In consideration of the privilege of being allowed to take part in the City of West Park Adopt-A-Street Program, I understand that my participation in this program is limited to the list of approved volunteer duties described in the volunteer opportunities booklet. In consideration of the opportunity afforded me to participate as a volunteer, I do hereby knowingly, freely and voluntarily release, waive and discharge the City of West Park, its officers, employees, agents and volunteers from any and all liability, losses, expenses, damages, claims, causes of action or judgments including without limitation attorneys' fees and court costs, which may be sustained by me and/or my family directly or indirectly in connection with, or arising out of my participation as a volunteer, whether caused in whole or in part by the negligence of the City of West Park, its officers, employees, agents, volunteers or otherwise. I further agree not to represent myself as an officer, agent or employee of the City of West Park and acknowledge that I am participating as a volunteer for the City, on my own time and outside the scope of my employment, and that I am not entitled to any City stipend, or fringe benefit. I further agree that any vehicle that I drive to, from or during a volunteer activity is not property of or an instrumentality of the City but rather my own property. I acknowledge that the City will not be responsible or liable for any personal injury or property damage caused in whole or in part by my personal vehicle.

I have read this Release and Waiver of liability form and fully understand its terms. I further understand that I have given up substantial rights by signing this form and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of any and all liability to the greatest extent permitted by law and agree that if any portion of this Release and Waiver is held to be invalid, the balance notwithstanding, shall continue in full legal force and effect.
