The Cultural Division, along with the Cultural Information Center, would like to thank all of our Cultural Concierges for the assistance and information they provide for the public. With their assistance, we have been able to provide, maintain, update and distribute information of the local artistic attractions and events within Broward County. Without our volunteers' assistance, our Cultural Information Center would not be able to operate at the level of excellence that it does. Their continuing support is a cornerstone to the availability of cultural awareness.
