## LOWER LEVEL CROSSWALK SIGNALIZATION

- **Project Location:** Terminal #2, lower level.
- **Project Work Location:** Phase Six: Terminal Drive crosswalk and lower level sidewalk adjacent to western vestibule doorway. Details on subsequent phases will be provided as the project progresses.
- **Project Work Hours:** Monday, April 22, 2019 – Friday, May 10, 2019. 11:00 p.m. – 9:00 a.m.
- **Work Performed:** Contractor will be installing components of the signalization and extending the crosswalk footprint. Construction work area will remain closed 24 hours per day. The doorway adjacent to the crosswalk will remain closed, except for emergency evacuations. The elevator adjacent to the crosswalk will remain open at all times. Fifty-eight percent (58%) of the Terminal curb frontage will be closed for the duration of the project. The remaining Terminal curb frontage will be available for guest active loading only.
- **A Maintenance of Traffic (MOT)** will be in place for the sidewalk closure.
