- IV. Presentations - None
- V. Business Issues
 1. Review of mission
 2. Review of brainstorming session
 3. Discussion and selection of action items
 4. Discussion of presentation at next Broward County Climate Change Task Force Meeting
- VI. Other Business
- VII. Next Scheduled Greenhouse Gas Reduction Subcommittee Meeting: *TBD*
- VII. Adjournment

Directions to meeting: I-595 to the Davie Road Exit. Go south a few stoplights to Nova Drive. Turn right (west) and proceed to the next stoplight. Turn left (south) onto College Avenue. Take a right (west) at the first driveway at the blue University of Florida sign through the black gates. Drive 3-4 tenths of a mile toward the back of the property. The Hurricane House is the last building on the right. You may have to knock to get in. If you drive past a series of boats on trailers, you have gone too far.
