BCAD Landside Operations

TERMINAL ENTRANCE LOOP ROADWAY LANE CLOSURES

Project Location: Terminal Entrance Loop Roadway

Work Schedule: Thursday, September 27, 2018 through Tuesday, October 2, 2018 12AM to 4AM

Work Performed: Terminal Entrance Loop Roadway will encounter slower traffic and lane restrictions. Two lanes will be closed on the circular ramp into the airport for maintenance work on the over-the-roadway signs. The affected lanes will vary throughout the period. A Maintenance of Traffic (MOT) will be in place.

- **Expect delays entering the Airport**
- **Two lanes will be blocked each night**

Report issues to Airport Operations Control Center 954-359-1201
