TERMINAL ROADWAY LANE CLOSURE

- **Project Location:** Terminal Drive, upper and lower level.
- **Project Work Location:** Terminal Roadway starting at midpoint between Terminal 1 and Terminal 2 to Terminal 4 exit. A rolling maintenance of traffic (MOT) will be in place with flaggers and a law enforcement vehicle will be on-site for the duration of the operation.
- **Project Work Hours:** Sunday, January 13, 2019 through Thursday, January 31, 2019. 11:00pm to 4:00am.
- **Work Performed:** Involves core drilling and spalling maintenance. If traffic increases, work will pause to allow traffic to dissipate. Earlier lane closures can only be authorized by Broward County Aviation Department, Operations.
