

2007 Emerald Award Winner For Environmental Excellence

Sponsored by the Broward County Board of County Commissioners

Recycling

JM Family Enterprises, Inc. (JMFE) is a \$12.2 billion diversified automotive corporation headquartered in Deerfield Beach, Fla. (Broward County) whose principal business focuses on vehicle distribution and processing, finance and warranty services, insurance activities, retail sales and technology products and services. JMFE is ranked by Forbes as the 22nd largest privately owned company in the U.S. and is currently ranked No. 23 by FORTUNE® as one of the 100 Best Companies to Work For in America, its 10th consecutive year on the list.

JMFE's environmental achievements include:

JMFE's Deerfield Beach campus recycled the following materials in 2007:

Solid Waste

- 77.45 tons of office paper
- 49.8 tons of shredded paper
- 639.6 tons of cardboard
- 13.7 tons of commingled aluminum, plastic and glass
- 2,600 tons of construction & demolition debris

Universal Waste

- 16 pounds of batteries (Lithium, Nickel-cadmium and NiMH)
- 48 pounds of alkaline batteries
- 1,650 fluorescent bulbs

E-Waste

- 1904 units of toner, docking stations, modems, fax machines, laptops, computers, etc.

JMFE conducted an Earth Day Celebration on April 19, 2007 hosting more than 25 environmental organizations and vendors who gave out educational literature to JMFE associates to learn how to be more environmentally responsible at home and at work. JMFE provided 13 raffle items (including several \$250 gift certificates to Whole Foods Market, \$50 gift certificates to Starbucks, Pizza Fusion, Ben and Jerry's, The Energy Store, and \$25 BP gas cards) to associates to encourage participation. Associates who completed an environmental survey were also eligible for four green iPod® Shuffles.

JMFE also celebrated America Recycles Day on November 15, 2007 by conducting a cell phone drive to benefit Women In Distress of Broward County - 300 phones were collected.

JMFE's headquarters in Deerfield Beach improved the existing corporate recycling program by expanding the recycling of glass, aluminum and plastic campus-wide.

This container, made from 30% recycled content, holds glass, aluminum and plastic for recycling.

In 2007, JMFE's Deerfield Beach campus recycled 13.7 tons of commingled waste.
