QUIET WATERS PARK MOUNTAIN BIKE TRAIL MAP

Quiet Waters Park has now opened Phase I of the park's mountain bike trail! Under the direction of the International Mountain Bike Association, local riders volunteered more than 1,200 hours to remove debris, reshape the land, install new plants, and construct the new trail. Phase I consists of 2.67 miles of novice and intermediate loops. The final trail, expected to be completed in summer 2008, will stretch five miles.

Trail-building days are from 8:30 a.m. to noon on the second and fourth Saturdays of the month. Volunteers who would like to work on and maintain the trails should visit the park office or call Eddie Garczyk at 954-360-1315, ext. 226 for more information.

For your safety: All ages must watch a safety warning video and complete a waiver of liability (PDF-100KB). Riders under 17 must watch the safety warning video and have a release and waiver of liability signed by a parent/guardian. Saturday, April 5 and Sunday, April 6, staff will show the safety warning video every 15 minutes starting at 8 a.m. through 3:30 p.m. at the Skate Park. After Sunday, riders will be able to complete the process at the park office.
