

## Open your eyes to high-quality vision care!

The average family spends close to \$600 each year on routine eye health care. Using CompBenefits' VisionCare Plan, you will receive your routine eye health care with just a small co-payment.

### CompBenefits' VisionCare Plan provides benefits for covered:

- Comprehensive eye examinations
- Frames
- Eyeglass Lenses
- Contact Lenses

### Plus you will receive:

- LASIK surgery discount
- Preferred member pricing for upgraded frame and lens options

### When ordering a pair of eyeglasses from one of our network eye doctors, you will also receive in the year of your eye exam:

- A 20% discount on a second pair of eyeglasses
- A 15% discount on your contact lens fitting fee

Service	Frequency	Co-Payments
Eye Exam	Once every 12 months	Exam:\$10
Lenses	Once every 12 months	Materials:\$15
Frame	Once every 12 months	

\* This is not a schedule of maximum benefits. For example, the plan covers frames based on the manufacturer's wholesale price guide. So while the retail price of a covered frame may vary among plan doctors, the value of your covered frame stays the same. Typically, the wholesale frame allowance is equivalent to a retail price of up to \$225.00. You may be required to pay extra only if you choose a frame that exceeds the covered wholesale price.

### Savings! See the Difference

You can save money with CompBenefits' VisionCare Plan. Your annual benefits renew every January 1st. With the exception of any co-payments, you have no out-of-pocket expenses for covered services and supplies when you use one of our network doctors. Our independent network doctors provide personal service and you have generous allowances for contacts, frames and lenses. You also have the freedom to select frames that are in stock or order frames from the ophthalmic industry price book. Your frame allowance will allow you to choose from over 36,000 frames!

### Can I get contacts instead of glasses?

Yes, if you prefer contact lenses, the plan provides an allowance of \$100.00 in place of all other benefits.

The Contact Lens Allowance replaces all other benefits for the year. You can select either the Contact Lens Allowance or other covered services (eye glass exam and glasses), but not both.

Twenty percent discounts are available for 12 months after the covered eye exam from the VisionCare Network Provider who performs the initial exam and provides eye glasses or contacts.

This allowance is paid with the same frequency as lenses, in place of all other benefits.

Medically necessary (prior authorization required) is defined as 1) following cataract surgery w/o intraocular lens; 2) correction of extreme visual acuity problems not correctable with glasses; 3) anisometropia greater than 5.00 diopters and asthenopia or diplopia, with spectacles; 4) Keratoconus; or 5) monocular aphakia and/or binocular aphakia where the doctor certifies contact lenses are medically necessary for safety and rehabilitation to a productive life.

\*\*\*Plan members must first contact CompBenefits for a list of providers and to receive a Refractive Care ID card.

This schedule shows only a few of the covered procedures. Please refer to your certificate of coverage for a complete listing of benefits, exclusions and limitations.

Out-of-Network benefits apply under the VisionCare Plan but benefits are higher when a participating doctor is utilized.

Limitations and Exclusions apply.

# CompBenefits' VisionCare Plan

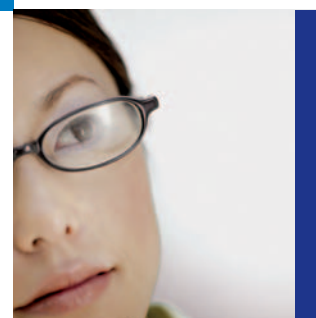

## how it works

1. The **VisionCare Plan** brochure tells you about the plan's benefits. By calling our Member Services Department or logging onto our website at [www.MyCompBenefits.com](http://www.MyCompBenefits.com) you may obtain a vision pass. This vision pass serves as an ID card and details your plan benefits to your doctor.
2. Before scheduling an appointment for eye care obtain a vision pass by calling our Member Services Department or logging onto our website at [www.MyCompBenefits.com](http://www.MyCompBenefits.com). Then, select a doctor from the list and call for an appointment. *It's that easy!*
3. When making an appointment, identify yourself as a **VisionCare Plan** member, provide the name of the employee, the patient's name, the group number and the employer's name.
4. The doctor will schedule your appointment and verify your eligibility and benefits before your visit.
5. Sign and present your vision pass form upon your initial visit. You'll pay any co-payments and/or the cost of any upgrades or cosmetic items at that time.
6. The doctor provides you with a complete eye exam, and when necessary, orders prescribed eyeglasses or contact lenses from a **VisionCare Plan** approved lab. The doctor also verifies their accuracy and fits them on you.
7. **VisionCare Plan** pays the doctor directly for his or her professional services.
8. Your out-of-network benefits are detailed on page three.

*It is that easy.*

## Florida Vision Providers Broward, Miami-Dade and Palm Beach Counties

The providers listed in this brochure were participating with the plan at the time of printing. Please check with the doctor of your choice or call our Customer Care department at 1-800-979-4758 when making your appointment to make certain he or she is currently a member doctor. You may also visit our website at [www.compbenefts.com](http://www.compbenefts.com) for a nationwide listing of providers.

You must receive services from one of our participating providers in order to receive full benefits (as outlined in your vision care booklet). If you receive service from a provider who does not participate in the plan, you will receive reimbursement according to the non-panel reimbursement schedule established by your group.
