

# **Property & Infrastructure (Built Environment Adaptation) Subcommittee**

James Murley, Esq. Chair  
Center for Urban & Environmental Solutions  
Florida Atlantic University

March 19, 2009

# Mission Statement

## **Property and Infrastructure (Built Environment Adaptation) Subcommittee**

*Mission:* To provide the Task Force with recommendations for adapting and adaptive management of the existing and future "built environment;" to react to and mitigate predicted climate impacts. This includes, but is not limited to, all forms of public and private property: homes, office buildings industrial and commercial facilities, etc., and infrastructure and modifications of infrastructure systems – roads, rail, ports and airports, bridges, waterways, and public works. The Subcommittee will develop standards and strategies for property and infrastructure systems "resiliency," prevention of adverse consequences and response and recovery from future conditions and events. The Subcommittee will identify effective tools for property and infrastructure adaptation: goals, policies, programs, funding and measures of progress and success.

# Brainstorm Ideas

- 1. Transportation Systems
- 2. Stimulus Bill
- 3. New Orleans v. Florida
- 4. Water Supply
- 5. Flood Protection
- 6. Single Stream Recycling
- 7. Hazard Zone Building
- 8. Insurance
- 9. Comprehensive Planning & Processes

# Defined Action Items

- 1. Infrastructure
- 2. Planning & Zoning (Process & Implementation)
- 3. Water
- 4. Building Envelope (Structural)
- 5. Insurance
- 6. Emergency Management

# Governor's Action Team Report

## ADP-5

### Built Environment, Infrastructure & Community Protection

## Florida's Energy & Climate Change Action Plan

*October 15, 2008*

*Governor's Action Team on Energy & Climate Change*

# Meetings

- February 13, 2009
  - Defined scope of critical issues of group
- March 13, 2009
  - Explored critical issues
- April 15, 2009
  - Next meeting
