FLL 2018-20

BCAD Landside Operations

I595 RAMP TO TERMINAL DRIVE AND RETURN TO TERMINAL LOOP LANE CLOSURES

Florida Department of Transportation (FDOT) Project

Project Location: I-595 Ramp to Terminal Drive and Return to Terminal Loop

Work Schedule: Sunday, July 22, 2018 through Thursday, July 26, 2018 9PM to 5AM

Work Performed: Southbound U.S. 1 and eastbound Interstate 595 will encounter slower traffic and lane restrictions where their exit ramps for airport traffic merge. Two lanes will be closed on the circular ramp into the airport at any time due to the maintenance work that includes resurfacing the roadway. The affected lanes will vary throughout the week. A Maintenance of Traffic (MOT) will be in place.

- **Expect delays entering the Airport**
- **Two lanes will be blocked each night**

Report issues to Airport Operations Control Center 954-359-1201
