RE: **[PROJECT TITLE]**
[PROJECT ADDRESS]

To Water and Wastewater Services:

The referenced project (check the one applicable response):

- _____ does not require the installation of a fire sprinkler system.
- _____ requires the installation of a fire sprinkler system without a fire pump.
- _____ requires the installation of a fire sprinkler system with a fire pump.

The fire protection level of service requirement for the project site is:

- _____ GPM at 20 PSI residual pressure in the public water supply system for non-fire sprinkler (hydrant) fire protection requirements, and
- _____ GPM at _____ PSI residual pressure in the public water supply system for the fire sprinkler system.

Sincerely,

[SIGNATURE AND PRINTED NAME AND TITLE]
