

Sustainability Stewards of Broward Call to Action Workshop

September 16, 2014
1 pm – 4 pm
West Regional Library [map](#)

**TOPIC: *Multiplier Affects: How Collaborative Action
Moves us Further, Faster***

***Attention:** This workshop will be run as a dialogue, with active participation expected from all attendees. Presentations will be kept to a minimum. Please bring your sustainability managers and other city decision-makers, as to assure we have both the broader vision discussion, and support needed to advance agreed upon priority actions. Thank you!
