

Broward County Debarred Supplier List as of February 12, 2018

Listed below are suppliers [vendors] debarred by the Director of Purchasing for Broward County Board of County Commissioners, in accordance with Broward County Procurement Code, Section 21.119 and 21.120. The notice of debarment date is listed next to each supplier. In accordance with Section 21.121, after the debarment period, a debarred person [supplier] may only be reinstated upon submission of an application to the Director of Purchasing. If approved by the Director of Purchasing, the supplier will be removed from the debarment list for Broward County.
