Sponsored by the Broward County Board of County Commissioners

Green Products and Practices

Covenant Village's lushly landscaped 20-acre campus offers the benefits of continuing care retirement in a tropical setting. With 272 apartments in a variety of floor plans, there's a style for you. Select one, then enjoy all that Covenant Village and South Florida have to offer.

Covenant Village's environmental achievements include:

Energy Conservation

- Replacing incandescent light bulbs CFLs
- Replaced old pool heaters to more efficient ones
- Installed high efficiency lighting and insulation

Water Conservation

- Residents formed landscaping committee to provide water conservation tips to all residents resulting in 10% savings
- Conservation tips shared with residents over closed circuit television
- As apartments are remodeled, existing shower heads and toilets are retrofitted. New toilets use 1.4 gallons of water per flush. New shower heads use 2.4 GPM.
- Shut down irrigation system for water conservation

Recycling

- Spent fluorescent light bulbs recycled
- Residents discarded furniture, clothing, recycled on site in thrift store
- On site food service utilizes cloth napkins which are washed and reused

Other

- Use electric cars to transport residents on property
- Use low VOC paint
- Current construction required tree removal, many trees relocated on site

During renovations, bathrooms have low flow toilets and CFL bulbs installed that reduce water and energy use.
