

2005 Emerald Award Winner For Environmental Excellence

Sponsored by the Broward County Board of County Commissioners
And the Environmental Protection Department

Green Products and Practices

JM Family Enterprises, Inc. is a diversified automotive corporation whose principal businesses focus on vehicle distribution and processing, finance and warranty services, insurance activities, retail sales and technology products and services.

Their environmental accomplishments include:

- Installed a thermal energy storage system. It produces ice at night when power rates are lower and used it to cool the air during the day when power rates are higher.
- Installed a Duro-Last Cool Zone roofing system. The white membrane is highly reflective and durable which saves energy
- Retrofit to energy saving fluorescent light bulbs

JM Family has two thermal energy storage systems at their Deerfield Beach campus.

Janet Simoneaux (center) accepts the Emerald Award trophy from Mayor Ben Graber (right) and County Commissioner Kristin Jacobs (left).
