

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

This is a first-time renewal and grant term has not yet expired. APR must be submitted by October 29, 2018.

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? No

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

Revised policy and procedure coupled with improvements in the Enterprise Resource Planning system implemented at the beginning of County fiscal 2017-18 have resulted in an 18% improvement in project drawdowns from FY2016. These implementations will assist in ensuring 100% quarterly drawdowns for all programs moving forward.

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes

Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

Broward Partnership Housing IV was underutilized by 32% during the initial year of operation. The project launched as a brand new project in August 2017 and, as expected, expenditures lagged as the program was ramping up capacity. The project ended the year operating at full capacity and there are no concerns about maintaining a full capacity rate.

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

1. Provide a description that addresses the entire scope of the proposed project.

Broward Partnership Housing IV (BPIV) addresses the needs of the chronically homeless in Broward Co. by providing PSH & supportive svcs. BPIV provides rental assistance for 28 1- or 2-bedroom scattered-site units/31 beds in Broward Co., & supportive svcs. provided by intensive case managers (ICMs) & other staff. Clients receive a biopsychosocial assessment that evaluates medical, behavioral, alcohol & substance abuse, housing, & social svc. needs, & work with ICMs to develop a client-centered treatment plan & monitor progress towards personal goals/outcomes. The program utilizes evidence-based practices of Motivational Interviewing, Solutions Focused Brief Therapy, & Cognitive Behavioral Therapy in the provision of supportive svcs.. The ultimate goal is empowering clients to overcome the challenges of reintegrating back into the community, improving income & maintaining long-term housing. Referrals are received through Broward Co. CoC's Coordinated Assessment System & HMIS, in concert with TaskForce, Broward Co.'s Homeless Helpline & other emergency & overflow shelter providers. Approx. 20% of clients come directly from the street & approx. 80% from emergency shelter. Prior to placement, some may be temporarily housed at the subrecipient's Central Homeless Assistance Center, a 230-bed emerg. shelter in Ft. Lauderdale. ICMs assist in identifying appropriate neighborhoods, conducting housing searches, & lease agreement execution. ICMs work with clients to develop & implement their case plan, monitor progress towards goals, & update plans as needed. A primary goal for clients is to increase income by applying for mainstream benefits and/or obtaining secure employment at wages that will sustain basic needs & independence. Based on the severity of their disabling conditions, clients are referred to the subrecipient's job developer, providing access to vocational education, training, job search & placement assistance, & aid in overcoming employment barriers. ICMs assist in applying for benefits & linkages with medical & dental care, medical insurance, mental health svcs., legal assistance, transportation, & other svcs., with the goal that clients expand their knowledge of community resources & be able to identify assistance on their own for future needs. Clients are also assisted with developing a support system of extended family, friends, neighbors, clergy, & others, that can serve as emotional & practical support to help prevent future crises. ICMs provide in-home & community-based svcs. & will transport clients to & from appointments for other svcs.

Expected outcomes: 80% of eligible clients obtain PH within 90 days of intake; 80% of adults will remain in/exit to PH; 45% will maintain/increase income; 80% will remain in PH for min. 6 mos. post exit. The subrecipient has extensive

experience managing CoC grants & follows a housing 1st model. CoC funds are essential to ensure housing stability and self-sufficiency.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. Dear Taxpayer:

This is in response to your request of June 17, 2014, regarding the tax-exempt status of BROWARD PARTNERSHIP FOR THE HOMELESS INC .

Our records indicate that a determination letter was issued in JUNE 1998, granting this organization exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate this organization is not a private foundation within the meaning of section 509(a) of the Code because it is described in section(s) 509(a)(1) and 170(b)(1)(A)(v).

Our records indicate that in December 1938, the American National Red Cross was held to be exempt from Federal income tax under section 101(6) of the Internal Revenue Act of 1938, which now corresponds to section 501(c)(3) of the Internal Revenue Code. In a subsequent determination, the American Red Cross was classified as a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(a)(vi) of the Code.

Even though the American National Red Cross was issued an individual ruling, this ruling covers its chapters, branches, and auxiliaries.

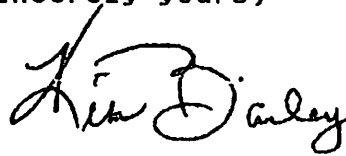

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown above.

Re: Certification of Participation in FL-601 Fort Lauderdale/Broward County Homeless Continuum of Care (CoC) Coordinated Assessment System for the FY2018 HUD Continuum of Care Program Competition
Project: Broward Partnership Housing IV (BPH-IV)

Dear Mr. Wright:

As the designated representative authorized to legally bind the agency, I hereby certify that the Broward Partnership (Partnership) is an active participant in the FL-601 Fort Lauderdale/Broward County Homeless Continuum of Care (CoC) and participates in the coordinated assessment process.

Pursuant to 24 CFR § 578.5 and 578.7 of the Homeless Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 the Broward County CoC continues to refine a coordinated assessment process to make it easier for consumers to access services and improve outcomes for both the consumer and the homeless system of care. The CoC standardized coordinated assessment and referral process is utilized through the Homeless Management Information System (HMIS) and will assist with prioritizing individuals and families for the appropriate interventions to prevent, divert and/or end their homelessness.

The CoC requires all CoC affiliated agencies regardless of funding source to participate in the coordinated assessment process through their formal contractual agreements. The CoC enters into Memorandums of Understanding (MOUs) with non-County contracted homeless providers and agencies to ensure participation in the coordinated assessment process. The Partnership commits to use the FL-601 Fort Lauderdale/Broward County dedicated homeless Coordinated Assessment process for all homeless programs.

Sincerely,

Frances M. Esposito
Chief Executive Officer

FROM: Rebecca McGuire, Acting Administrator
Homeless Initiative Partnership Section,
FL-601-CoC 

SUBJECT: Change in Applicant Name

Per the attached HUD Exchange Ask A Question Response to Question ID 126701, a change in the Legal name of our CoC was requested from Broward County Board of County Commissioners to Broward County, FL. It is a slight difference.

The Certificates of Consistency were secured prior to the name change request. For most of the Certificates, we were able to secure corrected ones. Both are attached. Some Certificates are from other municipalities and will take time to receive signed Certificates with the new name; but the needed information to confirm the consistency with the jurisdiction's Consolidated Plan is on each original attached Certificate.

The Project names are identified on each Certificate.

Question ID: 126701

Question Subject:

NoFA requirements

Question Text:

We have requested a change of legal name from Broward County Board of County Commissioners, to Broward County, FL.

Per previous instructions, the Applicant Profile was updated to read Broward County, FL

Prior to the change over, all of the Certificates of Consistency were secured with the Applicant name as Broward County Board of County Commissioners. What do we have to do to confirm this is not a technical issue? Do the Certificates of Consistency all have to be corrected? Or can we submit a memo stating the reason? Can we submit as is?

Please advise

This is for the NoFA competition please expedite, 7-10 days will not assist our application.

Response:

You may submit the Consistency with the Consolidated Plan (HUD-2991) as they are currently with a memo stating the change in the applicant name since there is just a slight difference. The purpose of the HUD-2991 is a confirmation for the jurisdiction where the projects are located that these projects are needed and consistent with the jurisdiction's Consolidated Plan. We assume that the name of the projects are include on the HUD-2991s as well.
