

2007 State Legislative Program Additions

NORTHWEST FEDERATED WOMENS CLUB 1/27/07

The Broward County Board of County Commissioners supports a \$500,000 appropriation for the Northwest Federated Women's Club.

HILLSBORO INLET DISTRICT LOCAL BILL 2/27/07

The Broward County Board of County Commissioners supports modification of the 2007 State Legislative Program to reflect the support of the Hillsboro Inlet District local bill which reduces the Board's appointments to the district's governing body from 2 to 1 appointee and requires all appointees to live within the boundaries of the district; and directing staff to notify the Broward County Legislative Delegation and the Hillsboro Inlet District of the change in position.

INDEPENDENT TAXING DISTRICTS 3/6/07

The Broward County Board of County Commissioners supports SB 1912, which would require members of independent special districts with taxing authority to be elected to serve.

MOBILE HOME RELOCATION 3/12/07

The Broward County Board of County Commissioners supports an increase in the time period from six months to one year for notification of the mobile home owner that they will be displaced due to the park owner's intention to sell or change the current land use.

The Board also supports an increase in the required compensation a park owner must pay for relocation per single- or multi-sectioned mobile home to the Florida Mobile Home Relocation Corporation from \$2750 to \$3000 for a single section mobile home, and from \$3750 to \$6000 for a multi-sectioned mobile home.
