

**Utilities Fiscal Manager – Water/Wastewater Utilities
Broward County, Florida**

Salary: up to \$109,932 annually depending on qualifications

[Broward County](#) in sunny South Florida is seeking a Utilities Fiscal Manager for its large [Water and Wastewater Services](#) utility serving 600,000 people. If you are a dynamic, well-established leader with significant business-related experience in the water and wastewater services industry, consider being part of this well-run utility's business operations. This position is responsible for managing the utility's complex accounting and reporting systems including accounts payable, accounts receivable, customer billing and past due collections processes.

Qualified candidates will possess a bachelor's degree with major course work in finance or accounting. Six years of progressively responsible professional experience in utility accounting and fiscal management work, including four years of supervisory experience, or any equivalent combination of relevant training and experience. Licensure as a Certified Public Accountant (CPA) in the State of Florida, or licensure in another state with the ability to obtain Licensure by Endorsement in Florida within six months of appointment, is required.

Salary will be commensurate with education and experience and is accompanied by an attractive benefits package including participation in the Florida Retirement System. For more information, visit <http://www.broward.org/Benefits/Pages/Default.aspx>.

How to Apply: Submit a detailed resume and cover letter to careers_exec@broward.org. First review of applications will be January 12, 2015; position is open until filled.

Please be aware that all information provided will be subject to public inspection in accordance with the Florida Sunshine Law.
