GROUNDWATER AND SOIL DECONTAMINATION/REMEDATION
APPLICATION TO CONSTRUCT / OPERATE AIR POLLUTION SOURCE

COMPANY NAME _____

SOURCE LOCATION _____
Address City Zip

APPLICANT NAME AND TITLE _____

APPLICANT ADDRESS _____

PURSUANT TO PROVISIONS OF THE BROWARD COUNTY CODE OF ORDINANCES, CHAPTER 27,
APPLICATION IS HEREBY MADE FOR AUTHORITY TO CONSTRUCT AND/OR OPERATE THE
FOLLOWING AIR POLLUTION SOURCE:

LICENSES REQUEST FOR: _____ CONSTRUCTION; _____ OPERATION; _____ MODIFICATION

SCHEDULE OF PROJECT (Construction license applications only):

START OF CONSTRUCTION: _____ COMPLETION OF CONSTRUCTION: _____

STATEMENTS BY APPLICANT AND ENGINEER

I am the undersigned owner or authorized representative of _____. I certify that the statements made herein for a license to construct/operate an air pollution source are true, correct and complete to the best of my knowledge and belief. Further, I agree to maintain and operate the air pollution source and air pollution control devices in such a manner as to comply with the provisions of Broward County Code of Ordinances, Chapter 27, and all rules and regulations or revisions thereof. I also understand that a license, if granted, will be transferable only in accordance with Chapter 27, Section 27.

SIGNATURE _____ PHONE _____ DATE _____

NAME AND TITLE (Please type) _____

PROFESSIONAL ENGINEER REGISTERED IN FLORIDA

This is to certify that the engineering features of this project have been designed/examined by me and found to be in conformity with modern engineering principles applicable to control and discharge of air pollutants characterized in the license application. There is reasonable assurance, in my professional judgement, that the air pollution source(s) with appropriate pollution control equipment, when properly maintained and operated, will comply with applicable regulations of Broward County Code of Ordinances, Chapter 27. It is also agreed that the undersigned will furnish the applicant with instructions for proper maintenance and operation of the equipment covered in this application.

SIGNED _____ NAME (Please type) _____

MAILING ADDRESS _____

FLORIDA REGISTRATION NO. _____ PHONE _____ DATE _____

Please affix seal

Which municipality building and zoning department approved the location of the facility?

GENERAL INFORMATION

1. Describe general nature of business, nature and extent of project, and refer to air pollution control equipment. State whether the project will result in full compliance with applicable regulations.

2. Previous EPD licenses issued _____

3. Projected equipment operating time _____ hours/day; _____ days/week; _____ weeks/years

If seasonal, describe: _____

4. List air contaminants emitted from each emission point:

5. List add-on control devices for air emissions control, including removal efficiency:

6. Indicate how pollutants removed by add-on controls will be disposed of:

7. Name of person completing this form _____
Title _____
Company _____
Phone No: (____) _____ - _____ Signature _____

Supplemental Requirements

Please provide the following supplements where required for this application:

1. With construction license application, include design details for all pollution control systems.
Attached [] Not Applicable []
2. With a construction license application, attach derivation of control device(s) efficiency. Include test or design data.
Attached [] Not Applicable []
3. An 8 1/2" x 11" flow diagram which will, without revealing trade secrets, identify the individual operations and/or processes. Indicate where raw materials enter, where solid and liquid waste exit, where gaseous emission and/or airborne particles are emitted, and where finished products are obtained.
Attached [] Not Applicable []
4. An 8 1/2" x 11" plot plan showing the location of the facility, and points of airborne emissions, in relation to surrounding area, residences and other permanent structures and roadways.
Attached [] Not Applicable []
5. An 8 1/2" x 11" plot plan of facility showing the location of manufacturing processes and outlets for airborne emissions. Relate all flows to flow diagram.
Attached [] Not Applicable []

The fee to construct/operate a remediation system is \$180.00. If paying by check, please make check payable to the Broward County Board of Commissioners. Please submit the completed application with remedial action plan to the EPD, Air Quality Division, 115 South Andrews Avenue, Room A-240, Fort Lauderdale, FL 33301. Phone number: 954-519-1220.
