

Broward County Auto Body and Paint Shop Regulatory Ordinance

DIVISION 3. LICENSING AND CERTIFICATION OF MOTOR VEHICLE BODY REPAIR AND MOTOR VEHICLE PAINTING SHOPS AND TECHNICIANS

Legislative intent: It is the legislative intent of the board of county commissioners that the license fees, certification fees, and trainee permit fees assessed under this division shall be sufficient to fund the costs created by the activities required to be performed in order to fully implement the intent and purpose of this division.

Sec. 20-176.36. Authority.

The provisions of this division are enacted so as to ensure the proper handling of environmentally hazardous wastes generated by motor vehicle repair and motor vehicle painting shops, in order to protect the atmosphere and water supply in Broward County. This division shall be a minimum standards ordinance pursuant to Broward County Charter § 8.04. Therefore, all cities within Broward County shall be required to enforce this chapter, on a local level, and to that extent all references to the county shall be deemed to include references to the applicable city; provided, however, any city may pass its own ordinance containing such provisions and procedures that are substantially equivalent to the provisions and procedures set forth in this division and may delegate the administration and enforcement of this division to the county.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.37. Purpose.

(a) It is hereby declared by the board of county commissioners that, in order to provide for and safeguard the life, health, safety, property and welfare of the people, the licensure and regulation of business enterprises engaged in the repair and painting of motor vehicles are matters affecting the public health, safety, welfare and interest; and any person desiring to conduct such a business enterprise shall be required to obtain a regulatory license, require the technicians employed by the business enterprises to obtain certification, and obey the regulations as hereinafter provided.

(b) The purpose of this division is to ensure the proper handling of hazardous wastes generated by the repair and painting of motor vehicles and to protect the atmosphere and the water supply in Broward County; and, further, to provide a uniform system for the licensure and regulation of business enterprises which are engaged in or which intend to engage in repairing, rebuilding, restoring, painting and refinishing motor vehicles for compensation.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.38. Definitions.

For the purposes of this division, the following definitions shall apply:

(a) *AATI and ASE Certification:*

(1) AATI means American Advanced Technicians Institute Corporation, a nationally recognized testing organization to administer technician certification exams.

(2) ASE means the National Institute for Automotive Service Excellence, an internationally recognized testing organization which encourages automotive service excellence.

(b) *Business enterprise* means any person who operates for profit, or allows to be operated for profit, a motor vehicle body repair facility or motor vehicle painting facility, as such terms are defined herein.

(c) *Certified* means any motor vehicle repair technician or motor vehicle paint technician who meets the requirements for certification under this division for a specific body repair or paint repair category or categories pursuant to this division.

(d) *Commission* means the board of county commissioners of Broward County, Florida.

(e) *Cooperative* shall mean an association of repair facilities for the mutual benefit of sharing any equipment required under section 20-176.42 "Cooperative" for purposes of this division shall not mean a legal entity.

(f) *County administrator* means the chief executive officer and head of the administrative branch of county government as provided in Article III of the Charter of Broward County.

(g) *Customer* means the owner, or authorized representative or agent of the owner, or lawful possessor, of a motor vehicle.

(h) *CAD* shall mean the Broward County Consumer Affairs Division, or any selected county agency, to be known herein as the "CAD."

(m) *License* means the certificate or document which allows a person to engage in Broward County in the activity of repairing, restoring, rebuilding, painting, or refinishing of motor vehicles for compensation. As used in this division, "license" shall not mean a municipal occupational or county occupational license. If the application, fee, and equipment provisions of this division have been complied with by September 25, 1992, then a conditional license shall be issued. All conditional licenses shall be revoked if compliance with the required certification has not been met by July 31, 1993.

(n) *Motor vehicle* means any automobile, truck, bus, recreational vehicle, or motorcycle required to be licensed under Chapter 320, F.S. for operation over roads of Florida, but does not include trailers, mobile homes, travel trailers or trailer coaches without independent motive power.

(o) *Motor vehicle body repair shop* means any person, business, or cooperative which, for compensation, engages in the activity of rebuilding, repairing or restoring of physically damaged motor vehicles by mending, straightening, or replacing a portion or portions of the body and/or performing structural repairs of a motor vehicle that is owned by another person.

(p) *Motor vehicle painting shop* means any person, business, or cooperative which, for compensation, engages in painting or repainting of motor vehicles that are owned by other persons.

(q) *Motor vehicle repair technician* means any person who, for compensation, engages in the repair or restoration of the body of motor vehicles and is certified as required under this division.

(r) *Motor vehicle paint technician* means any person who, for compensation, engages in painting or repainting or refinishing of motor vehicles and is certified as required under this division.

(s) *Person* means any natural person, firm, partnership, association, corporation or other entity of any kind whatsoever.

- (t) *Personnel authorized by the CAD* means enforcement personnel authorized by the director.
 - (u) *Place of business* means a physical place where the business of motor vehicle repair or motor vehicle painting is conducted.
 - (v) *Regulation* means a rule set forth in this division, the violation of which is sufficient grounds for fines, suspension, or revocation of a license as issued herein, civil damages, court costs and attorney's fees, and specified criminal penalties.
 - (w) *Repair facility* means:
 - (1) Structural repair and paint facility as defined in section 20-176.42(e);
 - (2) Structural repair facility as defined in section 20-176.42(d);
 - (3) Paint repair facility as defined in section 20-176.42(c);
 - (4) The term "repair facility" shall include shops listed above that share equipment under a cooperative as defined under this division.
 - (x) *Trainee* means a person who desires to become a motor vehicle body repair technician and/or a motor vehicle paint technician and receives a permit from the director pursuant to this division.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 1, 2, 4-14-92; Ord. No. 92-22, § 1, 7-7-92; Ord. No. 92-36, § 1, 9-8-92; Ord. No. 2003-33, § 1, 9-23-03)
Secs. 20-176.39, 20-176.40. Reserved.
- Editor's note:** Ord. No. 2001-06, § 16, adopted Feb. 13, 2001, repealed former sections 20-176.39, 20-176.40 in their entirety which pertained to the motor vehicle body repair and motor vehicle painting industry board.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.41. Motor vehicle body repair and body painting license required.

- (a) It shall be unlawful for any person for compensation or as part of a regularly conducted business activity to repair, restore, reconstruct, rebuild, paint, refinish or repaint a motor vehicle (hereinafter "restore") without first obtaining and maintaining a current and valid license and/or certification pursuant to the provisions of this division. Each repair facility shall employ at least one (1) certified technician in the category(ies) for which each facility is licensed.
- (b) [Repealed by Ord. No. 92-36, § 2.]
- (c) Existing repair facilities shall have eighteen (18) months within which to comply with the requirements of this division. Repair facilities that begin operation after the effective date of this division [March 25, 1991] shall meet all requirements of this division at the commencement of the business enterprise.
- (d) It shall be unlawful for any person for compensation or as part of a regularly conducted business activity to advertise to restore a motor vehicle without first obtaining and maintaining a current and valid license pursuant to the provisions of this division. Any advertisement, including advertisements and telephone listings in any and all "Yellow Pages," shall include the license number issued pursuant to this division.
- (e) If the certified technician employed by the repair facility leaves the employ of the repair facility, the repair facility shall notify the CAD and shall have sixty (60) days following the termination of the certified technician within which to obtain the services of a subsequent certified technician.
- (f) The director of the CAD may refuse to validate, or may recommend to invalidate, temporarily or permanently, the licensing of any repair facility that commits, or whose employees, partners, or officers commit, any of the following acts:
 - (1) Making or authorizing in any manner or by any means any written or oral statement to a customer or potential customer which is untrue or misleading and which is known or which by the exercise of reasonable care should be known to be untrue or misleading.
 - (2) Causing or allowing a customer to sign any document in blank relating to the repair or painting of a motor vehicle in contravention of the Motor Vehicle Repair Act, § 559.901, F.S. et seq.
 - (3) Failing or refusing to give a customer a copy of any document requiring his or her signature as soon as the customer signs the document in contravention of the Motor Vehicle Repair Act, § 559.901, F.S. et seq.
 - (4) Engaging in any other conduct which constitutes fraud or dishonest dealing.
 - (5) Engaging in conduct which constitutes gross negligence.
 - (6) Making any false promises of a character likely to influence, persuade or induce a customer to authorize the repair or painting of a motor vehicle.
 - (7) Failing to adhere to the requirements of any and all applicable federal, state and local environmental regulations.
- (g) Nothing in this article shall be construed to prevent a natural person from working in an employment relationship for another person holding a valid license under this division; provided, however, that any person who is an independent contractor and not an employee of a licensed person is also subject to all requirements and provisions of this division.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 3, 4-14-92; Ord. No. 92-36, § 2, 9-8-92)

Sec. 20-176.42. Equipment required for licensing and registration of facility.

- (a) An applicant for registration and licensing as a motor vehicle repair or paint facility shall submit to the director a description of the facility to be registered and whether it is one of the following:
 - (1) Structural repair and paint facility;
 - (2) Structural repair facility; or
 - (3) Repair facility.
- (b) In order for a facility to be eligible for licensing, each facility must have the following:
 - (1) Established business location in compliance with local zoning laws.
 - (2) All applicable local, state and federal licenses, permit regulations and insurance regulations, including, but not limited to: sales tax number, federal I.D. number, fire, electrical code and EPA compliance regarding disposal of environmentally hazardous wastes.
 - (3) Proof of garage liability insurance and garage-keepers legal liability insurance in an amount of no less than fifty thousand dollars (\$50,000.00), and completed operations insurance.
 - (4) Set of current printed and/or electronic crash manuals for vehicles to be repaired.
 - (5) Evidence of active management participation (approved training), certification and completion of one (1) technical school training program.
- (c) In addition to the items in (b) above, a paint repair facility shall have:
 - (1) An approved on-site spray booth meeting all current federal, state and local environmental regulations, and local zoning laws.
 - (2) If guarantees are given on workmanship, including paint and material, such guarantees shall be prominently displayed and shall state the mileage and/or time period for which the guarantee is effective.
 - (3) A paint application system with the ability to produce an acceptable industry standard finish.

- (d) In addition to the items in (b) above, a structural repair facility shall have:
- (1) A metal inert gas welder (MIG).
 - (2) Ability to raise (lift, rack or bench) the vehicles for inspection.
 - (3) Source of dimensions covering frame; upper body dimensions and wheel alignment specifications (blueprints) for the types of vehicles to be repaired.
 - (4) Measuring device suitable for the type of vehicle to be repaired, symmetrical or asymmetrical, and body structural dimensions, including upper body.
 - (5) Four-point anchoring system to hold vehicles in stationary position during structural and body pulls suitable for the type of vehicle to be repaired.
 - (6) Electric or hydraulic equipment to make multiple body and structural pulls for straightening.
 - (7) If guarantees are given on workmanship, including parts and materials (subject to manufacturer's warranty), such guarantees shall be prominently displayed and shall state the mileage and/or time period for which the guarantee is effective.
- (e) A collision, structural repair and paint facility shall have the items listed in (b), (c), and (d) above.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 4, 5, 4-14-92; Ord. No. 92-36, § 3, 9-8-92)

Sec. 20-176.43. Fees; applications; renewals; licensing.

- (a) The fees for the initial application shall be established by administrative order of the county administrator and approved by the commission. The initial application fee shall be effective from the date of issuance to December 31, the end of the calendar year. Renewal applications shall be effective from January 1 through December 31, the end of the calendar year.
- (b) Any business enterprise maintaining more than one (1) repair shop or facility shall separately register each facility and pay a separate fee for each such facility.
- (c) Applications, renewal applications and applications for a duplicate license shall be submitted on a form provided by CAD. The forms shall contain sufficient information to identify the motor vehicle body repair or paint shop, including name, address and any other identifying data which the director prescribes. If the business is to be carried on under a fictitious name, the fictitious name shall be given. If the business is a partnership, identifying data as prescribed by the director shall be given for each partner. If the business is a corporation, data shall be given for each officer and director of the corporation, as well as the person or persons in charge of each place of business in Broward County.
- (d) Upon receipt of the completed application form and fee, and after determining that there is no reason why the application should not be validated, the director shall validate the application and return a copy thereof to the applicant. Each license shall be displayed by the place of business for which the license was obtained.
- (e) Prior to expiration of the initial license or expiration of the annual license, whichever is the case, an applicant may apply for an annual license. As part of the renewal process, the original application shall be updated and verified by the applicant on forms prescribed by the CAD. Each updated renewal shall be submitted prior to expiration of the current initial or annual license and shall be accompanied by a fee which shall be established by resolution of the commissioners. All renewal application fees shall be deposited with original application fees and other charges and fees under this division in a separate Broward County fund and shall be used exclusively to accomplish the purpose of this division.
- (f) In the event of loss, destruction or mutilation of the license or registration, the person to whom it was issued may obtain a duplicate copy upon furnishing satisfactory proof of the loss, destruction or mutilation, and upon paying the required fee.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.44. Denial of license; appeal; review.

- Any person dissatisfied or aggrieved with the decision of the director to deny such person's application for initial license or license renewal may, within ten (10) days after the denial, appeal in writing to the CAD. Upon receipt of an appeal, the CAD shall schedule and hold a hearing within fourteen (14) days. The dissatisfied or aggrieved person shall be provided with a notice of hearing, which shall include:
- (1) A statement of the time and place for hearing; and
 - (2) A reference to the facts and relevant section of the county ordinances or regulations upon which the denial is based.
- The hearing shall be conducted in accordance with the procedures for Consumer Protection Board hearings, as defined in division 1, section 20-176 et seq., of this article. At the hearing, witnesses shall be sworn, and the rules of evidence applicable to quasi-judicial proceedings shall govern. After the conclusion of the hearing, the consumer protection board shall affirm or reverse the decision of the director, and that action shall be final. Should the consumer protection board reverse the decision of the director, the director shall issue a license forthwith.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.45. Record keeping.

- Every facility required to be licensed hereunder shall:
- (1) Comply with any and all requirements of Chapter 559, pt. IX, F.S. (§ 559.901, F.S. et seq.), "Florida Motor Vehicle Repair Act," including, but not limited to notification of charges, repair estimates, invoicing, and return of parts which have been replaced.
 - (2) Maintain complete records of all operating information as the CAD may require, including but not limited to repair estimates and/or invoices and statements for services rendered, and records of payments for services rendered. Such records shall be maintained for at least six (6) months. The CAD shall be granted access to these records for inspection or copying, upon five (5) days' prior notice and during regular business hours. All records and information inspected and not copied shall be confidential, except that records may be copied or made public for the purpose of license suspension or revocation proceedings.
 - (3) Include on the written invoice given to the customer upon work completion the shop license number issued pursuant to this division. This requirement shall apply only to paint repair facility and structural repair facility.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-36, § 4, 9-8-92)

Sec. 20-176.46. Certification required for technicians prior to CAD certification.

- Every technician applying for certification shall be AATI or ASE certified as provided for in section 20-176.47.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 6, 4-14-92; Ord. No. 2003-33, § 1, 9-23-03)

Sec. 20-176.47. Certification of technicians; application for certification of motor vehicle body repair technician and motor vehicle paint technician.

- (a) There is established the following specialties or areas of certification:
 - (1) Motor vehicle body repairing, restoring and rebuilding.
 - (2) Motor vehicle painting and refinishing.
 - (b) A certification test shall be given in each of the areas described above.
 - (c) Before a person is certified as a motor vehicle body repair technician and/or motor vehicle paint technician, the person shall hold a current AATI or ASE certification in the category for which he or she desires to be certified. In addition, an applicant shall have completed, within five (5) years of applying for or renewing his or her certification, a training program approved by the board of county commissioners for the category in which he or she seeks certification by the CAD.
 - (d) No motor vehicle body repair technician and/or motor vehicle paint technician shall engage in the occupation of motor vehicle body repair or motor vehicle painting for compensation unless the person is certified as required herein.
 - (e) Upon becoming AATI or ASE certified and completing an approved training program, if required, a person may apply for certification on a form as required by the CAD, accompanied by the required registration fee.
 - (f) An applicant shall submit to the director, in addition to such other information as may be required, the following information:
 - (1) Name and address of applicant.
 - (2) Category or categories of certification for which the applicant is applying.
 - (g) All applicants who are either AATI or ASE certified tested shall:
 - (1) File an application for certification as a technician on a prescribed form.
 - (2) Submit completed application forms with a nonrefundable application fee and registration fee.
 - (3) Submit proof that the applicant is either AATI or ASE certified.
- (Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 7, 4-14-92; Ord. No. 92-22, § 2, 7-7-92; Ord. No. 2003-33, § 1, 9-23-03)

Sec. 20-176.48. Applications; forms.

Applications, including those for certification, renewals, trainee permits, and replacement certificates or permits, shall be submitted on forms prescribed by the director.
(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.49. Trainee permit.

- (a) If a person is unable to obtain a certificate as a motor vehicle body repair technician, and/or a motor vehicle paint technician, such person may make application for a trainee permit on the form prescribed by the director. The director shall issue or approve a trainee permit to an applicant who qualifies under the rules promulgated for that purpose.
 - (b) A trainee employed by a motor vehicle body repair or motor vehicle paint facility shall be required to work under the direct supervision of a certified motor vehicle body repair technician or motor vehicle paint technician during the full time of the trainee's employment. There shall be at least one (1) technician certified in each category for which the facility is licensed for every two (2) trainees in the particular category.
- (Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 8, 4-14-92; Ord. No. 92-36, § 5, 9-8-92)

Sec. 20-176.50. Renewal; loss or destruction of certificate or trainee permit; replacement.

- (a) A technician's certification or trainee permit shall be renewed annually upon payment of the required renewal fee.
 - (b) In the event of loss, destruction or mutilation of a certificate or permit, the person to whom the certificate or permit was issued may obtain a replacement upon furnishing satisfactory proof of the loss, destruction or mutilation, and upon payment of the appropriate fee. Application for a replacement shall disclose the following information:
 - (1) Name and address of the applicant.
 - (2) Explanation of the loss, destruction or mutilation of the original certificate or trainee permit.
- (Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.51. Display of certification; certification number of technician on repair invoices.

A certified technician shall display, in a conspicuous location in the place of business, a current and valid certificate issued by the CAD. Any person permitting another, by subcontract or otherwise, to engage in an activity regulated under this division shall be responsible to ensure that the license numbers of the shop actually performing the activity appear on the statement of repairs and invoice required pursuant to § 559.911, F.S.
(Ord. No. 91-12, § 1, 3-12-91; Ord. No. 92-10, § 9, 4-14-92; Ord. No. 92-36, § 6, 9-8-92)

Sec. 20-176.52. Compliance with industry standards; alternative to denial, suspension or revocation of certification.

- (a) A person in possession of a current certification under this division shall not depart from or disregard, in any material respect, accepted motor vehicle repair industry standards. Compliance with published vehicle manufacturer, parts manufacturer, or equipment manufacturer or recognized after market repair manual specifications shall create a presumption that the motor vehicle body repair and/or paint technician has followed accepted motor vehicle body repair and/or paint industry standards.
 - (b) If a complaint is received by the motor vehicle body repair and motor vehicle painting industry board, as defined in section 20-176.39, and after notice and hearing as required by section 20-176.53(f) and (g), the board determines that a technician failed to follow accepted industry standards, the board may require the technician to do both of the following:
 - (1) Successfully complete a designated training course or program as a prerequisite to continued certification.
 - (2) Only perform specific motor vehicle body repair and/or motor vehicle painting procedures as identified by the board until the training course or program described in subdivision (1) above is completed.
 - (c) In the alternative to (b)(1) and (2) above, the board may recommend suspension or revocation of the technician's certification by the consumer protection board.
- (Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.53. Enforcement and penalties.

- (a) It shall be the duty and responsibility of all law enforcement officials to assist in the enforcement of this division and the code to the extent that it is within their jurisdiction to do so.
- (b) The CAD shall maintain a system by which licensees are given written notice of all violations. CAD personnel shall be permitted to enter the business premises of a person who provides services pursuant to this division to ascertain whether the license and registration is current and the employees of the facility are certified as required under this division. If CAD personnel are refused

entry or access to the business premises as stated above, the CAD shall obtain an inspection warrant pursuant to §§ 933.20933.30, F.S., in order to ascertain compliance with this division.

(c) The CAD is authorized to enforce the provisions of this division by administrative fines of up to five hundred dollars (\$500.00) for each violation in accordance with the consumer protection code, division 1, section 20-159 et seq., of this article. Each day of a continuing violation shall be deemed a separate violation.

(d) In addition to fines, the CAD is authorized to enforce the provisions of this division by suspension or revocation of a license and registration or upon notice and hearing as provided in this section unless the licensee waives such notice and hearing. Licenses are subject to suspension or revocation when it shall appear that:

(1) The licensee has failed to comply with or has violated the provisions of this division; or

(2) The license was obtained by an application in which any material fact was omitted or falsely stated.

(e) In addition to the foregoing, a license issued pursuant to this division may be suspended after a hearing pursuant to the provisions of this section, when the CAD receives written notification that the licensee's officer, director or partner, or any other stockholder owning, holding, controlling or having a beneficial interest in five (5) percent or more of the issued and outstanding stock of the licensee or of the issued and outstanding stock of a corporate partner of a partnership licensee, has pled nolocontendere guilty to or been convicted of a felony or of any criminal offense involving motor vehicles. In addition, the CAD may initiate a hearing as hereinafter specified to consider revocation of such license. A licensee whose license has been suspended under this provision shall be entitled to reinstatement of such licensee's license upon proof that:

(1) After a felony conviction, the licensee's civil rights have been restored or that the licensee otherwise qualifies for restoration of rights under § 940.05, F.S.; or

(2) After a conviction of any other criminal offense, that the person convicted has successfully completed all sentences of incarceration, probationary periods, required rehabilitation activities, and payment of all fines and penalties imposed in connection with such criminal offense.

(f) All hearings required by this section for proposed suspensions or revocations of licenses shall be preceded by a minimum of twenty (20) days' written notice. That notice shall specify the director's proposed action and the grounds upon which the action is predicated. The licensee may be represented by legal counsel and shall be entitled to present a defense to the proposed action. Failure to appear at a duly noticed hearing shall be deemed a waiver of the right to hearing and an admission of the acts specified in the notice. Failure to claim certified mail notifying the licensee of the hearing shall be construed as failure to appear at a duly noticed hearing.

(g) All such hearings shall be conducted in the same manner as consumer protection board hearings, division 1, sections 20-176, 20-176.1, of this article, and shall be before a three-member panel. All such hearings shall be reported and, at the request of any party, transcribed at the expense of said party. Within a reasonable time after the conclusion of the hearing, the panel shall submit to the director a statement of findings, conclusions and recommendations; and the CAD shall promptly notify all parties, in writing, division 1, section 20-176.2, of this article, of its final decision.

(h) The decision of the panel may be appealed to a court of appropriate jurisdiction in accordance with the Florida Rules of Appellate Procedure.

(i) Whenever any person has engaged in any acts or practices which constitute violations of any provision of this division or the code, the state attorney or the county attorney's office may make application to the Seventeenth Judicial Circuit for an order enjoining such acts or practices and for an order granting permanent injunction, restraining order, or other order enjoining such acts or practices, said orders to be granted without bond.

(Ord. No. 91-12, § 1, 3-12-91)

Sec. 20-176.54. Supplemental enforcement.

In addition to all other penalties, remedies, or other enforcement measures established within this division, or as otherwise provided by law, violations of this division shall be subject to civil penalties as provided by chapter 8 1/2 of the Broward County Code of Ordinances, and penalties shall be imposed as set forth in the schedule of penalties therein.
