Special Needs Shelter Kit Checklist

In an emergency evacuation, if you have a medical condition that requires basic medical assistance and monitoring, but does not require hospitalization, a Special Needs Shelter may be appropriate for you. Preregistration is important and encouraged, to ensure that you are ready for evacuation and sheltering in the event of an emergency in Broward County. Family members and caregivers are encouraged to accompany you. Use this checklist to help you prepare a Special Needs Shelter Kit that will make your stay as comfortable as possible. **PLEASE KEEP THIS CHECKLIST WITH YOUR IMPORTANT PAPERS.
