

6 HOLIDAY ROADWAY SAFETY TIPS

FORT LAUDERDALE-HOLLYWOOD INTERNATIONAL AIRPORT (FLL)

1

ENTRANCE ROADWAYS

Keep FLL's entrance roadways safe. **DO NOT PARK** on the shoulder areas designated for emergencies only.

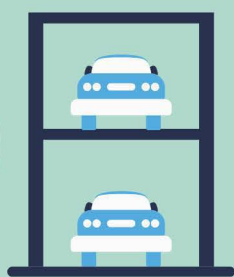

WAITING AREAS

Park instead in the airport's free Cellphone Waiting Area or a nearby aircraft observation area such as the Greenbelt Park on Griffin Rd./NW 10th St.

2

3

ANOTHER OPTION

Take advantage of a free 20-minute grace period in our parking garages if you don't arrive too early at FLL before the flight lands.

CURBSIDE ETIQUETTE

Pull into the designated pick-up/drop-off lanes to keep traffic flowing and minimize congestion. Stopping in a moving lane impedes the ease of vehicular movement.

4

5

PEDESTRIAN CROSSWALKS

Adhere to crosswalk traffic signals for pedestrian safety.

REAL-TIME UPDATES

Watch for FLL roadway status updates and other traffic management initiatives in place on overhead signs and the airport's X and Facebook pages.
