FAMILY CHILD CARE HOME SMOKING DISCLOSURE FORM

The Florida Administrative Code, Chapter 65C-20.010(1)c, requires all family child care home operators to inform parents if someone living in the home smokes. Pursuant to Chapter 386, Florida Statutes, while children are in care, smoking is prohibited within the family child care home, all outdoor play areas and in vehicles when transporting children.

- No family member smokes
- One or more family members smoke
