

Broward Rooftop Solar Challenge

Rooftop Photovoltaic Solar Made Easy!

**COMING SOON
Fall of 2012!**
Rooftop PV Solar Systems
Online Permitting

Broward Rooftop Solar Challenge

Soon, it's going to be easier than ever for Broward County residents and businesses to convert to solar energy. Broward Go SOLAR is a U.S. Department of Energy grant-funded program to encourage installation of rooftop photovoltaic (PV) solar systems by Broward County residents and businesses. The new Broward Rooftop Solar Challenge program offers:

- ◆ a convenient online permitting system available 24/7
- ◆ one standard fee that saves you time and money
- ◆ pre-approved system designs that streamline the permit approval process.

Benefits of Solar Energy

- ◆ Utility company rebates up to \$20,000 per system (based on system capacity).
- ◆ Federal tax credit for up to 30 percent of the residential system cost.
- ◆ Reduced cost of energy.
- ◆ Cleaner source of energy.
- ◆ Reduced greenhouse gas emissions.

We Need You!

- ◆ Solar and Electrical Contractors
- ◆ Municipalities
- ◆ Design Professionals
- ◆ Solar Vendors
- ◆ Academia
- ◆ Local Trade Associations
- ◆ Homeowners
- ◆ Business Owners

Community involvement can help fulfill the objectives of the U.S. Department of Energy Go SOLAR grant. We invite you to choose a committee where you can contribute and get involved today by emailing gosolar@broward.org. Committees include:

- ◆ **Permitting** - develop a streamlined, on-line permitting process.
- ◆ **Planning & Zoning** - identify and eliminate restrictive zoning barriers.
- ◆ **Financing** - explore ways to improve financing options.
- ◆ **Outreach** - educate the community about the economic and environmental benefits of solar power.
