

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? No

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

Project is starting October 1, 2018; the first drawdown is scheduled for November 2018.

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** No
If “No” click on “Next” or “Save & Next” below to move to the next screen.

ROP2 will serve up to 14 male & females under 21, including parenting teens w/children (20%). Most youth have been traumatized due to domestic violence 15%, family rejection 75%, and human trafficking, 17%. During the FY 2016 a total of 71% of youth served within the youth shelter had diagnosed mental illness; 20% needed s/a treatment; and 10% identified as LGBTQ.

Housing is scattered-site apartments in Broward County. The sub-recipient, Covenant House Florida (CHF), conducts outreach to places where homeless youth congregate & provides an array of services including transportation to its Emergency Shelter (24/7). Homeless youth also learn about CHF from school staff, juvenile justice, police, other youth, helplines, youth & homeless providers, and coordinated service system.

CHF clients complete assessments to identify strengths & risks related to physical, emotional, behavioral, educational, employment, & social well-being. Then participants meet w/Clinical Specialists to develop Individualized Strength-Based Treatment Plans. CHF provides on-site: S/A treatment, individual/group/family therapy, GED, Health Clinic, & Work Force Development (employment assistance to help youth find employment/internships/job shadowing as well as increase their soft skills). CHF has assigned staff to work with Broward County Schools to enroll youth in school.

CHF seeks to reunite youth with family, but when not possible--because of abuse or family's inability/unwillingness to care for their child, CHF seeks alternatives. The CoC funds will help youth who possess life-skill proficiency & employment to rapidly achieve self-sufficiency. Case Managers help youth develop goals to increase income, skills, & self-determination enabling youth to attain self-sufficiency. CHF staff pre-identify affordable units in compliance with HUD rent reasonableness & HQS requirements. Units are screened to insure they are safe & close to employment, transportation, & amenities. CHF works w/Landlords to lease to clients.

All youth rent payments are based on individual need & ability w/goal that youth progressively increase independence until the full rent is covered. All rent paid by youth will be placed in youth savings & returned upon successful completion to assure savings in the case of emergency to eliminate return to homelessness.

Staff will meet w/youth a minimum 3x weekly, including at least 1 face-to- face and weekly home visits to assist with life skills, including money management/consumer awareness, food management, personal appearance, health, housekeeping, transportation, education planning, job seeking/maintenance skills, emergency & safety skills, knowledge of community resources, interpersonal skills, legal skills, and housing. CHF will provide 12 months follow-up/aftercare.

Dear Taxpayer:

This is in response to your request dated Jan. 16, 2018, regarding your tax-exempt status.

We issued you a determination letter in December 1983, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

TO: U.S. Department of Housing and Urban Development
Notice of Funding Availability for Fiscal Year (FY)2018
Review Committee

FROM: Rebecca McGuire, Acting Administrator
Homeless Initiative Partnership Section,

SUBJECT: Change in Applicant Name

Per the attached HUD Exchange Ask A Question Response to Question ID 126701, a change in the Legal name of our CoC was requested from Broward County Board of County Commissioners to Broward County, FL. It is a slight difference.

The Certificates of Consistency were secured prior to the name change request. For most of the Certificates, we were able to secure corrected ones. Both are attached. Some Certificates are from other municipalities and will take time to receive signed Certificates with the new name; but the needed information to confirm the consistency with the jurisdiction's Consolidated Plan is on each original attached Certificate.

The Project names are identified on each Certificate.

Thank you for submitting a question via the HUD Exchange. The response to your question is listed below.

Requestor Name: Susan Batchelder

Question Related To: e-snaps

Question ID: 126701

Question Subject:

NoFA requirements

Question Text:

We have requested a change of legal name from Broward County Board of County Commissioners, to Broward County, FL.

Per previous instructions, the Applicant Profile was updated to read Broward County, FL

Prior to the change over, all of the Certificates of Consistency were secured with the Applicant name as Broward County Board of County Commissioners. What do we have to do to confirm this is not a technical issue? Do the Certificates of Consistency all have to be corrected? Or can we submit a memo stating the reason? Can we submit as is?

Please advise

Additional Information:

Added by Requestor on 09-13-2018 10:39 AM (ET)

This is for the NoFA competition please expedite, 7-10 days will not assist our application.

Response:

You may submit the Consistency with the Consolidated Plan (HUD-2991) as they are currently with a memo stating the change in the applicant name since there is just a slight difference. The purpose of the HUD-2991 is a confirmation for the jurisdiction where the projects are located that these projects are needed and consistent with the jurisdiction's Consolidated Plan. We assume that the name of the projects are include on the HUD-2991s as well.
