

the MULTI ETHNIC *resource directory*

Dear Sir/Madam:

The Broward County Library, Outreach Services unit, is in the process of collecting information to update its Multiethnic Resource Directory (MERDI). The directory is an effort to inform the public of the resources available in the community and will be available, free of charge, at our website www.broward.org/library. We would appreciate your supplying us with the information on the enclosed form on the reverse side of this page, including name, address, or telephone number of your group. In addition, if you are aware of any community organizations and cultural groups which may be new and therefore may not have been included in the previous issues, we would appreciate your providing their information so that we may contact them.

Thank you in advance for your time and your cooperation. If you have any questions, please contact me at 954-357-7328 or you can email me at gcampfor@browardlibrary.org.

Sincerely,

A handwritten signature in black ink that reads "Gérard Campfort".
