**Project Comments**

- <sup>1</sup> \$1.7 million is allocated for facilities improvements over the five year program. Funding enables the Parks and Recreation Division to deliver a flexible and timely response to unplanned emergency and non-emergency repairs required to preserve the County's regional parks infrastructure.
- <sup>1</sup> \$4.2 million is allocated over the five year program for renovation and repair of existing recreational amenities, including aquatics facilities, campgrounds, marinas, fencing and signage.
- <sup>1</sup> \$1.04 million is allocated over the five year program for renovation and repair of outdoor lighting along park roads and buildings.
- <sup>1</sup> \$842,280 is allocated over the five-year program for repairs and resurfacing of park roadways, parking lots, walking paths, and boardwalks. The presence of an on-going program alleviates maintenance problems and damage associated with deteriorating road, paths and boardwalks.
- <sup>1</sup> \$1.27 million is allocated over the five year program to maintain a uniform schedule of roof replacement according to anticipated life cycles. The presence of an on-going replacement program alleviates damage associated with leaking roofs.
- <sup>1</sup> \$3.36 million is allocated over the five year program for renovation and repair of existing park buildings including shelters, pavilions, and offices.

**BROWARD COUNTY CAPITAL BUDGET**

- <sup>1</sup> \$1.32 million is allocated over a five year program to renovate restrooms according to their anticipated life cycles. The presence of an on-going program alleviates maintenance problems and damage associated with deteriorating restrooms.
- <sup>1</sup> \$1.96 million is allocated over the five year program for regularly scheduled renovations and repairs to fix existing lift stations, water and sewer lines, and septic tanks.
- <sup>1</sup> \$2 million is provided over the five year program for repair and replacement of deteriorating playground structures and the installation of shade structures at existing playgrounds.

**Project Comments**

- <sup>1</sup> Approximately \$2.8 million is provided in fiscal year 2008 for renovations at various Regional Parks to ensure the facilities are compliant with the Federal Americans with Disabilities Act.
- <sup>1</sup> Based on the information obtained during the ADA Transition Plan updating process, cost estimates were developed for those remaining non-programmatic projects requiring structural improvements which would bring the County into full compliance.
- <sup>1</sup> There is funding available in the current capital program to address Priority 1 projects as identified by the ADA team. Funding in fiscal year 2008 addresses remaining Priority 2 (P2) and Priority 3 (P3) projects. In addition to the funding allocated for the P2 and P3 projects, there is additional funding allocated for contingencies.
- <sup>1</sup> Priority 1 projects provide essential services related to health and safety and programs that are unique to a building, facility, or park and cannot occur at another location. Priority 2 projects are defined as facilities that receive a high level of public use. Priority 3 facilities are distributed throughout the County.

**Project Comments**

- <sup>1</sup> \$826,000 is provided in fiscal year 2008 for the development of the Herman and Dorothy Shooster Preserve. Development provides public access and education including a nature trail and an elevated walkway, interpretive signage, picnic tables, and a small playground. These amenities will allow visitors to experience a mature cypress wetland with large pond apples.
- <sup>1</sup> Funding for this project comes from funds remaining in the 1989 Environmentally Sensitive Land Bond Fund.
