

FLL Landside Advisory

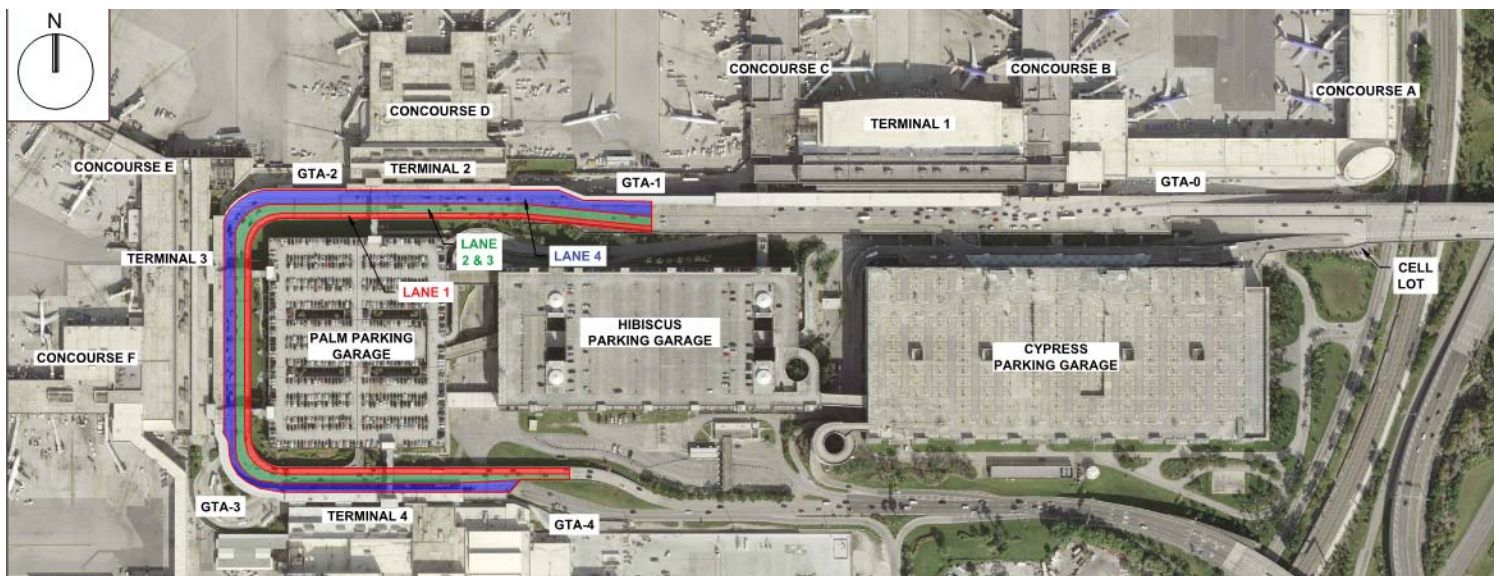

Please Post and Disseminate to All Airport Employees and Applicable Vendors

ISSUED: July 2, 2019

FLL 2019-72

BCAD Landside Operations

TERMINAL ROADWAY LANE CLOSURE

Project Location: Terminal Drive from GTA-1 to GTA-4, upper and lower level.

Project Work Hours: Tuesday, July 2, 2019 through Monday, September 30, 2019. 10:00 pm to 6:00 am.
Two lanes may be closed from 1:00 am to 4:00 am.

Work Performed: The Contractor will be working on spall repairs and installing structural beams at the expansion joint locations on the upper level deck. All work performed from the lower level will use a lift and a rolling Maintenance of Traffic (MOT).

Report issues to Airport Operations Control Center 954-359-1201
