EXAM NOTES

I. Scope
A Building Code Official can run a code enforcement office in Broward County.

II. Examination Content Outline
The examination is based on trade-specific information pertaining to materials, tools, equipment, practices, terminology, and relevant laws. It is a three (3) hour, open book examination that consists of 60 questions.

Exam Scheduling

Online testing is available. Gainesville Independent Testing Services (GITS) will provide the online agreement form and the necessary information to take the exam. After GITS receives the agreement signed with a copy of the photo identification, the candidate will be scheduled for online testing by GITS directly.

[ ] Registering for online testing.

However, if a candidate would prefer in-person testing, GITS requires the driver's license number or any other identification number for the exam registration. Please see the available exam locations and times below. The schedule may change due to holidays or university activities.
