<b>Sec. 27-174. Definitions</b>	<ul style="list-style-type: none"> <li>• No Changes</li> </ul>
<b>Sec. 27-175. General Prohibitions.</b>	<ul style="list-style-type: none"> <li>• No Changes</li> </ul>
<b>Sec. 27-176. General License and Permit Requirements; Exemptions; Application Requirements; Actions on Licenses and Permits; and Criteria for Issuance or Denial</b>	<ul style="list-style-type: none"> <li>• Section 176(a)(1): Add text to clarify that, in addition to construction or modification of an air pollution source, a county air license is required for initial and continued operation.</li> </ul>
<b>Sec. 27-177. General License and Permit Standards.</b>	<ul style="list-style-type: none"> <li>• No Changes</li> </ul>
<b>Sec. 27-178. Pollution Prevention Planning.</b>	<ul style="list-style-type: none"> <li>• No Changes</li> </ul>
<b>Sec. 27-179. Human and animal crematory emissions</b>	<p>NOTE: The proposed revisions affecting crematories do not change the regulatory intent from the existing county code for pollutant testing of crematory facilities at least once every five years. The proposed revisions are necessary based on revisions to the Florida Administrative Code that became effective in 2007.</p> <ul style="list-style-type: none"> <li>• Section 27-179(b)(2): Change the word “contract” to “contact”</li> <li>• Section 27-179(b)(4): Delete reference to “identical unit tests” in the Florida Administrative Code.</li> <li>• Section 27-179(c)(1): Delete existing requirement for visible emissions testing during each fiscal year. Replace with requirement that visible emissions testing be conducted within 30 days of commencing operation and annually thereafter.</li> <li>• Section 27-179(c)(2): Delete existing requirement for testing new and existing facilities. Replace with requirement for testing carbon monoxide (CO) and particulate matter (PM) emissions from each emissions unit within one (1) year from the effective date of this Section, and every five (5) years thereafter.</li> <li>• Insert Section 27-179(c)(3): Emissions units that have been tested for carbon monoxide (CO) and particulate matter (PM) emissions within one (1) year prior to the effective date of the Section, shall be tested within five (5)</li> </ul>

	<p>years from the date of that test, and every five (5) years thereafter.</p> <ul style="list-style-type: none"> <li>• Insert Section 27-179(c)(4): Emission units that commence operation after the effective date of this Section and that have not been tested according to Section 27-179(c)(2 ) shall be tested for carbon monoxide (CO) and particulate matter (PM) emissions within three (3) months of commencing operation, and every five (5) years thereafter.</li> </ul>
<b>Sec. 27-180. Asbestos</b>	<ul style="list-style-type: none"> <li>• No Changes</li> </ul>
