## BUDGET COMMENTS

- ❖ The Cocomar District is a special taxing district that was established in 1976 through joint actions of the County Commission, the Coconut Creek City Commission, and the Margate City Commission. The County Commission sits as the District Governing Board and selects an Advisory Board with recommendations from the cities.
- ❖ The District extends from the County Line in the north to approximately Atlantic Boulevard on the south, the Turnpike on the east, and State Road 7 on the west.
- ❖ The District is charged for services provided by County staff. These services include district management, engineering, planning and aquatic weed control. The millage rate for this district will remain unchanged at 0.1446.
- ❖ The overall increase in the District's budget is due to an increase in revenues and fund balance.
