BCAD Landside Operations

WEST PERIMETER ROAD FIBER OPTIC CABLE PROJECT

- **Project Location:** West Perimeter Road from south of the Naval Museum to just prior to East Perimeter Road.
- **Project Work Location:** Roadway shoulder and lane closure. A rolling maintenance of traffic (MOT) will be in place with flaggers and a law enforcement vehicle within the work area. All shuttles/buses within the area will take priority to help minimize delays.
- **Project Work Hours:** Friday, February 22, 2019 - Friday, March 1, 2019. 11:00p.m. - 5:30a.m.
- **Work Performed:** Involves installation of conduit for fiber optic cable via directional bore on the east side of West Perimeter Road by Comcast, Decisive, MLBS and Xfinity. A Maintenance of Traffic (MOT) will be in place and traffic will be controlled with flaggers. Earlier lane closures shall only be authorized by Broward County Aviation Department, Operations.
