

## OFFICE OF PROFESSIONAL STANDARDS

### Fiscal Year 2006 - 1st Quarter

#### Goal Statement

To establish, update and enforce guidelines for ethical standards of conduct for all employees in order to comply with Broward County's Ethics and Conflict of Interest policies and to maintain the procedures necessary for the administration and coordination of professional standards.

| <b>Performance Measures</b>  | <b>FY 2005<br/>Year-to-Date</b> | <b>FY 2006<br/>Year-to-Date</b> | <b>FY 2006<br/>Projected</b> |
|--|---------------------------------|---------------------------------|------------------------------|
| Number of complaints and/or assistance cases   | 11                              | 12                              | 75                           |
| Number of formal whistleblower complaints  | 1                               | 6                               | 12                           |
| Number of referrals to other county agencies for non-whistleblower complaints                            | 25                              | 38                              | 100                          |
| Number of whistleblower cases closed per year  | 4                               | 1                               | 12                           |
| Number of training sessions to employees and Broward County citizens to educate them on County standards | 0                               | 1                               | 12                           |
| Number of operational reviews and/or investigations  | 4                               | 4                               | 16                           |
