

COMPACT IMPLEMENTATION WORKSHOP

December 10 - 11, 2013
InterContinental at Doral Miami
Doral, Florida

Catalyzing Solar Development and Implementation in Southeast Florida

AGENDA

DAY 1: TUESDAY, DECEMBER 10, 2013

- 9:00 – 9:30 AM **Registration, Refreshments & Networking**
- 9:30 – 10:30 **Renewable Energy in Southeast Florida**
Welcoming Remarks
Steve Adams, Senior Program Director, US Adaptation Programs, Institute Sustainable Communities (ISC)
The Southeast Florida Regional Climate Change Compact: Collaborative Objectives and Policy Coordination Processes
Jason Liechty, Environmental Projects Coordinator, Natural Resources Planning and Management Division, Broward County
Renewable Energy in Florida
Jim Fenton, Director, Florida Solar Energy Center
- 10:30 – 10:45 **Networking Break**
- 10:45 – 12:00 PM **County and Regional Solar Initiatives**
Solar Implementation in Southeast Florida: Go Solar Florida
Nancy Gassman, Natural Resources Administrator, Energy and Sustainability Program, Natural Resources Planning and Management Division, Broward County
Ygrene's Energy Districts Approach to PACE Implementation
Joe Spector, Vice President Operations, Ygrene Energy Fund
EcoCity's Approach to PACE Implementation
Michael Wallander, Principal, EcoCity Partners
- 12:00 – 1:00 PM **Buffet Lunch & Networking**
Non Residential Solar – Potential and Opportunities
Buck Martinez, Senior Director, Office of Clean Energy, Florida Power & Light

- 1:00 – 1:30 **Community and Utility Shared Solar**
Community Shared Solar
Joe Weidman, Interstate Renewable Energy Council
- 1:30 – 2:45 **Design Session: Requirements for Shared Solar**
Moderator: Steve Adams, *Senior Program Director, ISC*
- 2:45 – 3:00 **Networking Break**
- 3:00 – 3:30 **Making Municipal Solar Work**
Building Municipal Solar Programs
Karly Zimmerman, Project Coordinator, Strategic Energy Innovations
- 3:30 – 4:45 **Design Session: Key Aspects of Municipal Solar Programs**
Moderator: Steve Adams, *Senior Program Director, ISC*
- 4:45 - 5:00 **Closing Remarks**
Ephrat Yovel, *Senior Program Officer – Southeast Florida Climate Change Compact, ISC*
- 5:00 PM **Adjourn**

DAY 2: WEDNESDAY, DECEMBER 11, 2013

- 9:00 – 9:30 AM **Registration, Refreshments & Networking**
- 9:30 – 9:45 **Welcoming Remarks**
Ephrat Yovel, *Senior Program Officer, ISC*
- 9:45 – 10:45 **Community and Utility Shared Solar: Lessons Learned**
Florida Keys Electric Coop: Simple Solar Program
Peter Amendola, Systems Engineer/GIS Supervisor, Florida Keys Electric Cooperative Association
Orlando Utilities Commission Approach to Solar Energy
Jim Fenton Director, Florida Solar Energy Center
- 10:45 – 12:00 PM **Design Session: Catalyzing Shared Solar**
Moderator: Steve Adams, *Senior Program Director, ISC*
- 12:00 – 1:00 **Buffet Lunch & Networking**

- 1:00 – 2:00 **Advancing Commercial Solar**
Commercial Integrated Solar Roof Systems: Key Factors
Scott McIntyre, CEO, Solar Energy Management
Solar Installation at Schnebly Winery
Peter Schnebly, Owner, Schnebly Winery
- 2:00 – 2:15 **Networking Break**
- 2:15 – 3:30 *Design Session: Key Factors for Commercial Solar*
Moderator: Steve Adams, Senior Program Director, ISC
- 3:30 – 3:45 **Plenary VI. Where the Rubber Hits the Road – Creating Successful
Solar Projects in Southeast Florida**
Steve Adams, Senior Program Director, ISC
- 4:00 **Adjourn**
