## **Broward County Commission to Host VisionBROWARD Workshop**

### ***Implementation of Community Economic Development Project Discussed***

The Broward County Board of County Commissioners will hold a workshop to discuss the VisionBROWARD community economic development project.

The VisionBROWARD workshop will take place tomorrow, Tuesday, May 3, at 10:30 a.m. (or immediately following the regularly scheduled Commission meeting) in Room 430 of the Broward County Governmental Center, 115 S. Andrews Avenue, Fort Lauderdale.

“More than a thousand residents worked on this project to develop an economic master plan for Broward County,” said Broward County Mayor Kristin Jacobs. “This workshop will allow the Commission to discuss the implementation of these ideas and recommendations.”

VisionBROWARD is a public/private venture that was created by the Broward County Board of County Commissioners, the Broward Alliance, the Broward Workshop and Nova Southeastern University.
