

New Music CDs Recently Added to the Collection – April 1, 2007

To place a hold on any of these items go to <http://www.broward.org/library> and click on "Catalog" on the left or ask a librarian for assistance. To receive this list by e-mail, send a message to avpoplists@browardlibrary.org.

There is no list of newly received music CDs this month because we have received none here at Main AV/Popular.

If you'd also like to receive news about events here at Main AV/Popular (movies, Guitar Club, and other special events), new audiobooks, or new videos and haven't already let me know, please send me an e-mail.

I'd also like to remind you to check out the BookLetters e-mail newsletters, which BCL offers in addition to our PDF new items e-mails. We frequently add new newsletters.

The content of most of these newsletters is edited by BCL staff--we do both our own PDF new items lists and the BookLetters new videos and new audiobooks lists, for instance.

Although we can list fewer items using the BookLetters service than we can in our PDF lists, the BookLetters newsletters offer some features the PDF lists can't which you might enjoy. One is a direct link to the BCL catalog, where you can put items on hold. The BookLetters newsletters also offer pictures of the covers, links to the trailer/preview for new videos, and links to audio samples of new audiobooks.

For any readers out there, BookLetters also offers many print book related newsletters as well such as new romances, mysteries, and science fiction. I've subscribed to several lists myself.

At the moment there is no way we can port e-mail addresses of subscribers of our PDF newsletters over to the BookLetters newsletters, so you'll have to check those newsletters out and subscribe to them on your own.

Access is through the Library's main Web page, <http://www.broward.org/library/>, clicking on New Movies/Books/Audio Books/Music over on the right, then clicking on Bookletters.

To look at any of the BookLetters newsletters click on Bookletters, then click on whichever title you'd like to see. To subscribe to any of them, click on "Sign up for email newsletters here" and follow the instructions.
