

**APPENDIX 2 - APPLICATION FOR AMENDMENT TO THE  
BROWARD COUNTY TRAFFICWAYS PLAN**

THE FOLLOWING INFORMATION MUST BE PROVIDED TO THE BROWARD COUNTY PLANNING COUNCIL BEFORE AN AMENDMENT TO THE BROWARD COUNTY TRAFFICWAYS PLAN WILL BE ACCEPTED FOR PROCESSING.

1. LOCAL GOVERNMENT RECOMMENDATION

- A. Resolution from the local government specifically describing the Trafficways segment proposed for amendment and recommended width(s) and/or realignment.
- B. Minutes from local governing body meeting.
- C. Local government staff report on the amendment as provided to the local governing body.
- D. The local government's rationale for the amendment. The Planning Council requests a condensed version suitable for inclusion in the Planning Council staff report.
- E. Name, title, address, telephone and facsimile number for the local government contact.

2. APPLICATION FEE

Amendment applications, other than those submitted by the Broward County Board of County Commissioners or which are (co)sponsored by the Broward County Planning Council as per Article 3.3 of the "Documentation of the Broward County Trafficways Plan", are subject to the Broward County Trafficways Plan amendment fee schedule. Please contact the Planning Council office for information regarding the current fee.

3. AMENDMENT SUPPORT INFORMATION

- A. If a specific right-of-way plan or (re)alignment is proposed for a corridor, engineering drawings and/or other supporting documentation to establish the precise (re)alignment must be provided.
- B. Amendments to specific Trafficways which are also identified as "State Principal Arterial" or "State Minor Arterial" on the current Broward County State Highway Functional Classification Map must be accompanied by a position statement from the District IV Secretary of the Florida Department of Transportation.

- C. Describe the existing and planned future land uses, per the effective municipal land use plan(s), in the amendment area.
- D. Describe the current availability of public right-of-way along the amendment corridor and the extent of existing uses and structures within the current and/or proposed Trafficways corridor.
- E. Describe the feasibility of acquiring additional rights-of-way along the amendment corridor as per the current and/or proposed Trafficways Plan width through the development and/or redevelopment of adjacent parcels.
- F. Describe impacts the amendment may have on ingress and egress relative to adjacent properties.
- G. Describe anticipated impacts on transit, bicycle, or pedestrian travel along the subject Trafficways segment and on the surrounding regional roadway network.

Planning Council staff will collect the information listed below and analyze traffic impacts resulting from the amendment. You may provide a traffic impact analysis for the amendment. If you submit a traffic impact analysis, please address the items listed below and provide information on the methodology utilized.

- H. Provide the current average daily traffic volumes, roadway capacity, and level of service for the Trafficways segment proposed for amendment and the affected surrounding regional roadway network.
- I. Provide Broward County Five (5) Year and Adopted Long Range Transportation Plan average daily traffic volumes, roadway capacities, and levels of service for the Trafficways segment proposed for amendment and the surrounding regional roadway network, both with and without the amendment.
- J. Indicate what improvements are programmed or planned for the Trafficways segment proposed for amendment, including intersection, mass transit, bikeway, and pedestrian improvements. Indicate the year of the programmed or planned improvement(s).
