

PUBLIC HEARING OF APRIL 5, 1994

(The meeting convened at 6 p.m. and adjourned at 10:13 p.m.)

CALL TO ORDER

A. MOTION TO AUTHORIZE the Aviation Department to forward to the Federal Aviation Administration (FAA) an updated Master Plan for the Fort Lauderdale-Hollywood International Airport (FL-HIA), which recommends improvements to the airport, including the extension of Runway 9R-27L to a length of 9,000 feet and approve an updated Airport Layout Plan (ALP) which includes future passenger terminal development, parking garage expansion and roadway improvements.

ACTION: (B-519) Approved.

ACTION: (B-800) The Board requested the Aviation Department to have the consultants prepare a methodology for a study on the financial impacts and the Average Day-Night Sound Level Noise Contours affecting the current properties surrounding the Fort Lauderdale-Hollywood Airport (FL-HIA) since the announcement of the Master Plan Update for the extension of Runway 9R-27L and directed the County Attorney's Office to report on any legal ramifications which could occur from such a study.

B. MOTION TO AUTHORIZE the Aviation Department to forward to the Federal Aviation Administration (FAA) for review and approval, an updated Federal Aviation Regulations (FAR) Part 150 Noise Compatibility Program for the Fort Lauderdale-Hollywood International Airport (FL-HIA), which provides existing and future noise exposure maps along with noise abatement and noise mitigation recommendations for land use compatibility through 1987.

ACTION: (B-1862) Approved.
