Diplomatic Services Room Dedication At Fort Lauderdale-Hollywood International Airport

When: Wednesday, June 11, 2008, 11:30 am

Where: Fort Lauderdale-Hollywood International Airport, Terminal 3, upper level in the FLLight Deck adjacent to Concourse "E".

There will be a Ribbon Cutting and Grand Opening of the Broward County Diplomatic Services Room on Wednesday, June 11, 2008. The Diplomatic Services Room is intended to serve Broward County's high level international business community.

The room was designed to be used for official meetings by Consul Generals, Ambassadors, and other high-level governmental representatives when visiting Broward County. The Diplomatic Services Room has been created by the Broward County Office of Economic Development, the Fort Lauderdale-Hollywood International Airport (FLL), Port Everglades, and the Greater Fort Lauderdale Convention and Visitors Bureau.

This is a significant step by Broward County to remain competitive and attractive in the international business arena.
