BCAD Landside Operations

WEST PERIMETER ROAD FIBER OPTIC CABLE PROJECT

- **Project Location:** West Perimeter Road from south of the Naval Museum to East Perimeter Road.
- **Project Work Location:** Roadway shoulder and lane closure. A rolling maintenance of traffic (MOT) will be in place with flaggers and a law enforcement vehicle within the work area. All shuttles/buses within the area will take priority to help minimize delays.
- **Project Work Hours:** Monday, February 18, 2019 - Friday, February 22, 2019. 11:00p.m. - 5:30a.m.
- **Work Performed:** Involves installation of conduit for fiber optic cable via directional bore on the east side of West Perimeter Road by Comcast, Decisive, MLBS and Xfinity. A Maintenance of Traffic (MOT) will be in place and traffic will be controlled with flaggers. Earlier lane closures shall only be authorized by Broward County Aviation Department, Operations.

Report issues to Broward County's Airport Operations Control Center 954-359-1201
