BCAD Landside Operations

## LOWER LEVEL CROSSWALK SIGNALIZATION

- **Project Work Location:** Phase Four: Lower Level Terminal Roadway. Details on subsequent phases will be provided as the project progresses.
- **Project Work Hours:** Phase Four: Sunday, January 27, 2019 - Thursday, January 31, 2019. 12:01 a.m. – 5:00 a.m.
- **Work Performed:** Phase Four: Contractor will be installing traffic signal equipment, above each traffic lane, prior to the crosswalks at Terminal 2 and Terminal 3.
- **Lane closures on the lower level can only be implemented after the last flight, at each specific Terminal where the work is being performed. Earlier lane closures can be authorized by the BCAD Operations Duty Supervisor if he/she determines that it will not have a detrimental impact on traffic flow. A Maintenance of Traffic (MOT) will be in place for all roadway lane closures.**
