Broward County Libraries Division Presents

### **How to Apply for Public Assistance, Food Stamps, Medicaid and Temporary Cash**

BROWARD COUNTY, FLORIDA - Broward County Libraries Division Outreach Services will present a series of seminars on applying for public assistance such as food stamps, Medicaid, and temporary cash. The four programs, each at different library locations throughout the county, will offer customers the opportunity to speak directly to representatives from public and private organizations that can provide help and assistance during these troubled economic times.

The events, presented by the Florida Department Children and Families, is part of the "Taking Care of Yourself & Family: How to Survive in Today's Economy," a series of informative lectures, seminars, programs and events geared toward providing information on housing, finance, nutrition and more for Broward County citizens.

The events will take place at the following locations:

**October 24**, 10:30 a.m. - noon, West Regional Library, 8601 W. Broward Blvd., Plantation; 954-382-5860.

**November 4**, 6 - 8 p.m., Lauderhill Mall Library, 4257 N.W. 12 St., Lauderhill; 954-791-1000.

**November 9**: 6 to 8 p.m.; **November 14**: 11 a.m. to 1 p.m.; South Regional Library/BC Library, 7300 Pines Blvd., Pembroke Pines; 954-201-8825.

This program, and others presented as part of the "Taking Care of Yourself & Family: How to Survive in Today's Economy" series, are sponsored by the MOSAIC grant from the School Board of Broward County, Western Union, the Newcomers/New Americans Grant funded by Broward County Public Library Foundation, and Broward County Library.
