

What is a Comprehensive Plan

Comprehensive planning is an attempt to establish guidelines for the future growth of a community. The term comprehensive means exactly what it says. It should be a comprehensive or all-inclusive approach at addressing the issue of future growth of a community.

On the Comprehensive Plan webpage you will find the Broward County Comprehensive Plan, as amended on December 12, 2006. This document should be used as a guide for future planning and development of Broward County and its cities.
