Work.

3. In performing services for this Project, the Parties hereby incorporate CONTRACTOR's participating CBE firms, addresses, scope of work, and the percentage of work amounts identified on each Letter of Intent into this Contract. Upon execution of this Contract by COUNTY, CONTRACTOR shall enter into a formal contract with the CBE firms CONTRACTOR selected to fulfill the CBE participation goal for this Contract and agrees to provide copies of its contracts with such firms to the Contract Administrator and the Broward County Office of Economic and Small Business Development.

4. CONTRACTOR shall allow County to engage in on-site reviews to monitor CONTRACTOR's progress in achieving and maintaining its contractual and CBE Program obligations. Such review and monitoring shall be by the Contract Administrator in conjunction with the Office of Economic and Small Business Development. County shall have access, without limitation, to CONTRACTOR's books and records, including payroll records, tax returns and records, and books of account, on five (5) business days' notice, to allow COUNTY to determine CONTRACTOR's compliance with its commitment to the CBE participation goal and the status of any CBE firm performing any portion of this Contract.

5. CONTRACTOR understands that it is the responsibility of the Contract Administrator and the Broward County Office of Economic and Small Business Development to monitor compliance with the CBE requirements. In that regard, CONTRACTOR shall report monthly regarding compliance with its CBE obligations.

6. In the event of CONTRACTOR's noncompliance with its participation commitment to a CBE firm (including without limitation the unexcused reduction of the CBE firm's participation), the affected CBE firm shall have the right to the following remedies if the noncompliance is or was alleged to be due to no fault of the CBE firm, and alleged to be due to the willful action or omission of CONTRACTOR:

6.1 The affected CBE firm shall be entitled to damages pursuant to its Contract with CONTRACTOR.

6.2 If the CBE firm has the right to arbitrate and institutes arbitration proceedings claiming non-compliance with the Act by CONTRACTOR, then in such event the CBE firm may submit the dispute to arbitration. However, arbitration shall not be available as to any dispute between CONTRACTOR and COUNTY; nor shall COUNTY incur any cost, fee, or liability relative to any arbitration proceeding.
6.3 Nothing under this Section shall be construed to limit the rights of and remedies available to COUNTY, including the right to seek its own damages pursuant to this Contract.

7. Nonpayment of a CBE Subcontractor or supplier as required by this Contract shall be a material breach of this Contract and County's Contract Administrator may, at his or her option, increase allowable retainage or withhold progress payments unless and until CONTRACTOR demonstrates timely payments of sums due to such Subcontractor, or supplier. CONTRACTOR agrees that the presence of a "pay when paid" provision in its contract with a CBE firm shall not preclude COUNTY or its representatives from inquiring into allegations of nonpayment. The foregoing remedies under this Section 7 shall not be employed when CONTRACTOR demonstrates that failure to pay results from a bona fide dispute with its CBE Subcontractor or supplier.

8. If CONTRACTOR fails to comply with the requirements of this Contract, or the requirements of the Broward County Business Opportunity Act of 2012, COUNTY shall have the right to exercise any administrative remedies provided by the Broward County Business Opportunity Act of 2012, or any other right or remedy provided in the Administrative Procedures of the Office of Economic and Small Business Development, this Contract, or under applicable law, with all such rights and remedies being cumulative.
SPECIAL PROVISION 2A: PREVAILING WAGE RATES

The Prevailing Wage Rate Ordinance applies to this Project. The following sections shall apply.

1. The rate of wages and fringe benefit payments for all laborers, mechanics, and apprentices shall not be less than those payments for similar skills in classifications of work in a like construction industry as determined by the Secretary of Labor and as published in the Federal Register (latest revision is attached hereto).

2. All mechanics, laborers, and apprentices, employed or working directly upon the site of the Work shall be paid in accordance with the above referenced wage rates. CONTRACTOR shall post notice of these provisions at the site of the Work in a prominent place where it can be easily seen by the workers.

3. If the parties cannot agree on the proper classification of a particular class of laborers or mechanics or apprentices to be used, the COUNTY Representative shall submit the question, together with its recommendation, to the COUNTY Administrator for final determination.

4. In the event it is found by the COUNTY Representative that any laborer or mechanic or apprentice employed by CONTRACTOR, or any Subcontractor directly on the site of the Work has been or is being paid at a rate of wages less than the rate of wages required by the ordinance, the COUNTY Representative may (1) by written notice to CONTRACTOR terminate its right to proceed with the Work or such part of Work for which there has been a failure to pay said required wages; and (2) prosecute the Work or portion thereof to completion by contract or otherwise. Whereupon, CONTRACTOR and its sureties shall be liable to COUNTY for any excess costs occasioned to COUNTY thereby.

5. Sections 63.1 through 63.4 above shall apply to this Contract to the extent that it is (1) a prime Contract subject to the ordinance; or (2) a Subcontract also subject to the ordinance under such prime Contract.

6. CONTRACTOR shall maintain payrolls and basic records relating thereto during the course of the Work and shall preserve such for a period of three (3) years thereafter for all laborers, mechanics, and apprentices working at the site of the Work. Such records shall contain the name and address of each such employee; its current classification; rate of pay (including rates of contributions for, or costs assumed to provide, fringe benefits); daily and weekly number of hours worked; deductions made; and actual wages paid.

7. CONTRACTOR shall submit, with each requisition for payment, a signed and sworn Statement of Compliance (Form 00500-4) attesting to compliance with the Prevailing Wage Ordinance, Section 26-5 of the Broward County of Ordinances, as amended.

9. If CONTRACTOR or any Subcontractor fails to pay any laborer, mechanic, or apprentice employed or working on the site of the Work all or part of the wages required by the Contract, the COUNTY Representative may, after written notice to CONTRACTOR, take such action as may be necessary to cause suspension of any further payments or advances until such violations have ceased.

Contractor agrees to observe all security requirements and other requirements of the Federal Aviation Regulations applicable to Contractor, including without limitation, all regulations of the United States Department of Transportation, the Federal Aviation Administration and the Transportation Security Administration, and the Contractor agrees to comply with the County’s Airport Security Program and the Air Operations area (AOA) Vehicle Access Program, and amendments thereto, and to comply with such other rules and regulations as may be reasonably prescribed by the County, and to take such steps as may be necessary or directed by the County to insure that subleases, employees, invitees and guests observe these requirements. If required by the Aviation Department, Contractor shall conduct background checks of its employees in accordance with applicable Federal Regulations. If as a result of the acts or omissions of Contractor, its subleases, employees, invitees or guests, the County incurs any fines and/or penalties imposed by any governmental agency, including without limitation, the United States Department of Transportation, the Federal Aviation Administration or the Transportation Security Administration, or any expense in enforcing any federal regulations, including without limitation, airport security regulations, or the rules or regulations of the County, and/or any expense in enforcing the County’s Airport Security Program, then Contractor agrees to pay and/or reimburse the County all such costs and expenses, including all costs of administrative proceedings, court costs, and attorneys' fees and all costs incurred by County in enforcing this provision. Contractor further agrees to rectify any security deficiency or other deficiency as may be determined as such by the County or the United States Department of Transportation, Federal Aviation Administration, the Transportation Security Administration, or any other federal agency. In the event Contractor fails to remedy any such deficiency, the County may do so at the cost and expense of Contractor. The County reserves the right to take whatever action is necessary to rectify any security deficiency or other deficiency.

(a) Operation of Vehicles on the AOA: Before the Contractor shall permit any employee of Contractor or any subcontractor to operate a motor vehicle of any kind or type on the AOA (and unless escorted by an Aviation Department approved escort), the Contractor shall ensure that all such vehicle operators possess current, valid, and appropriate Florida driver's licenses. In addition, any motor vehicles and equipment of Contractor or of any subcontractor operating on the AOA must have an appropriate vehicle identification permit issued by the Aviation Department, which identification must be displayed as required by the Aviation Department.

For this reason, Contractor agrees that persons not executing such consent-to-search/inspection form shall not be employed by the Contractor or by any subcontractor at the Airport in any position requiring access to the AOA or allowed entry to the AOA by the Contractor or by any subcontractors.

(c) The provisions hereof shall survive the expiration or any other termination of this Agreement.
Broward County Aviation Department (BCAD) Electronic Media Submittal Requirements

The BCAD will be utilizing electronic media as the principal way it develops, communicates and archives information concerning its various construction programs. To that end, County’s standard Professional Services Agreements for Consultant/Contractor services require submittal of documents produced on electronic media. Requirements for that media are presented below. Certain requirements may not applicable to all contracted services and should be verified via checklist and with the contract administrator during the development of the scope of services.

ELECTRONIC MEDIA

(A) General Requirements:

1) All Work, including surveying work, drawings, maps, details or other drawing information to be provided in electronic media by Consultant/Contractor shall be accomplished and developed using computer-aided design (CAD), geographic information system (GIS), and other software and procedures conforming to the following criteria. Electronic data submittals shall also include PDF versions of pages and documentation. The Consultant/Contractor shall expect to produce three primary sets of electronic deliverables:

   CAD – Engineering Design Drawings
   GIS – FAA AGIS Submittal, eALP, and BCAD GIS Use
   PDF – Electronic Document Review and Storage/As-Builts

(B) CAD and GIS Formats:

1) Provide all CAD data in Autodesk, Inc.’s AutoCAD release 2010 or higher for Windows in native .dwg electronic digital format. Provide copies of all drawing sheets or other CAD produced documents intended for hardcopy plotting or printing in plot (.plt) and drawing web format (.dwf) versions of all sheets/documents formatted to fit BCAD standard cover sheet and title block (Refer to Section (C)(1) below). All GIS shall be delivered in ESRI ArcGIS version 9.3 or higher. Specific format/s (Shape file, Layer files, geodatabase, and/or other file type/structure shall be of the Aviation BCAD’s choosing and must also conform to FAA and BCAD). All deliverables shall include appropriate Metadata conforming to BCAD and FAA standards.
Consultant/Contractor will be required to ensure that all data is formatted and in compliance for submission to the FAA AGIS system without any additional changes required by BCAD staff. Consultant/Contractor must ensure compliance with all standards set forth in latest versions of FAA Advisory Circulars (A/C): 150/5300-16, 150/5300-17, and 150/5300-18.

2) Target platform: Windows operating system.

3) Ensure that all digital files and data (e.g., constructs, elements, base files, prototype drawings, reference files, blocks, attribute links, and other files external to the drawing itself) are compatible with the BCADs target CAD and GIS systems (i.e., basic and advanced CAD and GIS software, platforms, database software/s, geodatabases, etc.), and adhere to the standards and requirements specified herein.

4) The term "compatible" means that data can be accessed directly by the target CAD and GIS systems without translation, pre-processing, or post-processing of the electronic digital data files. It is the responsibility of Consultant/Contractor to ensure this level of compatibility.

5) Any non-graphical database delivered with prepared drawings: provide in relational database format compatible with Microsoft Access 2007 or higher, and other (if requested by the BCAD) compatible format. Data shall be delivered in an ESRI Geodatabase format of BCAD's choosing upon request. GIS and CAD data deliverable shall conform to the latest BCAD and FAA standards, including but not limited to, AC 5300/150-16. 17, and 18, and US National CAD Standards.

6) Maintain all linkages of non-graphical data with graphic elements, relationships between database tables, and report formats. Consultant/Contractor should work with BCAD to ensure linkages will conform/match those already in place or generated to create such links.

7) All database tables: conform to the structure and field-naming guidance provided upon request by BCAD. Specifically, all database tables shall conform to all FAA and BCAD standards. All databases shall be compliant with at least MS Access 2007 and/or other format (SQL, ESRI Geodatabase, other) as requested by BCAD. Formats may change, at BCADs request, depending on the particulars of the project. Consultant/Contractor shall inform BCAD of the most suitable format for a given project and explain, in writing, the benefits of that format versus alternatives. BCAD has the final decision as to format regardless of Consultant's/Contractor's written explanation.
8) All CAD and GIS files shall meet FAA/NGS spatial accuracy requirements and be georeferenced as follows:

   North American Datum (NAD) 83, HARN, Feet
   State Plane Florida East
   North American Vertical Datum (NAVD) 88

9) All data collected shall meet or exceed data acquisition standards established in AC 5300/150-16, 17, and 18, if applicable.

(C) Standards:

1) Standard plotted drawing size: 22 inch x 34 inch sheets unless otherwise specified by BCAD. All drawings shall be formatted to use the BCAD standard Cover Page and Title Block.

2) Coordinate with BCAD concerning the standard file naming protocol to be utilized. Consultant/Contractor may be required to submit drawing files with several naming conventions to satisfy various submittal requirements.

3) Unless otherwise stated, all CAD files shall conform to US National CAD standards (BCADs adopted CAD standard) in addition to FAA standards for submission into the FAA AGIS system.

   a. All building floor plans/elevations shall be drawn and provided in Architectural Units (unless otherwise requested by BCAD).

   b. All other plans (site plans, airfield plans, ALPs, etc.) shall be submitted in Engineering Units (unless otherwise requested by BCAD).

4) Layering:

   a. Conform to the guidelines defined by the US National CAD Standards, appropriate FAA Advisory Circulars and standards, and BCAD standards.

   b. Provide an explanatory list of which layer is used at which drawing and an explanatory list of all layers which do not conform to the standards listed above. Submission of layers that do not conform to the standards listed above will require advance BCAD approval.

   c. Raster: All raster files (aerial photography, TIN, DEM, etc.) shall be delivered in georeferenced SID and TIFF formats as defined by BCAD. If files must be tiled, a reference map will be provided depicting the location of each tile image. All raster files shall be tiled if file size reaches a size in excess of that BCAD finds difficult to use.
5) Attribute Definitions:

a. Obtain latest guidance from BCAD concerning attribute definition, database linking and other information embedding requirements prior to production of documents. All database information shall conform to the latest versions of FAA A/Cs 150/5300-16, 17, and 18, and other BCAD standards. Additional attributes may be required at the discretion of BCAD.

6) Conformance:

a. Submit a written request for approval of any deviations from the established CAD/GIS standards. Pre-coordinate the development, use and submittal of 3-D modeling, Building Information Models (BIM), photo-realistic renderings, animations, presentations and other visualization/information tools utilized during the design and construction process to ensure compatibility of submittal with County’s uses and information systems.

b. No deviations from BCADs established CAD/GIS standards will be permitted unless prior written approval of such deviation has been received from BCAD.

(D) Non-CAD/GIS Graphic Format: Provide digital photography files (unless required in an alternate format such as that needed for CAD/GIS) and other miscellaneous graphics in JPEG and TIFF formats. Photos shall be georeferenced in accordance with BCAD standards, if applicable.

(E) Non-Graphic Format:

1) Provide word processing files in Microsoft Word 2007 compatible file formats including all fonts, typefaces, bit-map and vector graphics and other information necessary for remote printing.

2) Provide spreadsheet files in Microsoft Excel 2007 for windows compatible file formats including all fonts, typefaces, bit-map and vector graphics and other information necessary for remote printing.

Provide database files in relational database format compatible with Microsoft Access 2007 or higher, and/or other compatible SQL format database including all tables, form and report formats, fonts, typefaces, bit-map and vector graphics and other information necessary for remote printing. Ensure integrity of relational database structure. Consultant/Contractor may be required to ensure that database formats conform and can be integrated with other BCAD legacy applications and systems.

(F) Delivery Media and Format: Submit copies of all CADD/GIS/PDF data and other electronic files developed

16. Environmental Regulations: Pursuant to the Broward County Procurement Code, COUNTY reserves the right to consider a Bidder’s history of citations and violations of environmental regulations in investigating a Bidder’s responsibility, and further reserves the right to declare a Bidder not responsible if the history of violations warrant such determination in the opinion of COUNTY. Bidder shall submit with its Bid, a complete history of all citations and/or violations, notices and dispositions thereof. The non-submission of any such documentation shall be deemed to be an affirmation by the Bidder that there are no citations or violations. Bidder shall notify COUNTY immediately of notice of any citation or violation which Bidder may receive after the Bid opening date and during the time of performance of any contract awarded to it.

17. Dun & Bradstreet Report Requirement: The COUNTY may review the bidder’s rating and payment performance to assist in determining a bidder’s responsibility when being evaluated for a contract award.

18. Commonly Asked Questions (CAQs): General questions submitted by bidders requesting clarifications or non-material information may be answered by Commonly Asked Questions. A separate document link will be posted on the Purchasing Division’s website in conjunction with the bid solicitation. If CAQ is issued, Bidders should check Commonly Asked Questions frequently for any updates (document will be regularly updated as needed).

19. Wage Rates: as applicable, one of the following wage rates shall apply:

19.1. 19.2. Davis-Bacon Wage Rates: Not applicable to this solicitation.

20. "Or Equal" Clause: Whenever a material, article or piece of equipment is identified in the Contract Documents including plans and specifications by reference to manufacturers’ or vendors’ names, trade names, catalog numbers, or otherwise, COUNTY, through Consultant (if...
applicable), will have made its best efforts to name additional references. Any such reference is intended merely to establish a standard; and, unless it is followed by the words "no substitution is permitted" because of form, fit, function and quality, any material, article, or equipment of other manufacturers and vendors which will perform or serve the requirements of the general design will be considered equally acceptable provided the materials, article or equipment so proposed is, in the sole opinion of the Consultant, equal in substance, quality, and function. The decision of the equivalent shall be determined in a reasonable manner and at the sole discretion of the Consultant.

21.3. Any actual or prospective bidder or offeror who has a substantial interest in and is aggrieved in connection with proposed award of a contract which does not exceed the amount of the award authority of the Director of Purchasing, may protest to the Director of Purchasing. The protest shall be submitted in writing and received within three (3) business days from the posting of the recommendation of award on the Purchasing Division's website.

21.4. For purposes of this section a business day is defined as Monday through Friday between 8:30am and 5:00pm. Failure to timely file a protest within the time prescribed for a solicitation or proposed contract award shall be a waiver of the vendor's right to protest. As a condition of initiating any bid protest, the protestor shall present the Director of Purchasing a nonrefundable filing fee. The filing fee shall be based upon the estimated contract amount. For purposes of the protest, the estimated contract amount shall be the contract bid amount submitted by the protestor. If no contract bid amount was submitted, the estimated contract amount shall be the COUNTY's estimated contract price for the project. The COUNTY may accept cash, money order, certified check, or cashier's check, payable to Broward County Board of Commissioners. The filing fees are as follows:

22. **False Claims:** In accordance with the COUNTY’s False Claims Ordinance, Sections 1-276 through 1-287, Broward County Code of Ordinances, the successful bidder must maintain, as a condition precedent to submitting a claim against the COUNTY, a final bid takeoff. The final bid takeoff shall contain a line item for allocation of overhead costs and must be prepared contemporaneously with the bid, in anticipation of the bid submitted for this project. "Claim" means any invoice, statement, request, demand, lawsuit, or action under contract or otherwise, for money, property, or services made to any employee, officer, or agent of the county, or to any contractor, grantee, or other recipient if any portion of the money, property, or services requested or demanded was issued from, or was provided by, the COUNTY. IT IS EXPRESSLY AND SPECIFICALLY AGREED THAT ANY AND ALL CLAIMS SHALL BE WAIVED IF NOT SUBMITTED IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS SECTION AND THE BROWARD COUNTY FALSE CLAIMS ORDINANCE.

23. **Public Bid Disclosure Act:** Pursuant to the Public Bid Disclosure Act, the COUNTY is required to provide notice of each license, permit and fee a Contractor will have to pay the COUNTY before or during construction or the percentage method or unit method of all licenses, permits and fees required by the COUNTY and payable to the COUNTY by virtue of this construction are identified in Section 6: Public Bid Disclosure Act. A PERSONAL CHECK OR A COMPANY CHECK OF A BIDDER SHALL NOT BE DEEMED A VALID BID GUARANTY. The guaranty of the successful Bidder shall be forfeited to the Board of County Commissioners as liquidated damages, not as a

The Local Preference is extended to Miami-Dade County local and locally headquartered businesses, based upon an Interlocal Agreement of Reciprocity between the counties. This preference does not apply for any solicitation with funding source restrictions, included federal, state, or other grant funding. The Ordinance provides the following:

28.1. 30. Local Business Tax Receipt Requirements: All vendors maintaining a business address within Broward County must have and provide a copy of a current Broward County Local Business Tax Receipt prior to contract award. The Contractor should provide a copy of its Local Business Tax Receipt within five (5) business days after request by the Purchasing Agent but prior to award by the Director of Purchasing or recommendation of award to the Board of County Commissioners, whichever is applicable. Failure to do so may result in your bid being deemed non-responsive. Local Business Tax Receipts will be required pursuant to Chapter 205.053, Florida Statutes. For further information on obtaining or renewing your firm's Local Business Tax Receipt, contact the Records, Taxes and Treasury Division at (954) 357-6200.

Failure to provide this certification will render your firm unqualified and ineligible for award.

32. Non-Collusion: By submission of this bid, Bidder certifies that this bid is made independently and free from collusion. Failure of a vendor to disclose any relationship described herein shall be reason for debarment in accordance with the provisions of the Broward County Procurement Code. The Bidder should complete and submit the Non-Collusion Certification Form with the bid submittal, but must submit within five (5) business days of COUNTY's request.

33. Non-Certified Subcontractors and Suppliers: CONTRACTOR shall within five (5) calendar days of the COUNTY's request, or prior to award of the Contract, whichever occurs first, notify COUNTY and CONSULTANT in writing of the non-certified subcontractors proposed for the Work by submitting the Vendors List (Non-Certified Subcontractors and Suppliers Information) Form properly filled out with each subcontractor's information. Each subcontractor must possess certificates of competency and licenses required by law and as set forth in the Contract. CONTRACTOR shall have a continuing obligation to notify COUNTY and CONSULTANT of any change in subcontractors. This includes all major material suppliers that provide materials in the amount of $50,000 or more. CONTRACTOR shall provide the COUNTY with the Final List of Non-Certified Subcontractors and Suppliers Form as part of CONTRACTOR's Final Payment package.

34. Lobbyist Registration Certification: A vendor who has retained a lobbyist(s) to lobby in connection with a competitive solicitation shall certify that each lobbyist retained has timely filed the registration or amended registration required under Section 1-262, Broward County Code of Ordinances. 1. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR shall provide, pay for, and maintain in force until all of its work to be performed under this Contract has been completed and accepted by COUNTY (or for such duration as is otherwise specified hereinafter), at least the minimum insurance coverage and limits set forth in Exhibit 2: Sample Insurance Certificate under the following conditions:

1.1. Comprehensive Liability: with minimum limits per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability, and a minimum limit per aggregate. Coverage must be afforded on a form no more restrictive than the latest edition of the Comprehensive or General Liability policy, without restrictive endorsements, as filed by the insurance Services Office. COUNTY is to be expressly included as an Additional Insured in the name of Broward County arising out of operations performed for the COUNTY, by or on behalf of CONTRACTOR, or acts or omissions of CONTRACTOR in connection with general supervision of such operation. If CONTRACTOR uses a subcontractor, then CONTRACTOR shall ensure that subcontractor names COUNTY as an Additional Insured.

1.2. Business Automobile Liability: with minimum limits per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability. Coverage must be afforded on a form no more restrictive than the latest edition of the Business Automobile Liability policy, without restrictive endorsements, as filed by the Insurance Services Office. Scheduled autos shall be listed on Contractor's certificate of insurance.

1.3. Workers' Compensation insurance to apply for all employees in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. The policy must include Employers' Liability with minimum limits each accident. If any operations are to be undertaken on or about navigable waters, coverage must be included for the U.S. Longshoremen & Harbor Workers Act and Jones Act.

1.4. If Excess Liability/Umbrella Insurance is provided, it is not subject to a minimum limit unless indicated. Such coverage may be used to satisfy the minimum liability limits indicated for Comprehensive or General Liability, Business Automobile Liability, Employers' Liability, and other applicable liability policies; however, the annual aggregate limit shall not be less than the highest "each occurrence" limit for the underlying liability policy. If CONTRACTOR agrees to endorse COUNTY as an Additional Insured unless the policy provides coverage on a pure/true "Follow-form" basis.

1.5. Builder's Risk or Equivalent Coverage (such as Property Insurance or Installation Floater): as applicable, is required as a condition precedent to the issuance of the second Notice to Proceed. CONTRACTOR shall provide "All Risk" Completed Value form Builder's Risk Policy coverage with a deductible not to exceed Ten Thousand Dollars ($10,000.00) each claim for all perils, except wind and flood.

1.5.1. For the peril of wind, the CONTRACTOR shall maintain a deductible that is commercially feasible which does not exceed five percent (5%) of the value of the Contract Price. Such Policy shall reflect Broward County as an additional loss payee.
1.5.2. For the peril of flood, the CONTRACTOR shall maintain a deductible that is commercially feasible and does not exceed five percent (5%) of the value of the Contract Price. Such Policy shall reflect Broward County as an additional loss payee. Flood insurance must be afforded for the lesser of the total insurable value of such buildings or structures, or the maximum amount of flood insurance coverage available under the National Flood Program.

1.6. The COUNTY reserves the right to provide Property Insurance covering the Project, materials, equipment and supplies that are intended for specific installation in the Project while such materials, equipment and supplies are located at the Project site, in transit, and while temporarily located away from the Project site for the purpose of repair, adjustment or storage at the risk of one (1) of the insured parties. This coverage will not cover any of the CONTRACTOR's or subcontractors' tools, equipment, machinery or provide any business interruption or time element coverage to the contractor(s).

1.6.1. If the COUNTY decides to purchase Property Insurance or provide for coverage under its existing insurance for this Project, then the insurance required to be carried by the CONTRACTOR may be modified to account for the insurance being provided by the COUNTY. Such modification may also include execution of Waiver of Subrogation documentation.

1.6.2. In the event that a claim occurs for this Project and is made upon the COUNTY's insurance policy, for other than a windstorm, CONTRACTOR will pay at least Ten Thousand Dollars ($10,000.00) of the deductible amount for such claim.

1.6.3. Waiver of Occupancy Clause or Warranty - Policy must be specifically endorsed to eliminate any "Occupancy Clause" or similar warranty or representation that the building(s), addition(s) or structure(s) in the course of construction shall not be occupied without specific endorsement of the policy. The Policy must be endorsed to provide that the Builder's Risk coverage will continue to apply until final acceptance of the building(s), addition(s) or structure(s) by COUNTY.

1.7. Pollution Liability or Environmental Impairment Liability: as applicable, including clean-up costs, with minimum limits per claim, subject to a maximum deductible per claim. Such policy shall remain in force for the minimum length of time indicated, include an annual policy aggregate and name Broward County as an Additional Insured. CONTRACTOR shall be responsible for all deductibles in the event of a claim.

1.8. Professional Liability Insurance: with minimum limits for each claim, subject to a maximum deductible per claim. Such policy shall remain in force for the minimum length of time indicated. CONTRACTOR shall notify COUNTY in writing within thirty (30) days of any claim filed or made against its Professional Liability Insurance policy. CONTRACTOR shall be responsible for all deductibles in the event of a claim. The deductible shall be indicated on the CONTRACTOR's certificate of insurance.

1.9. If the initial insurance expires prior to the completion and acceptance of the Work, renewal certificates shall be furnished at least thirty (30) days prior to the date of their expiration. COUNTY reserves the right to obtain a copy of any insurance policy
required by this Section within fifteen (15) calendar days of a written request by COUNTY.

1.10. Notice of Cancellation and/or Restriction - The policy (ies) must be endorsed to provide Broward County with at least thirty (30) days' notice of cancellation and/or restriction.

1.11. CONTRACTOR shall furnish to the COUNTY Certificate(s) of Insurance and endorsements or other evidence of insurance coverage such as: Declarations pages, or policies, required within fifteen (15) calendar days after notification of award. The Certificates of Insurance shall name the types of policies provided, refer specifically to this Contract, and state that such insurance is required by this Contract. The failure to provide the Certificate(s) of Insurance within time specified shall be the basis for the rescission of the contract award.

1.12. The official title of the Certificate Holder is Broward County. This official title shall be used in all insurance documentation.

1.13. Right to revise or reject. The County reserves the right, but not the obligation, to review and revise any insurance requirements at the time, not limited to deductibles, limits, coverage and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work/specifications affecting the applicability of coverage.

13. LITIGATION HISTORY REQUIREMENT: The COUNTY will consider a vendor's litigation history information in its review and determination of responsibility. All vendors are required to disclose to the COUNTY all "material" cases filed or resolved in the three (3) year period ending with the solicitation response due date, whether such cases were brought by or against the vendor, any parent or subsidiary of the vendor, or any predecessor organization. If the vendor is a joint venture, the information provided should encompass the joint venture (if it is not newly-formed for purposes of responding to the solicitation) and each of the entities forming the joint venture. For purpose of this disclosure requirement, a "case" includes lawsuits, administrative hearings and arbitrations. A case is considered to be "material" if it relates, in whole or in part, to any of the following:

13.1. A similar type of work that the vendor is seeking to perform for the COUNTY under the current solicitation;
13.2. An allegation of negligence, error or omissions, or malpractice against the vendor or any of its principals or agents who would be performing work under the current solicitation;
13.3. A vendor's default, termination, suspension, failure to perform, or improper performance in connection with any contract;
13.4. The financial condition of the vendor, including any bankruptcy petition (voluntary and involuntary); or
13.5. A criminal proceeding or hearing concerning business-related offenses in which the vendor or its principals (including officers) were/are defendants.

Notwithstanding the descriptions listed in paragraphs 13.1-13.5 above, a case is not considered to be "material" if the claims raised in the case involve only garnishment, auto negligence, personal injury, or a proof of claim filed by the vendor.

For each material case, the vendor is required to provide all information identified on the Litigation History Form.

A Vendor is also required to disclose to the COUNTY any and all case(s) that exist between the COUNTY and any of the vendor's subcontractors/subconsultants proposed to work on this project.

Failure to disclose any material case, or to provide all requested information in connection with each such case, may result in the vendor being deemed non-responsive. Prior to making such determination, the vendor will have the ability to clarify the submittal and to explain why an undisclosed case is not material.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is union or non-union.

Union Identifiers

An identifier enclosed in dotted lines beginning with characters other than "SU" denotes that the union classification and rate have found to be prevailing for that classification. Example: PLUM0198-005 07/01/2011. The first four letters, PLUM, indicate the international union and the four-digit number, 0198, that follows indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2011, following these characters is the effective date of the most current negotiated rate/collective bargaining agreement which would be July 1, 2011 in the above example.

Union prevailing wage rates will be updated to reflect any changes in the collective bargaining agreements governing the rates. 0000/9999: weighted union wage rates will be published annually each January.

Non-Union Identifiers

Classifications listed under an "SU" identifier were derived from survey data by computing average rates and are not union rates; however, the data used in computing these rates may include both union and non-union data. Example: SULA2004-007 5/13/2010. SU indicates the rates are not union majority rates, LA indicates the State of Louisiana; 2004 is the year of the survey; and 007 is an internal number used in producing the wage determination. A 1993 or
later date, 5/13/2010, indicates the classifications and rates under that identifier were issued as a General Wage Determination on that date.

Survey wage rates will remain in effect and will not change until a new survey is conducted.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:
   * an existing published wage determination
   * a survey underlying a wage determination
   * a Wage and Hour Division letter setting forth a position on
     a wage determination matter
   * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator

(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

**FORM GC-10: PERFORMANCE BOND**

BY THIS BOND, We, Weekley Asphalt Paving, Inc., as Principal, hereinafter called CONTRACTOR, and Western Surety Company, as Surety, are bound to the Board of County Commissioners of Broward County, Florida, as Obligee, hereinafter called COUNTY, in the amount of seven hundred forty four thousand five dollars & 67/100 Dollars ($744,005.67) for the payment whereof CONTRACTOR and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, CONTRACTOR has by written agreement entered into a Contract, Bid/Contract No.: Z1125103C1, awarded the 16th day of December, 2013, with COUNTY which Contract Documents are by reference incorporated herein and made a part hereof, and specifically include provision for Liquidated Damages, and other damages identified, and for the purposes of this Bond are hereafter referred to as the "Contract";

THE CONDITION OF THIS BOND is that if CONTRACTOR:

1) Performs the Contract between CONTRACTOR and COUNTY for construction of Rehabilitation of Taxiway N at North Perry Airport, the Contract being made a part of this Bond by reference, at the times and in the manner prescribed in the Contract; and

2) Pays COUNTY all losses, Liquidated Damages, expenses, costs and attorney's fees including appellate proceedings, that COUNTY sustains as a result of default by CONTRACTOR under the Contract; and

3) Performs the guaranties of all work and materials furnished under the Contract for the time specified in the Contract; then THIS BOND IS VOID, OTHERWISE IT REMAINS IN FULL FORCE AND EFFECT;

Whenever CONTRACTOR shall be, and declared by COUNTY to be, in default under the Contract, COUNTY having performed COUNTY obligations thereunder, the Surety may promptly remedy the default, or shall promptly:

a) Complete the Project in accordance with the terms and conditions of the Contract Documents; or

b) Obtain a bid or bids for completing the Project in accordance with the terms and conditions of the Contract Documents, and upon determination by Surety of the lowest responsible Bidder, or, if COUNTY elects, upon determination by COUNTY and Surety jointly of the lowest responsible Bidder, arrange for a contract between such Bidder and COUNTY, and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the Contract Price," as used in this paragraph, shall mean the
total amount payable by COUNTY to CONTRACTOR under the Contract and any amendments thereto, less the amount properly paid by COUNTY to CONTRACTOR.

No right of action shall accrue on this bond to or for the use of any person or corporation other than COUNTY named herein.

The Surety hereby waives notice of and agrees that any changes in or under the Contract Documents and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this Bond.
