- To calculate fees to modify a current license:
 - Lookup the fee per tank columns as they apply to the proposed activity.
 - Add \$55 per tank that is or will be connected to a Stage II Vapor Recovery System (except when closing the tank).
 - Add the tank fees together for the total Modification Application Fee.
- To calculate fees to renew a current license:
 - Lookup the “Operate” rate for each tank on site.
 - Add \$55 for each tank connected to a Stage II Vapor Recovery System
 - Multiply the result by (2) two for the tank’s two year renewal fee.
 - Add the tank fees together for the total renewal fee.
- To calculate fees to obtain a license for a new storage tank facility license:
 - Lookup the fee per tank columns as they apply to the proposed activity.
 - Add \$55 per tank that is or will be connected to a Stage II Vapor Recovery System (except for tank closures)
 - Lookup the “Operate” rate for each tank to be on site.
 - Add \$55 for each tank that will be connected to a Stage II Vapor Recovery System (except for tank closures)
 - Add the activity fee for each tank to obtain the total activity fee.
 - Add the operation fee for each tank to obtain the total operation fee.
 - Add the two sums together for the total 2-year initial license fee.
