

FLL Landside Advisory

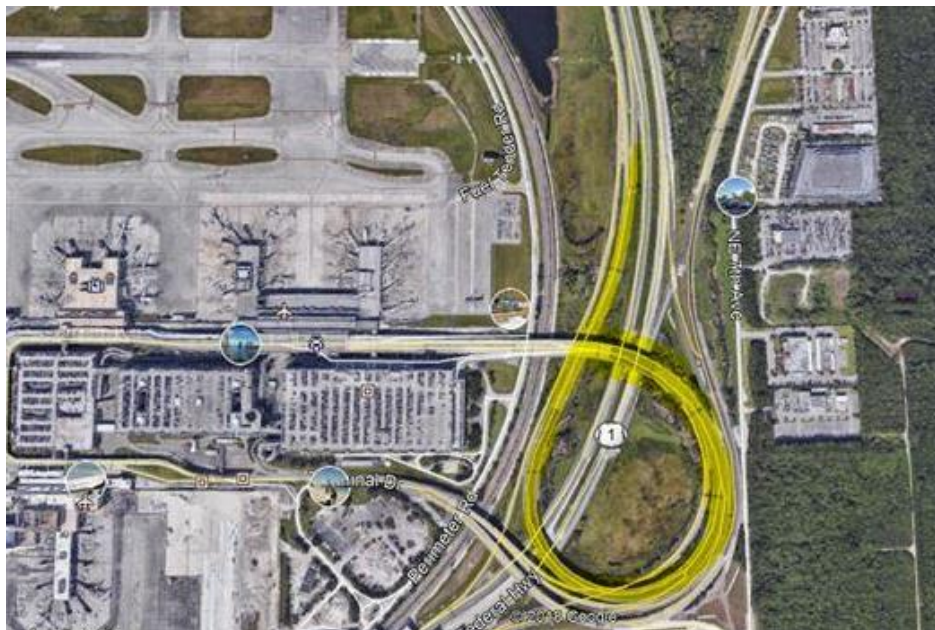

Please Post and Disseminate to All Airport Employees and Applicable Vendors

ISSUED: Wednesday, October 17, 2018

FLL 2018-06

BCAD Landside Operations

UPDATE: I-595 RAMP TO TERMINAL DRIVE AND RETURN TO TERMINAL LOOP LANE CLOSURES

Florida Department of Transportation (FDOT) Has Advised

Project Location: I-595 Ramp to Terminal Drive and Return to Terminal Loop

Work Schedule: Sunday, October 21, 2018 through Thursday, October 25, 2018 9PM to 5AM

Work Performed: Southbound U.S. 1 and eastbound Interstate 595 will encounter slower traffic and lane restrictions where their exit ramps for airport traffic merge. Two lanes will be closed on the circular ramp into the airport at any time due to the maintenance work that includes resurfacing the roadway. The affected lanes will vary throughout the week. A Maintenance of Traffic (MOT) will be in place.

- **Expect delays entering the Airport**
- **Two lanes will be closed each night**

Report issues to Airport Operations Control Center 954-359-1201
