Broward Beautiful Presents Ninth Annual Recognition Ceremony and Luncheon

The Broward Beautiful Program will host its Ninth Annual Recognition Ceremony and Luncheon:

Wednesday, May 18, 2005
11 a.m. to 1 p.m.
Volunteer Park, 12050 W. Sunrise Blvd, Plantation

Broward County Mayor Kristin Jacobs will present awards recognizing commercial establishments, office buildings, public buildings, parks and historic properties for their outstanding landscape designs and maintenance programs. This important event is held each year to honor businesses that have made great strides in contributing to the beautification of Broward County and not-for-profit organizations that have successfully completed Community Grant projects that add to the natural beauty of Broward County.

The Broward Beautiful Community Grants program provides financial assistance to qualified public entities, neighborhoods, schools and other not-for-profit organizations to improve and enhance landscaping throughout Broward County.

The following is a list of landscape award winners and their respective categories, along with a list of this year's successfully completed Community Grant projects and Special Projects. For more information, please contact Lorraine Bertone at 954-519-0326, or go online to www.broward.org/dpep and click on "Broward Beautiful."
